Policy Reference: Education Code Section 72024

Members of the Board who attend all Board meetings shall receive **\$240.00** per month with the Student Trustee compensation set annually as per Board Policy 2015. A member of the Board who does not attend all meetings held by the Board in any month shall receive, as compensation, an amount not greater than the pro rata share of the number of meetings actually attended.

A member of the Board may be paid for a meeting when absent if the Board, by resolution, finds that at the time of the meeting the member is performing services outside the meeting for the community college district, is ill, on jury duty, or the absence is due to a hardship deemed acceptable by the Board. Hardship is understood for the purposes of this policy as an unexpected and difficult circumstance – typically financial, medical, or personal – that prevents a member of the Board from attending a meeting of the Board they otherwise would have been able to attend and were originally planning on attending.

The Board may, on an annual basis, increase the compensation of Board members by five percent. However, any increase is subject to rejection in a referendum by a majority of the voters in the District.
