Policy Reference: Education Code Section 70902(b) (3); Title 5 Sections 55060, et seq.

The District grants the degrees of Associate of Arts and Associate of Science to those students who have completed the subject requirements for graduation and who have maintained a 2.0 average in subjects attempted. Students must also complete the general education, residency, and competency requirements set forth in Title 5 regulation.

Students may be awarded a Certificate of Achievement upon successful completion of courses of study or curriculum for which the District offers a certificate. The District has certificate programs that upgrade and develop occupational and vocational proficiency.

The Superintendent/President shall establish procedures to determine degree and certificate requirements and to assure that graduation requirements are published in the district's catalog and in other resources that are convenient for students.
