SOCIOLOGY (AA-T)

Sociology is the academic study of social behavior, its origins, development, organization, and institutions. This includes studying human social behavior, its groups, its culture, and how social interaction influences collective behavior. This area of social sciences uses methods of practical investigation and critical analysis to develop a body of knowledge about social order, social disorder and social change. An Associate in Arts in Sociology for Transfer is for seamless transfer to a CSU. This option is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students should consult with a counselor to determine whether this degree is the best option for their transfer goals. ***Important:*** To obtain the Associate in Arts Degree in Sociology for Transfer, students must complete the following requirements with a minimum grade point average (GPA) of 2.0:
