

## Counseling Services- College of the Siskiyous Catalog Rights Worksheet

The catalog rights policy is on p. 150 in the 2012-14 Catalog.

- In column A, place a check in the box opposite each term in which any half credit (or more) was earned. Use the student's COS transcript to determine the terms in which credit was earned.
- In column B, write, "yes" if one or more terms are checked for that academic year. The student has catalog rights for requirements effective in an academic year marked "yes" only if the following years are also checked unless the last year of attendance is the current year. The student must follow the requirements listed in the catalog for the year in which continuous attendance starts.  
*Once established at COS, continuous attendance may be maintained by earning credits at any regionally-accredited institution.*
