All newly hired academic employees shall have on file a medical certificate indicating freedom from communicable diseases, including tuberculosis. No academic employee shall commence service until such medical certificate has been provided to the District.

All newly hired academic or classified employees must show that they have been examined within the past 60 days to determine that they are free from active tuberculosis by providing the District with a certificate from the employee's examining physician showing that the employee was examined and found to be free from active tuberculosis.

All employees shall be required to undergo an examination at the time of hire as described above, and every four years thereafter to determine if they are free from tuberculosis.
