The Board shall by action establish committees that it determines are necessary to assist the Board in its responsibilities. Any committee established by Board action shall comply with the requirements of the Brown Act and with these policies regarding open meetings.

Board committees that are composed solely of less than a quorum of members of the Board that are advisory are not required to comply with the Brown Act, or with these policies regarding open meetings, unless they are standing committees.

When a committee is formed, the President of the Board shall identify whether a committee is a standing committee or an advisory committee.

Board committees that are only advisory have no authority or power to act on behalf of the Board. Findings or recommendations shall be reported to the Board for consideration.
