**Independent Student
(INV117)**

Your 2017-2018 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding federal student aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a parent whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

 - Include the people in your (and your spouse's) household who will be college students between July 1, 2017 and June 30, 2018. Always count yourself as a college student. Include others only if they will attend, at least half-time in 2017-2018, in a program that leads to a college degree or certificate.
