

Training Opportunities for College of the Siskiyous Online Faculty

COS Saturday Canvas Workshops

(1 day of flex credit for FT faculty)

Learn about best practices for online course design, as well as using the powerful tools built in to Canvas. All are encouraged to attend regardless of skill level with Canvas. Be sure you have a Canvas DEV shell in which you can work.

Date	Time	Place
March 18, 2017	9:00 am—noon	ESTC-107

Upcoming Webinars

Academic Integrity in your Online Course, March 3, 2017 (time TBA)

*This webinar presented by the Shasta College Office of Educational Technology covers the use of **Turnitin** as a tool for helping students hone their academic writing skills and proper reference citation. It covers using the tools available to you in Canvas for creating secure quizzes including **Proctorio® Remote Proctoring System**.*
