FOR IMMEDIATE RELEASE

**Release #: 014**  
**Date: July 10, 2017**

### **Weed Campus Academic Success Center Now Open!**

Weed / COS - The "New and Improved" Academic Success Center (ASC) located at the College of the Siskiyous Weed Campus has reopened to support student academic success.

Following a two-week remodel which included new carpeting, new study pods, two new study nooks, and a power bar; the ASC is *the* place on campus to study, get some homework done, and receive peer tutoring or faculty advising in classes where COS students need extra assistance.

The ASC also has computers available for free usage, free printing (up to 20 pages per day), and power access if you bring your own laptop. Also, the Student Help Desk is located in the ASC. You must be a COS student to use the ASC... simply log in with your student ID number.

With locations at both the Weed and Yreka Campuses, the ASC provides free learning support services and individualized instruction in math, writing, computer skills, and more. The Center enhances student learning through boosting study skills as well as confidence, motivation, and independence. To access these services, students must register for EDUC 0670 Critical Skills Lab, which is a FREE, 0-credit, ungraded class.

The Weed Campus ASC is open this summer, Monday through Thursday from 9 a.m. to 2 p.m. For more information about the Academic Success Center, call (530) 938-5830 or send an email to [asc@siskiyous.edu](mailto:asc@siskiyous.edu).
