Mathematics within Industry Course to Begin June 12th

Weed / COS - College of the Siskiyous (COS) is offering a tuition-free, summer **Mathematics within Industry (WORK 503 / #5093)** class starting June 12th. Registration is now open for this zero-unit class that will be taught by Heidi Pryor.

Mathematics within Industry will meet at the Yreka Campus in the Rural Health Sciences Institute on Tuesday and Thursday afternoons from 2:15 to 5 p.m. This course prepares students for mathematical concepts encountered in various trades. These concepts include, but are not limited to, money skills, measurements, temperatures, computing taxes, decimals, percentages, estimating dollar amounts and volume of materials needed, area and calibration equations.

For more information about this course contact the COS Continuing Education Office by emailing ContinuingEd@siskiyous.edu or call (530) 841-5834. For registration information, call the Enrollment Services Office at (530) 938-5500. The Weed Campus can also be reached by calling (530) 938-5555 or toll-free (888) 397-4339. Register in person at the Weed or Yreka campus or register online at www.siskiyous.edu.
