Nursing students who have already earned a baccalaureate or higher degree from a regionally accredited institution of higher learning are not required to complete any general education requirements. Instead, these students only need to complete the coursework necessary for licensing as a registered nurse.

The District shall consider all of the following when screening nursing students:
 Academic degrees or diplomas, or relevant certificates, held by the applicant;
 Grade point average in relevant coursework; and
 Work, life, or special circumstances of the applicant.

See BP 4106 Nursing Programs.
