The District maintains shower facilities for student use on campus that may be used by any homeless student who is enrolled in coursework, has paid enrollment fees, and is in good standing with the District.

A homeless student is defined as a student who does not have a fixed, regular, and adequate nighttime residence. This includes, but is not limited to, students who: are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to lack of alternative accommodations; are living in emergency or transitional shelters; have a primary nighttime residence that is a public or private place not designated for or ordinarily used as a regular sleeping accommodation for human beings; or are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings.

Shower facilities are located in the Gym and are open to use by homeless students Monday through Friday (excluding holidays). The hours will be posted in Gym and the Student Center as they are subject to change each semester.
