COS Announces Campus Closures in December

Weed / COS – The College of the Siskiyous Weed and Yreka Campuses will be closed Friday, December 22 through Monday, January 1, 2018 for the Winter Holiday. Both campuses will reopen Tuesday, January 2, 2018. For campus information during the closures view the COS website at www.siskiyous.edu.

Although students may register for winter intersession and spring semester classes using the online registration system during the winter closure, the College is encouraging students to register before December 22 to get the classes they want and need, or meet with an advisor or counselor. Registration for 2018 classes is ongoing.
