

“In the spirit of helping men and women to succeed!”

The Eagle’s Nest is under the direction of the College of the Siskiyou Foundation Board. It is a non-profit, 501 (c) 3 licensed foundation, whose mission is to support and provide services for student centered needs and activities.

The Eagle’s Nest is completely staffed by community volunteers. The Shop is open to the public. All donations are used to help support the clothing and household needs of all customers and students and their families who often live on a very limited income and/or funds while completing their education. The Shop gladly accepts donations of clean clothing, in good repair small working appliances, baby and children’s clothing, and furniture, books and much more! All furniture items need to be previewed before acceptance.

The Foundation strives to help the College meet the needs of all students, help with the renovation of buildings, and provide educational materials for students. The Foundation also supports and hosts a number of special events for the community, including the College’s Performing Arts Series, the annual Golf Tournament, the annual Country Christmas Holiday Craft Fair, the annual Golf Tournament, the annual Country Christmas Holiday Craft Fair, and other special events to raise money in support of student centered activities.

All donations are tax deductible and greatly appreciated. Shopping with us will provide you with quality used clothing, a great shopping experience, and an opportunity to help others. We invite you to visit the Eagle’s Nest.

Proceeds used to support student-centered activities, programs, grants and scholarships sponsored by the College of the Siskiyou

Our Goal

- To increase awareness of the COS Foundation and its support of the College’s programs and services.
- To offer our students and the public quality clothing at reasonable prices and a pleasant shopping experience.
- To help all customers find quality used professional clothing as they enter the job market.
- To meet and work together with volunteers supporting education.
