

LIBERAL ARTS AND SCIENCES MAJOR- WITH AREA OF EMPHASIS IN NATURAL SCIENCES

The Natural Science Area of Emphasis is an interdisciplinary option for students who desire a broad study in the natural science disciplines that include Anthropology, Astronomy, Biology, Chemistry, Geology, Mathematics, Physical Science, and Physics. The Natural Science Area of Emphasis may also help you prepare to transfer to a university. Courses completed to satisfy the Area of Emphasis requirements below may also count toward satisfying College of the Siskiyous and university transfer general education requirements. Consult with your advisor or counselor to develop an education plan that is appropriate for your academic goals. **Important:** To obtain the Associate in Arts Degree in LAS- Natural Sciences, students must complete the following requirements with a minimum grade point average (GPA) of 2.0:

- 18 semester units from the major requirements below.
- Courses must be from at least three disciplines from major requirements below.
- The College of the Siskiyous General Education Pattern (COSGE) requirements.
- Any needed electives to reach a total of 60 COS degree-applicable units.
- All major courses and any courses noted on the COSGE check sheet must be completed with a C or better.
