FOR IMMEDIATE RELEASE

**Release 131**  
**Date: May 26, 2017**

### **COS Student is First Siskiyou Promise Recipient to Graduate**

Weed / COS – On May 19, Jordan Paige Pavlic, 2016 graduate of Mt. Shasta High School (MSHS) and a proud resident of Siskiyou County, graduated from College of the Siskiyous. She was also the 2017 Student Speaker.

In fall of 2016, Jordan attended College of the Siskiyous as a member of the first class of Siskiyou County students eligible to receive a Siskiyou Promise scholarship. The Siskiyou Promise scholarship was established in spring 2016 and is offered to Siskiyou and Modoc County high school seniors upon graduating from high school and registering as a full time student attending College of the Siskiyous the academic year immediately following their high school graduation.

Throughout her high school career Jordan was able to take college-level classes and in just one year as a full-time student at College of the Siskiyous, has been able to complete the remaining classes needed to not only graduate as a sophomore, but to also be able to transfer to a four-year institution and continue her journey in following her dream of becoming a doctor.

This past year, Jordan participated in many activities offered at College of the Siskiyous. She was a member of the fall Cross Country and spring Track and Field teams, earning the title of Scholar Athlete two consecutive semesters. In addition, Jordan served as a Student Ambassador and holds the honor of being the first Siskiyou Promise student to graduate from College of the Siskiyous with her Associate of Science degree in Natural Sciences.

In fall 2017, Jordan will attend the Oregon Institute of Technology to complete her pre-medical requirements and receive her Bachelor's degree in Biology Health Science with a minor in Chemistry. Congratulations Jordan!!
