The annual organizational meeting of the Board will be held at the regular meeting on a day within the 15 day period that commences with the date upon which a Trustee elected in the November election takes office (the first Friday in December). In years in which no regular election for Trustees is conducted, the organizational meeting will be held in the same 15 day period. The purpose of the annual organizational meeting is to elect a president and vice president, and conduct any other business as required by law or determined by the Board.

Officers will take office at the first meeting of the calendar year following the annual organizational meeting.
