Contact Online Instructional Support if...

- You are developing a new online course and would like assistance with the structure and organization of the course.
- You would like assistance posting material online for your face-to-face class.
- You have taught online in the past, but would like to try using a new tool or function, or would like to add rubrics to your assignments.
- You have questions about what can or cannot be done within Canvas.

Contact canvas.admin@siskiyous.edu if...

- You wish to request a DEV shell for course development.
- You need access to the Canvas Certification course.
