Vacancies on the Board may be caused by any of the events specified in Government Code Section 1770 or any applicable provision in the Elections Code, or by a failure to elect. Resignations from the Board shall be governed by Education Code Section 5090.

Within 60 days of the vacancy or filing of a deferred resignation, the Board shall either order an election or make a provisional appointment to fill the vacancy.

If an election is ordered, it shall be held on the next regular election date not less than 130 days after the occurrence of the vacancy.

If a provisional appointment is made, it shall be subject to the conditions in Education Code Section 5091. The person appointed to the position shall hold office only until the next regularly scheduled election for district governing board members, when the election shall be held to fill the vacancy for the remainder of the unexpired term.

The provisional appointment will be made by a majority public vote of the board members at a public meeting.

A member shall continue to have the right to exercise all powers of a Board member until the effective date of the resignation except such member may not vote for his or her successor in an action taken by the Board to make a provisional appointment.

The Superintendent/President shall establish administrative procedures to solicit applications that assure ample publicity to and information for prospective candidates. The Board will determine the schedule and appointment process, which may include interviews at a public meeting.
