Welding Offered this Summer at COS

Weed / COS - This summer, COS will offer Beginning Welding (WELD 1101 / #5065) and Metal Fabrication (WELD 1103 / #5066) on Tuesday, Wednesday, and Thursday evenings at the Weed Campus from 5:30 to 9:20 p.m. The classes will begin June 12 and end August 9, 2018. Mark Beaulieu, Certified AWS Inspector and Educator is the instructor.

The COS Welding Program offers instruction in basic and advanced welding. With the demand for skilled welders rising and the technology of welding becoming more advanced, especially where automation is concerned, our students have a unique opportunity to learn a career that can be shaped around their interests. For more information about the Welding program offered at College of the Siskiyous, contact the Career and Technical Education Department by calling 530/ 938-5512 or send an email to cteinfo@siskiyous.edu.

For class registration information, call the Enrollment Services Office at (530) 938-5500. The Weed Campus can also be reached by calling (530) 938-5555 or toll-free, (888) 397-4339. Register in person at the Weed or Yreka campus or register online (anytime) at www.siskiyous.edu. Registration fees are due when registering for classes.
