### **COS Academic Success Center Has Much To Offer!**

Weed / COS – The College of the Siskiyous Academic Success Center (ASC) provides many learning support services to help currently enrolled students develop intellectual and academic confidence while at College of the Siskiyous.

Last summer, the Weed Campus ASC was remodeled and now features new study pods, study nooks, and a power bar. The ASC is *the* place on campus to study, get some homework done, and receive peer tutoring or faculty advising in classes where COS students need extra assistance. Fee ASC services include:

- Utilizing our desktop computers
- Printing up to 20 pages per day
- Meeting with ASC instructors for assistance in English and Math
- Schedule appointments for in-person tutoring services
- Access NetTutor for free 24-hour access to professional tutoring services
- Receive computer, email or Canvas help at our Student Help Desk
- Check out a laptop for day use in the ASC (Weed Campus)
- Power up a personal device at our Power Bar or Study Pods (Weed Campus)
- Attend free academic success and life skills workshops

With locations at both the Weed and Yreka Campuses, the ASC provides free learning support services and individualized instruction in math, writing, computer skills, and more. The Center enhances student learning through boosting study skills as well as confidence, motivation, and independence. To access these services, students must register for EDUC 0670 Critical Skills Lab, which is a FREE, 0-credit, ungraded class.

The Academic Success Center in Weed is also offering a series of free academic, life, and career success workshops during the spring semester. Upcoming workshops include:
