Weed / COS - This summer College of the Siskiyous will be offering two sections (MUS-1633-01 / #5026 and (MUS-1633-02 / #5027) of Survey of Jazz and Pop (MUS 1633) online. MUS 1633 studies the development of jazz and popular music based on musical and sociocultural influences. The historical roots of American popular music will also be examined and explored. The course begins by studying the source material for popular music and then explores each genre beginning with the Blues, Jazz, Rock, Country and Rap in nearly every form.

Survey of Jazz and Pop meets Associate of Arts degree requirements and is also transferable to a CSU and UC. Students enrolling in either section will need effective computer skills with reliable internet access. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information. Chiharu Sai and David Blink are the instructors.
