March 15 is Deadline to Apply for COS Foundation Scholarship for 2017/2018

Weed / COS - The College of the Siskiyous Foundation announces scholarship applications for 2017/2018 are now available for Siskiyou County and Modoc County high school seniors (graduating June 2017) and current COS students who plan to attend COS during the 2017/2018 year. Deadline to apply is March 15, 2017.

While each student's background is indeed different, they share the common theme of having a desire to begin, or continue, their education. Scholarships are available to graduating high school seniors planning to enter COS in the fall following high school graduation, single parents striving for self-efficiency, young students supporting themselves while continuing their education, and continuing COS students. Scholarships range from \$250 to \$3,000.

All students are encouraged to apply. Students interested in applying for a scholarship may download an application from the College Foundation's website at <http://www.siskiyous.edu/foundation/scholarships.htm>. Applications must be completed and returned with required school transcripts and letters of recommendation to the Weed Campus Foundation Office by 4 p.m., March 15.
