#### EXCEPTIONS

- **All classes are expected to have finals.** Evening classes should hold their final during their last regularly scheduled class session during finals week.
- Classes that begin at 30 minutes past the hour will have their final in the time slot of the previous hour. (e.g. A class starting at 12:30 p.m. has its final in the 12 p.m. slot.)
- Rooms are the same as assigned for regular class meetings.
- It is the responsibility of the student to attend the final examination. There are no make-ups.
- **Request for Early Final** forms are available in the Dean of Student Learning Office and must be submitted by November 30, 2015.
- **Final Grades** will be available approximately two weeks after the end of the semester.
Navigator: Steps to Success

NAVIGATOR is the portal at College of the Siskiyous (COS) to assist you in being a successful college student. Along with the NAVIGATOR portal, a wide range of student services are provided throughout your educational experience at COS.

We are dedicated to helping you achieve your career and life goals.

You can access your college information any time on the web with Navigator. With Navigator you can:

- Search for open classes
- Register for classes & pay your bill
- View your class schedule and receipt
- View your student account information
- View your financial aid information
- View your progress report
- Review your unofficial transcript & Order Official Transcript

**Step One: Apply to Attend College of the Siskiyous**

Prospective students must complete an application to attend. Go to the COS home page, click on "Apply Now", and then follow the instructions. If you have attended other colleges, send college transcripts from all previous institutions to the COS Enrollment Services Office. If you are planning to take courses for personal enrichment only and do not require financial aid, you may skip to Step 5 after you complete your application to attend.

Full-time admission to College of the Siskiyous is open to:

- Anyone who has graduated from high school or has passed the California High School Proficiency or GED.
- Anyone who is at least 18 years old and is not currently affiliated with a high school.

**Step Two: Apply for Financial Aid and Housing**

**Financial Aid** - Every student, regardless of income, who intends to complete a degree, certificate, or transfer to a four-year college or university, should complete the FAFSA (the Free Application for Federal Student Aid) and add COS (college code - 001187) to your list of schools. Completing the FAFSA will determine whether you qualify for a BOG Fee Waiver, grants, scholarships, on-campus work-study jobs, and/or low interest student loans.

There will be other items required to complete your financial aid application file. You must regularly check the progress of your financial aid application file using your Navigator account.

For detailed information refer to the Financial Aid web page.

**Housing** - The College of the Siskiyous offers excellent on-campus housing complete with a meal plan. If you need a safe and convenient place to live while attending COS, apply to live in the COS Lodges.

**Step Three: Complete the Math, Reading, and Writing Assessments**

Assessment services are available at the COS Weed Campus or Yreka Center, at local high schools, and at other community colleges throughout the country. Call 530.938.5297 (Weed) or 530.842.5550 (Yreka) to schedule your assessment. If you take them at another college, have the scores faxed to 530.938.5531.

**Step Four: Attend a SOAR Session: Siskiyous Orientation, Advising, and Registration**

All new students who plan to earn a degree, certificate, or transfer must attend a pre-registration orientation and advising session or complete the free online SOAR course before enrolling in classes. Counselors and advisors at these sessions will help you begin a successful college career by assisting you in selecting classes and beginning an education plan.
Step Five: Register & Pay for Classes

After completing your SOAR session, or if you are taking classes for personal enrichment only, you are now ready to register for classes. You can register online using NAVIGATOR or in person at the Weed Campus and Yreka Center. Please pay for your classes at the time of registration or you may be dropped.

Step Six: Use Follow-up and Support Services

After the semester begins, stop by the Counseling and Support Services to schedule an appointment to meet with a counselor or advisor. Together you will develop your education plan (or refine an existing one), and set your academic, career, and personal goals.

Note: Students may challenge certain enrollment requirements in the above steps by completing a waiver with Enrollment Services. If the matter is not resolved through that process it may be appealed to the College President. Students who believe they have been the victim of unlawful discrimination as it relates to the implementation of this process may file a complaint with the President. Procedures regarding the complaint process are published in the Student Handbook.

Attend all of your classes...this is the most important element of being a successful student. It is very important that you attend class to be a successful student. The faculty recognizes there are circumstances that prevent students from attending class; however, the student is responsible for making up all missed work. The faculty supports student involvement in extra-curricular activities. The faculty also believes that class participation is crucial to the learning process. Students on the wait-list must be in attendance at the beginning of the first class meeting in order to be considered for admittance.

Absence due to illness: Notify your instructor if you will be unable to attend class(es) due to illness. Students are responsible for making arrangements with their instructor(s) to complete all coursework they have missed.

Utilize Support Services that include tutoring, advising, and counseling to help you be successful. There are many support service programs on campus to help you be successful. EOPS (Extended Opportunity Programs & Services) and DSS (Disabled Student Services) are located in Eddy Hall and offer tutoring, counseling, as well as many other services.

Seek help if you experience academic difficulty. Don’t delay! Talk to your instructor(s), meet with your Counselor, get a tutor and seek assistance in the Academic Success Center located in the Learning Resource Center, where tutoring is available in math, reading, writing and other subjects.

On-line registration is available at www.siskiyous.edu

Payment Method? Payment of registration fees requires a valid credit/debit card. If you meet the low-income requirements for the Board of Governors Fee Waiver (BOGW), you can complete the waiver form online.

Registration Hold? To register at College of the Siskiyous, you must not have a “registration hold.” Holds that can block registration include: owing money to the College, being on academic or progress probation or dismissal, or not returning College equipment. If you have a “hold,” you will need to contact the COS Cashier at 530.938.5310.
**Special Admission for K-12 Students**

California Education Code Sections 48800-48002, and 76000-76002 allow Community Colleges to admit special part-time K-12 students who do not have a high school diploma or have not passed the California High School Proficiency or GED examinations. The intent of the Education Code is “to provide educational enrichment opportunities for a limited number of eligible pupils, rather than to reduce current course requirements of elementary and secondary schools.” (Ed. Code 48800) See COS procedure AP 5011 for details. The K-12 Special Admission Permit form is available online at: [http://www.siskiyous.edu/counseling/documents/K-12SpecialAdmissionPermit.pdf](http://www.siskiyous.edu/counseling/documents/K-12SpecialAdmissionPermit.pdf). For more information contact Enrollment Services at 530.938.5500. **Please note:** K-12 students cannot register using our online system at this time.

**Seeking to transfer or obtain a degree/certificate?** To help students be successful, the College requires students who are planning to transfer or obtain a certificate or degree to meet with Counseling Services staff before registering at COS for the first time. Appointments can be made by calling 530.938.5353.

**Taking Math or English?** If you are planning to take a math or English course for the first time at COS, you will need to take the COMPASS assessment. This test helps determine which courses are appropriate for your skill level. These assessments are given from 9 am to 3 pm weekdays at the Weed campus. Call the Yreka campus for days and times. If you need more information, call 530.938.5353 (Weed) or 530.842.5833 (Yreka).

**Oregon Student?** If you are a resident of Oregon, the College of the Siskiyous offers the “Interstate Exchange Agreement” through either SOU or OIT. Through this agreement, students who qualify do not pay the full out-of-state tuition fees. If you would like further information, please call the Student Life Office at 530.938.5374.

**International Student?** If you are a new international student at COS, you will need to meet with Counseling Services staff and take the COMPASS assessment prior to registration. If you are a continuing student, you can use online registration without Counselor approval.

**College Hour FAQs**

Q: **What is the College Hour?**

A: The College Hour is time set aside when no full-time faculty is scheduled for class and there are reduced offerings of other classes. It is scheduled from 1:00 p.m. to 2:00 p.m on Fridays.

Q: **What is the purpose of the College Hour?**

A: By not having classes scheduled during the College Hour, students and faculty can be more involved in meetings across campus. Student clubs and the ASB have time to schedule meetings without the fear of missing a major class.

Q: **Will any classes be offered during the College Hour?**

A: Recognizing that some students will have the ability to schedule classes during the College Hour, COS will be offering a limited number of courses during the College Hour. No full-time faculty will be teaching these classes but part-time faculty will be available.

---

**COS CAMPUS GIFT SHOP AND BOOKSTORE**

The College of the Siskiyous Bookstore is located adjacent to the Student Center on the West side of the campus, Regular bookstore hours are 8:00 am to 5:00 pm Monday through Friday. Textbooks for classes held at the Yreka Campus as well as textbooks for online and video classes are available at the Yreka Campus.

The bookstore carries new and used course textbooks, reference books, and supplies for classes offered through the college. A wide variety of school supplies are available along with emblematic giftware and clothing. The community is welcome to stop by and see what the bookstore has to offer.

The bookstore accepts Visa, Mastercard, Discover and personal checks with appropriate identification.

Ryan Galbraith
FEES

Enrollment Fee, Non-Resident Tuition, and other Fees

*Note: All tuition and fees listed in this catalog are as of the date of the publication, and are subject to change. For the most up-to-date tuition and fees information, please check [http://www.siskiyous.edu/apply/fees.htm](http://www.siskiyous.edu/apply/fees.htm).

All students, California residents and non-residents, are required to pay an enrollment fee and, if applicable, non-resident tuition as well as other fees listed below.

**Enrollment Fee**
1 unit or more ...........................................$46 per unit
.5 unit .................................................................$23

**Non-Resident Tuition in addition to Enrollment Fee**
1 unit or more ...................................... $210 per unit
.5 unit .......................................................... $105

The non-resident tuition fee shall be paid at the time of registration and is set by the Governing Board of College of the Siskiyous no later than January 1 of each year. Fees are subject to change on an annual basis.

**Non-Resident Tuition Exemption**
Effective January 1, 2002, AB540 provides an exemption from paying non-resident fees for certain non-resident students. While this exemption allows students to pay resident fees, it does not grant them resident status that would give them eligibility for any state-funded program. To be eligible for this exemption a student must meet both of the following criteria:
1. Attendance at a high school in California for three or more years
2. Graduation or attainment of a high school equivalency from a California high school. A high school transcript is required. For more information on AB540, contact the Enrollment Services Office.

**Oregon Residents**
College of the Siskiyous has an interstate exchange agreement with Southern Oregon University (SOU) and Oregon Institute of Technology (OIT). The agreement states that a limited number of qualified Oregon residents are eligible to receive reduced tuition rates at College of the Siskiyous. For more information on this special program, please contact the Student Life Office at 530.938.5374.

In exchange, California residents may attend Southern Oregon University or Oregon Institute of Technology at the in-state rate. Contact the Admissions Office at Southern Oregon University or Oregon Institute of Technology for information.

**Health Fee**
Fall/Spring Semester & Summer Session
0 to 11.5 units .............................................. $16*
12 units or more ......................................... $19*

*pending approval by the Board of Trustees April 7, 2015

California residents, who need fee assistance, see the Board of Governor Fee Waiver (BOGFW) information under the Financial Aid section.

The mandatory health fee is collected to cover the cost of student accident insurance and to help fund the operational expenses of the Student Health Center. Students may be exempted for the following reason:
1. Students who depend exclusively upon prayer for healing according to the teaching of a bona fide religious sect, denomination, or organization may petition for exemption from the health fee. See Enrollment Services for more information.

**Student Representation Fee**
The Student Representation Fee is a mandatory $1 per semester fee. The money collected from this fee is used to provide support for student representatives who may be stating their positions and viewpoints before city, county, and district government, and before offices and agencies of the state and federal government. This support is broadly defined, including payment for conference attendance, equipment used for lobbying/advocacy, subscriptions to newspapers/magazines, etc. The money collected from this fee is available for students to apply to use for the above purposes. Applications are available at ASB Office. Students may petition to waive this fee for religious, political, financial, or moral reasons. Petition to waive this fee is available in the Enrollment Services Office or online.
**Student Center Fee**
A Student Center Fee was approved by a 2/3 vote of the currently enrolled student body spring 2012. Reference Ed Code 76375(a)

Access fee info: [www.siskiyous.edu/studentlife/accessfee.htm](http://www.siskiyous.edu/studentlife/accessfee.htm)

The $1 per unit charge (up to a maximum of $5 per semester) will be paid by all students except:
- Students who qualify for BOGW Part A.
- Students enrolled in non-credit/0 unit courses only.

Upon paying this fee each semester, each student is entitled to a Student Access Card which will identify them as enrolled for the current term and entitles them to the benefits of the Student Access Program. ASB officers are expanding the list of businesses who offer discounts to students. Current discounts include free admission to home COS athletic events (excludes post-season) and discounts to other COS events. Student Clubs and Organizations will also be eligible for financial support.

**Course Material Fees**
In addition to enrollment fees, the College may charge an instructional materials fee to students for instructional and other materials necessary for some courses. Check with the Enrollment Services Office for the most current fee information. These fees may not be waived with the Board of Governor’s Fee Waiver (BOGFW) and are not optional. Material fees will not be refunded after the first class meeting.

**PAYMENT OF FEES:**
All registration fees are due at the time of enrollment.

To avoid being dropped, take one of the following steps:
1. Pay fees in full. Pay online using your Navigator account or in person at the COS Business Office. We accept cash, first-party check, Discover, MasterCard, Visa, and money orders.
2. Make payment arrangements to pay your fees by creating a contract to pay with the COS Business Office. Financial Aid can be considered when creating a contract to pay IF all required documents have been submitted to the Financial Aid Office.

**Students who do not pay fees or make a contract to pay fees will be dropped from their classes for non-payment of current fees and/or existing unpaid balances.**

Processing of drops for non-payment of fees will occur on the following days:

The Board of Governors Fee Waiver (BOGW) will be accepted for enrollment fees only and must be presented at the time of registration. You will receive a copy of your class schedule/receipt for fees paid. Please keep this schedule/receipt for your records.

**Associated Student Body Card Benefits—$10 per semester**
This card is optional and may be purchased at registration or anytime during the semester.

Please contact the Associated Student Body Office at the Weed Campus to obtain your card (picture I.D. required).

1. Discounts at all COS dances
2. Discounts on COS Theater productions
3. Discounts on COS movies
4. Discounts at participating local businesses, restaurants, and recreational establishments within the county
5. Eligibility for free limited legal consultation service
6. Eligibility for campus club memberships
7. Eligibility for free Community Concert tickets

*Optional if not paying the Student Center Fee and student wants an ASB card*
Need Financial Aid?

Regardless of your income, if you are planning to attend college, you should apply for financial aid. The College of the Siskiyous financial aid specialists in Enrollment Services make it easy to get money for college costs!

How to Apply for Financial Aid:

Complete the FREE Application for Federal Student Aid (FAFSA) at fafsa.gov. The FAFSA will be used to determine eligibility for:

- Pell Grant and Federal Supplemental Grant (FSEOG). These grants are financial assistance based on need and other criteria and do not have to be repaid.
- Federal Works Study (FWS). Students earn money through part-time employment on campus.
- Federal Direct Loan(s). Students must complete a FAFSA before applying for a loan. Loans must be repaid. Repayment begins six months after the student graduates, drops below six units, or withdraws from school.
- Board of Governors (BOG) Fee Waiver and Cal grants.

Board of Governors Fee Waiver:
The Board of Governor’s Fee Waiver (BOGW) is available to California residents and AB 540 students that meet eligibility criteria. The BOGW waives the enrollment fee. There are three types of BOG fee waivers (Methods A, B and C):

- Method A is based on specific eligibility criteria and documentation is required.
- Methods B and C are based on income and financial need as determined by the FAFSA.

Check your Navigator, Financial Aid tab, Financial Aid Awards to check fee waiver award.

- Students are now required to maintain Satisfactory Academic Progress (SAP) in order to remain eligible for the BOG fee waiver.

Under the new regulations adopted by the California Community Colleges Board of Governors, monitoring of SAP begins with the spring 2015 semester. Students need to maintain a 2.0 GPA for two consecutive primary terms and complete 50% or more of attempted units for two consecutive primary terms.

- For more information, see the Financial Aid web page: http://www.siskiyous.edu/financialaid/grants.htm

California State Grants (Cal Grant):
Cal Grants A, B, and C are for California residents that meet specific financial and academic eligibility requirements. Awards may be used only at qualifying colleges in California and do not need to be repaid.

- Students may apply by completing a FAFSA (instructions above) by March 2 for each upcoming academic year. The competitive Cal Grant deadline is September 2nd.
- If you are an undocumented student and cannot complete the FAFSA, you may complete the California Dream Act Application at www.caldreamact.org. Deadlines apply. Certain exceptions do apply. Please see the California Student Aid Commissions website at www.calgrants.org for further information.

Scholarships:
A variety of scholarships are available at College of the Siskiyous. The requirements vary among the scholarships. Students should contact a financial aid specialist in Enrollment Services for applications and deadline information. http://www.siskiyous.edu/financialaid/scholarships.htm

EOPS/CARE:
The Extended Opportunity Programs and Services/Cooperative Agencies Resources for Education provides support services to eligible California residents. You must apply early (as soon as you are registered full time for the upcoming fall or spring semester) because the program does fill up. Applications are available in the EOPS/CARE Office in Eddy Hall 3 on the Weed campus once registration begins and until the program is full for the semester. Some of the services offered are book vouchers, starter kits, and bus passes (depending on funding).
The Student Support Services Program provides support for transfer students. For more information refer to: http://www.siskiyous.edu/sss/

4 EASY Steps to Apply for Financial Aid at COS!

**Step 1:** Complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. Use 001187 as the school code for College of the Siskiyous.

**Step 2:** We will receive a copy of your FAFSA electronically. We will review it and add required documents to your Required Forms list located under the Financial Aid Tab located on your Navigator. Check the status of your file often.

**Step 3:** Watch for an email with further instructions from COS 7-10 business days after filing your FAFSA.

**Step 4:** We will review the documentation you submitted and post your award information on your Navigator. Click Financial Aid Tab, Financial Aid Awards, and select the aid year you are enrolled in.

Who is Higher One?

College of The Siskiyou has partnered with Higher One to deliver your financial aid refund. We are committed to delivering 100% of your refund at no cost, providing students with clear choices and offering great customer service.

First, look for the green envelope!
The green envelope sent to you from Higher One will contain a personal code. Simply enter your personal code online at MyEagleCard.com to make your refund preference selection.

Follow these three simple steps:
1. Visit MyEagleCard.com
2. Set up. Enter your personal code to get started.
3. Choose. Select the option that best fits you.

MISSION STATEMENT

College of the Siskiyou is a proud member of the California Community College system. Our vision is to be the first choice for higher education in the communities we serve and beyond.

We are the provider of:

- Rigorous & comprehensive transfer programs
- General education programs
- Technological literacy
- Basic skills acquisition
- Workforce training and certification
- Career and technical education

All of which drive and support the economy of our region.

We are the support team who increases student access, encourages success, and improves retention, persistence, and completion.
Need help with paying your Enrollment Fees???

Board of Governor’s Fee Waiver Applications (BOGW) are available at the Enrollment Services Office or you can access the form online at: http://siskiyous.edu/financial aide/forms.htm

Summer/Fall 2015
General Registration Begins April 27th.
Priority Registration Begins April 20th.
Open Registration for K-12 Begins May 4th.
Register online at www.siskiyous.edu

COURSE NUMBERING SYSTEM

College of the Siskiyous has revised its course numbering to a four-digit system as follows, effective summer 2011:

0200-0299: Experimental courses that are offered on a trial basis.
0300-0399: Fee-based community services courses; not degree applicable.
0400-0499: Courses used for Learning Communities.
0500-0699: Non-credit courses; not degree applicable.
0800-0899: Credit courses, not degree applicable.
0900-0999: Credit courses, degree applicable, but not transferable.
1000-2999: Credit courses, degree applicable and transferable.
9000-9999: Professional training courses.

All courses offered at COS meet the standards of California Administrative Code, Title 5 Section 55002.

WANT AN ASSOCIATE DEGREE?

You must complete a major or an area of emphasis to graduate from College of the Siskiyous.

You can find the list of Associate Degree Majors in this publication on Page 15.
**Adding Classes**

**August 16th** is the last day that students may register/add classes without instructor approval (unless the class is closed).  

**September 8th** is the last day students may add a class at the discretion of the instructor. To add classes, students must complete an Add/Drop form and the instructor must sign the Add/Drop form.

**Late Add Policy**

Students are encouraged to register for classes prior to the beginning of the semester. A Late Add Permit is required to register, with appropriate approval, beginning September 9th.

Approval criteria for adding full semester courses beginning September 9th:

- Student has been in attendance since beginning of the class.
- Student is moving from one level of a subject to another, i.e, ENGL 0950 to ENGL 1001.
- Student is changing from one section to another section of the same course.

**Dropping Classes**

Important withdraw (drop) dates are as follows:

Classes dropped by **September 4th** will not be recorded on the student’s academic transcript.

Classes dropped after **September 4th** will be designated on the student’s transcript with a grade of “W,” indicating official withdrawal from the course.

*Check your class schedule for drop dates for short-term, irregularly scheduled courses.*

To drop a class, students can:

- Go online to their MyNavigator account
- Submit Drop form to Enrollment Services

**Withdrawal/Drop Policy Summary**

Students are responsible for withdrawing from classes they are no longer attending. Failure to do so may result in a grade of “F,” “FW” or “NP.”

Instructors may drop students who do not attend the first class meeting or when the number of unexcused absences equals the number of times the class meets each week. A complete copy of the Withdrawal/Drop Policy is in the College of the Siskiyous catalog.

Please note that if you are enrolled in only one class it may not be dropped online. Use an Add/Drop form and submit it in person, by fax (530.938.5367), or by mail.

**Prerequisites, Corequisites and Advisories**

Prerequisites, corequisites and advisories have been established by the College to promote student success in our classes.

Prerequisites are conditions of readiness for a class that a student is required to demonstrate for enrollment.

Corequisites are classes that a student is required to take simultaneously in order to enroll in another class.

Advisories are recommended preparation that a student is advised, but not required, to meet before or in conjunction with enrollment.

**Challenge Process for Prerequisites and Corequisites**

Students may challenge prerequisites and/or corequisites under certain conditions. Procedures for the challenge process are available on our website at [www.siskiyous.edu](http://www.siskiyous.edu)

Please refer to the College of the Siskiyous catalog for specific information.
Approval to Register for More Than 18 Units

Approval to register for more than 18 units will be granted to students who have completed at least 24 semester units and have a cumulative GPA of at least 2.75. FIRE 0950 students may enroll in EMS 9060 and FIRE 2949 without meeting those unit and GPA requirements. Students who register for more than 18 units without obtaining written approval from a COS counselor will be administratively dropped from the most recently added courses. The student will be notified should this occur.

Open Enrollment

It is the policy of the Siskiyou Joint Community College District that all courses for which state funding is claimed, shall be open to any person who has been admitted to the College and has met class prerequisites. Exceptions to this policy must be specified by statute.

Pass/No Pass (P/NP) Classes

Some classes are graded entirely on a pass/no pass basis (P/NP). In addition, a student may elect to take one regularly graded class, not in his or her major, each semester on a pass/no pass basis.

This option may be exercised at the time of registration or no later than the end of the first 30 percent of the class. The P/NP grading option may not be changed after the petition is submitted to the Enrollment Services Office.

Units earned for a credit grade shall be counted in satisfaction of degree requirements, but shall be disregarded in computation of grade point average.

Audit Policy

Under certain conditions, COS will allow students to audit classes. These conditions include:

- A student wishing to audit a class must have exhausted the repeatability allowed for the class (see college catalog for class details).
- Priority for enrollment shall be given to students desiring to take the class for credit.
- A student wishing to audit a course will only be allowed to register for the course after the first week of the class, if full semester, or after the first class meeting, if short-term. Auditing will only be allowed if the minimum class size has been reached. Instructors have the authority to allow over-enrollment in their class to accommodate auditors.
- The instructor must approve any student wishing to audit a class.
- A student auditing a class must participate fully in class activities.
- The instructor is not obligated to grade assignments of auditors.
- No student auditing a class shall be permitted to change his or her enrollment to receive credit for the class.
- Audited classes will not appear on the academic transcript.

Fee for Auditing: The fee for auditing shall be $15 per unit. The health fee, material fees (if applicable) and the student representation fee apply and are due at the time of registration. Only the health fee may be waived with the Board of Governor’s Waiver.

Applications to audit a class may be obtained in the Enrollment Services Office.

Register early for best class selection!

Please refer to the Online Searchable Schedule for the most current offerings. The class schedule changes daily as classes are added, canceled or changed.
Repetition of Courses

Students wishing to repeat courses already taken must petition to do so by completing the Course Repeat Request Form available in the Enrollment Services Office or the Counseling and Support Services Office. In cases of repeated courses, all grades will remain on the transcript. The course repeated must be the same course in which the student was originally enrolled. The Enrollment Services Office will determine if a petition is needed on a course-by-course basis. Petitions to repeat will be considered based on the California regulation on enrollment limitations, namely the “Three-enrollment Rule”:

1. Students may enroll in the same course a maximum of three times.
2. An “enrollment” is any attempt to pass a course in which a grade symbol, including “W”, is earned.
3. When a student attempts to register for a class a 3rd time, the student must obtain an Enrollment Limit Petition from Counseling Services and submit it to Enrollment Services when registering for the class. The credit and grade points earned from the repeated course may not count in the student’s cumulative GPA.
4. After three enrollments, a student may only request to audit a course.
5. The new enrollment rule applies retroactively to students’ COS enrollment history. There is no exemption from the new “Three enrollment Rule” for students who already have three enrollments.
6. Students may enroll in a different community college district after three enrollments at COS; the “Three-enrollment Rule” currently only applies to three enrollments in the same community college district. However, students should be aware that this rule may be applied differently by other colleges.
7. This is a deliberate action by the State of California to reduce the amount of state funding being spent on multiple enrollments in the same course. Students are strongly encouraged to do their very best to succeed in every class they attempt and to not take withdrawal lightly.

In cases of repeated courses, both grades will remain on the transcript. The course repeated must be the same course in which the student was originally enrolled. Certain activity courses may be repeated for credit up to a maximum of three times. Check the course section of the COS catalog for course repeatability.

Students may use equivalent course work from an accredited college or university to replace a COS course in which substandard work was recorded. For more information on repetition of courses, contact the Enrollment Services Office.

Effective Spring 2012 students who receive a “W” in a class will have to complete the Course Repeat Request process.

Cancellation of Classes

The College reserves the right to cancel classes due to insufficient enrollment, inability to assign a qualified instructor, or for other unforeseen circumstances unforeseen at the time the Schedule of Classes was published. In the event a class is cancelled, efforts are made to help students register in other classes consistent with their interests.

Associate Degrees for Transfer

California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree.

California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units.

To view the most current list of College of the Siskiyous Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to http://tinyurl.com/bsgljc2. Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.
COS General Education Student Learning Outcomes

**Area A: English Composition / Information Competency**

Upon successful completion of the course, the student should be able to:

1) Use the stages of the writing process to construct effective, coherent paragraphs and documents.
2) Edit documents for style appropriate for the writing situation.
4) Use the stages of the research process to construct focused and successful research strategies.
5) Locate and evaluate for credibility information provided by the library, Internet resources, and other sources.
6) Demonstrate an understanding of the ethical and legal principles surrounding information and information technology, including plagiarism and copyright.
7) Organize and integrate researched information into documents by properly using quotations, paraphrases, and summaries and by accurately citing sources using recognized documentation formats (e.g. MLA or APA).

**Area B: Mathematics**

Upon successful completion of the course, the student should be able to:

1) Setup, manipulate, graph, solve, or apply standard algebraic expressions and equations.

**Area C: Natural Science**

Upon successful completion of the course, the student should be able to:

1) Demonstrate a basic knowledge of a discipline’s major facts and concepts.
2) Determine whether or not a proposed explanation, experimental result, or observation is consistent with a scientific hypothesis for a natural phenomenon and effectively communicate that analysis to others.
3) Correctly formulate, solve, and interpret the results of a variety of problems relevant to a natural science.

**Area D: Humanities**

Upon successful completion of the course, the student should be able to:

1) Demonstrate an awareness of the ways in which people through the ages and in different cultures have responded to themselves and world around them in artistic and cultural creation.
2) Demonstrate an understanding of the interrelationship between the creative arts, the humanities, and themselves.
3) Demonstrate the ability to analyze and appreciate works of philosophical, historical, literary, aesthetic, and cultural importance.

**Area E: Social and Behavioral Sciences**

Upon successful completion of the course, the student should be able to:

1) Understand the principles, perspectives and methods of inquiry used by the social and behavioral sciences.
2) Critically explain how people act and have acted in response to their societies.
3) Demonstrate an understanding of how societies and social subgroups operate.
4) Demonstrate and understand social and behavioral sciences research methodology and effectively communicate research results and conclusions.

**Area F: Communication and Analytical Thinking**

Upon successful completion of the course, the student should be able to:

1) Demonstrate the relationship between language and logic by using evaluative thought processes.
2) Use elementary inductive and deductive processes to solve problems.
3) Analyze situations presented to an educated citizen and recognize common logical errors or fallacies.
4) Develop clear and precise expression of ideas in whatever symbol system the student uses.

**Area G: Wellness**

Upon successful completion of the course(s), the student should be able to:

1) Demonstrate knowledge of the major facts and concepts of physical fitness.
2) Demonstrate practical techniques for assessing one’s own fitness status.
3) Participate in correctly performed activities designed to improve or maintain physical fitness.
4) Compare and contrast the potential risks as well as benefits associated with exercise.

**Area H: Reading Competency**

Upon successful completion of the course, the student should be able to:

1) Adjust reading rate according to purpose and difficulty of materials.
2) Use different context clues to understand the meaning of unfamiliar vocabulary.
3) Locate and identify topics, topic sentences, central point, and major and minor supporting details.
4) Identify the implied main idea of a reading selection.
5) Identify and locate transitions and patterns of organization in reading selections.
6) Make accurate inferences and distinguish the difference between facts and opinions.
7) Identify the purpose, tone, and bias of a reading selection.
8) Recognize the points and supports of an argument, inadequate support, and irrelevant information in a reading selection.

**Area I: Diversity**

Upon successful completion of the course, the student should be able to:

1) Identify and explain diverse cultural customs, beliefs, traditions or lifestyles or to contrast the experience of a historically under-represented group with that of the dominant culture.
2) Demonstrate an understanding of personal, social, or historical biases and prejudices.
OFF CAMPUS CLASSES

How to read the Class Schedule

**Course Number**
This number identifies a specific course within a discipline and corresponds to the number for the course in the College Catalog.

**Course Description**
This is a general description of the course work. It contains important information relevant to the class, such as prerequisites, corequisites, repeatability and instructor’s notes. See the COS Catalog for additional information.

**CRN**
This is the identifying number for a specific course section used when registering for classes.

**Transferable**
Course accepted for degree elective credit at all UC and/or CSU campuses. Course may also meet GE and/or major requirements. NDA = Non-Degree Applicable (does not transfer nor apply to the AA or AS degree.)

**Meeting Day Abbreviations:**
- **U** = Sunday
- **M** = Monday
- **T** = Tuesday
- **W** = Wednesday
- **R** = Thursday
- **F** = Friday
- **S** = Saturday
- **TBA** = To Be Announced
**ADMINISTRATION OF JUSTICE**

**ADJ 1001 3 units**
*Introduction to Administration of Justice*
This course introduces students to the criminal justice system in the United States and the roles of the police, courts and corrections in shaping justice policy. Focus is placed on crime measurement, explanations of crime, responses to crime, and current challenges. The course also examines the evolution of the justice system and the forces that shape justice policy in a cross-cultural context. (AA, CSU, UC) (C-ID: AJ 110)

5075 TBA Nesheim, H INTNET
**Meeting Dates:** 06/01/15 - 08/06/15
(5075-ADJ 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

**ADJ 2002 3 units**
*Concepts of Criminal Law*
This course offers an analysis of the doctrines of criminal liability in the United States and the classification of crimes against persons, property, morals, and public welfare. Special emphasis is placed on the classification of crime, the general elements of crime, the definitions of common and statutory law, and the nature of acceptable evidence. This course utilizes case law and case studies to introduce students to criminal law. (AA, CSU, UC) (C-ID: AJ 120)

5074 TBA Bullington, W INTNET
**Meeting Dates:** 06/01/15 - 08/06/15
(5074-ADJ 2002-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

**ADJ 2050 34.5 units**
*Basic Police Academy*
Principles, procedures, and techniques of law enforcement; criminal law, patrol procedures, investigative procedures, writing law enforcement reports, defensive and offensive tactics, use of weapons, community relations, police vehicle operations, traffic enforcement, investigation of accidents, first aid and CPR; and the academic and physical skill training and assessment required by the state to meet the minimum standards to be eligible for employment as a peace officer in California. (AA, CSU)

Prerequisite: 1. Pass the State P.O.S.T. (Commission on Peace Officer Standards and Training) reading and writing exam or be hired by a P.O.S.T approved agency; 2. Department of Justice Clearance; 3. Medical Verification: obtain clearance from a licensed Physician to participate in intensive Physical Activity Commensurate with a Police Academy

5083 MTWRF 08:00A-04:50P Herrold, R SFPD
**Meeting Dates:** 06/08/15 - 01/15/16
5084 MTWRF 08:00A-04:50P Herrold, R SFPD
**Meeting Dates:** 07/06/15 - 02/12/16

**ADJ 2526 3 units**
*Criminal Court Process*
This course provides an examination and analysis of due process in criminal proceedings from pre-arrest through trial and appeal utilizing statutory law and state and constitutional law precedents. (AA, CSU) (C-ID: AJ 122)
Advisory: ENGL 0900

5073 TBA Nesheim, H INTNET
**Meeting Dates:** 06/01/15 - 08/06/15
(5073-ADJ 2526-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

**ADJ 9079 0.5-2.5 units**
*Law Enforcement Topics - Booking & Detention*
This course provides legal, procedural and tactical updates relative to law enforcement responses that are not specifically covered in comprehensive Administration of Justice classes. The course is designed for students, law enforcement career professionals, and reserve officers to maintain currency with professional training and certification with POST (Police Officers Standards and Training). This course may be taken for credit a total of four times. (NDA)

5058 T 08:00A-04:50P Yep, P SFPD
**Meeting Dates:** 06/09/15 - 06/09/15
(5058-ADJ 9079-This is a .5 unit class.)
5059 T 08:00A-04:50P Yep, P SFPD
**Meeting Dates:** 06/23/15 - 06/23/15
(5059-ADJ 9079-This is a .5 unit class.)
5060 MTWR 08:00A-05:50P Tomioka, K SFPD
**Meeting Dates:** 06/15/15 - 06/18/15
(5060-ADJ 9079-This is a 2.5 unit class.)
5061 MTWR 08:00A-05:50P Tomioka, K SFPD
**Meeting Dates:** 06/01/15 - 06/04/15
(5061-ADJ 9079-This is a 2.5 unit class.)
5062 MTWR 08:00A-05:50P Tomioka, K SFPD
**Meeting Dates:** 06/08/15 - 06/11/15
(5062-ADJ 9079-This is a 2.5 unit class.)
ANTHROPOLGY

ANTH 1010  3 units
Introduction to Cultural Anthropology
This course is designed to present an overview of human cultures and the many remarkable ways in which humans adapt to their environment. The course includes sections on languages, archeology, ancient history and modern cultures, with an emphasis on living traditional cultures. (AA, CSU, UC)
Advisory: ENGL 1001 or concurrent enrollment in ENGL 1001

5025 TBA  Creasy, P  INTNET
Meeting Dates: 06/01/15 - 08/06/15
(5025-ANTH 1010-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

5072 TBA  Browne, R  INTNET
Meeting Dates: 06/15/15 - 08/06/15
(5072-ANTH 1010-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

BIOLOGY

BIO 0891  1 unit
Biology Preparation for Pre-Majors and Pre-Health Students
This course is designed solely to function as the prerequisite for BIO 2100, 2600, and 2800. It covers the basic introductory concepts of chemistry, the cell, and scientific methodology. (NDA)

5020 TBA  Clarke, D  INTNET
Meeting Dates: 06/01/15 - 08/06/15
(5020-BIO 0891-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

5072 TBA  Clarke, D  INTNET
Meeting Dates: 08/07/15 - 08/16/15
(5072-BIO 0891-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

COMMUNICATION STUDIES

COMS 1300  3 units
Interpersonal Communication
This course is an introduction to the process of human communication with a focus on intra and inter personal communication. Special emphasis is placed on an understanding of communication in relationships and everyday life including how to communicate ideas, thoughts, and feelings. Also, study of theory and research findings and their application to communication in personal and professional contexts as well as principles of verbal and nonverbal transactions. (AA, CSU, UC)
Advisory: ENGL 0900 or ENGL 0950 or qualification through assessment

5047 MTWR 09:00A-12:10P  Turk, J  ESTC
Meeting Dates: 07/06/15 - 07/30/15
8-107

COMPUTER SCIENCE

CSCI 0890  1 unit
Introduction to Multimedia Applications
This course is designed to introduce students to a variety of multimedia applications. Student presentations may include, but are not limited to, music, sound effects, animations, digital pictures, scanned art, imprinted T-shirts, buttons, greeting cards, and banners. May be repeated for credit a total of four times. (NDA)

5048 MTWR 08:00A-04:40P  Cecil, J  TEMP
Meeting Dates: 08/03/15 - 08/06/15
Graves, M 30-102
CSCI 1001 3 units
Introduction to Computer Science
This class includes discussions on the Internet, the World Wide Web, application software, the components of the system unit, sources of input & output, storage, operating systems, system software, and utility programs as well as hands-on assessments designed to teach the students the basics of word processing, building & managing spreadsheets, and creating presentations. (AA, CSU, UC)

5007 TBA Graves, M INTNET
Meeting Dates: 06/22/15 - 07/31/15
(5007-CSCI 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

EARLY CHILDHOOD EDUCATION

ECE 1002 3 units
Child Development
This course includes the study of child development from conception through adolescence, with emphasis on personal development and family and social interactions. For UC transfer, only one course will be accepted if both ECE 1002 and ECE 1999 are taken. (AA, CSU, UC)

5003 TBA Stack, P INTNET
Meeting Dates: 06/16/15 - 08/06/15
(5003-ECE 1002-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

ECE 2504 3 units
Infant Development
This course is designed for both parents and caregivers. Course content includes developmental theory from conception through the third year of life as well as a thorough consideration of Developmentally Appropriate Practice as applied to work with this age group. There is emphasis upon the role of caregiver and families in a diverse community. Both typical and atypical development will be viewed within the context of early intervention and referral. (AA,CSU)

5002 TBA Thatcher, P INTNET
Meeting Dates: 06/16/15 - 08/06/15
(5002-ECE 2504-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

ECE 2525 3 units
Staffing and Employee Relations in ECE
This course familiarizes students with the duties of an administrator in a preschool setting. Emphasis is placed upon professional principles, practices and standards in work with staff, families and community. (AA, CSU)
Prerequisite: ECE 2501

5004 TBA Stack, P INTNET
Meeting Dates: 06/16/15 - 08/06/15
(5004-ECE 2525-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

EDUCATION

EDUC 0670 0 units
Critical Skills Lab
An open-entry, non-credit class offering access to individualized instruction provided by faculty and staff in the Academic Success Center. This course provides students with supplementary instruction in critical skills such as computing, reading, writing, researching, and mathematics that are necessary for success in courses in any discipline. (NDA)
Corequisite: Concurrent enrollment in a credit course

EMERGENCY MEDICAL SERVICES

EMS 0956 4 units
Paramedic II - Clinical
This course provides the required clinical rotations, individually arranged for each student at various days and times, at one of the acute care hospitals in northern California. Students attend 3 clinical shifts per week. Students must be willing to accept hospital placements from the Sacramento area north. Student must be available 24 hours a day/7 days a week. (AA)
Prerequisites: EMS 0954 and EMS 0955

5065 TBA Watt, B TBA
Meeting Dates: 05/25/15 - 08/15/15
EMS 0958  2.5 units
Paramedic III - Field Internship Review
This course provides further hands-on experience in the field for paramedic students on the ambulance. Students will have the opportunity to complete California State Title 22 requirements to become a paramedic if they were not completed in EMS 0957.
Prerequisites: EMS 0957. Must have taken EMS 0957 in same academic calendar year. May take course with instructor approval only.

5066  TBA Watt, B  TBA
Meeting Dates: 05/22/15 - 08/16/15

ENGLISH

ENGL 0900  3 units
Introduction to College Reading and Writing
Introduction to analysis, interpretation, inference, and information competency. Prepares students to write well-organized, unified and coherent essays for a college audience and teaches critical reading skills for college-level reading material. (AA)
Prerequisite: ENGL 0850 or qualification through assessment

5078  TBA Jenks, M  INTNET
Meeting Dates: 06/01/15 - 08/06/15
(5078-ENGL 0900-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

ENGL 1001  3 units
College Composition
A composition course focusing on unity, clarity, coherence and vitality of expository communication within the sentence, paragraph, and essay. Students will increase skill in diction, syntax, style, thesis development, information competency, and research skills. The course requires frequent writing assignments totaling a minimum of 8,000 words. (AA, CSU, UC)
Prerequisites: ENGL 0900 or qualification through assessment

5015  TBA Wyman, J  INTNET
Meeting Dates: 06/01/15 - 08/06/15
(5015-ENGL 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

ENGL 1033  3 units
Introduction to Shakespeare
This course is an introduction to Shakespeare, his theater, and some important concepts of his world. Students will have the opportunity to examine Shakespearean tragedies, comedies, histories and sonnets. In addition to discussions, students will enhance their understanding and appreciation of Shakespeare's plays by analyzing film versions and, when possible, live stage productions. (AA, CSU, UC)
Prerequisite: ENGL 1001

5031  TBA McNamara-Janke, J  INTNET
Meeting Dates: 06/01/15 - 08/06/15
(5031-ENGL 1033-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

ENGL 1502  3 units
Advanced Composition - Critical Thinking
This course emphasizes critical thinking in argumentation, including the principles of rhetoric and analysis of the writing process. Students will engage in close reading and evaluation of texts and apply the elements of logic to the creation of arguments. The course requires frequent writing assignments totaling a minimum of 8,000 words. (AA, CSU, UC) (C-ID: ENGL 105)
Prerequisites: ENGL 1001 or qualification through assessment

5014  TBA Zeller, C  INTNET
Meeting Dates: 06/01/15 - 07/24/15
(5014-ENGL 1502-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

ETHNIC STUDIES

ETHN 1001  3 units
Ethnic Studies
This interdisciplinary course will introduce the student to the diverse institutional, cultural, and historical issues relating to the past and present life circumstances of Afro-Americans, Native Americans, Asian Americans, and Hispanic Americans. (AA, CSU, UC)

5028  TBA Ismail, A  INTNET
Meeting Dates: 06/01/15 - 08/06/15
(5028-ETHN 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
NUTRITION

FCS 1011  3 units
Nutrition
The function of carbohydrates, fats, proteins, vitamins, and minerals required by the body and their relation to health is studied along with a study of digestion, absorption of food, endocrine glands, diets for pregnant mothers, children, teenagers, and older adults. The problems involved in overweight, under nutrition, and the planning and budgeting of family menus is also covered. (AA, CSU, UC)

5090  TBA  Altman, M  INTNET
Meeting Dates: 06/15/15 - 08/06/15
(5090-FCS 1011-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

GUIDANCE

GUID 1002  2 units
Career and Life Planning
This course is designed for students who are undecided about their major and for students who are making a vertical or lateral career change. Topics include an overview of life stages, personal and career assessment, values clarification to determine career compatibility, educational planning, job search skills, technological changes that will impact the world of work, and the creation of an employment portfolio. (AA, CSU) Advisory: ENGL 0900

5085  TBA  Greene, S  INTNET
Meeting Dates: 06/01/15 - 08/06/15
(5085-GUID 1002-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

HEALTH

HEA 1010  3 units
Health in Action
This course covers personal and community health problems including mental health, drugs and alcohol, tobacco use, nutrition, fitness and wellness, sex education, diseases, cardiovascular health, personal safety, aging, and environmental awareness. (AA, CSU, UC)

5011  TBA  Roche, C  INTNET
Meeting Dates: 06/01/15 - 07/10/15
(5011-HEA 1010-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

5012  TBA  Roche, C  INTNET
Meeting Dates: 06/29/15 - 08/06/15
(5012-HEA 1010-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

HISTORY

HIST 1017  3 units
United States History to 1877
A survey of American history from pre-contact North America to 1877. (AA, CSU, UC) Advisory: ENGL 1001

5018  TBA  Vancil, C  INTNET
Meeting Dates: 06/01/15 - 07/31/15
(5018-HIST 1017-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

HIST 1018  3 units
United States History Since 1877
Survey of American History from reconstruction to modern times. Development of the United States and its political, economic, social and cultural institutions. Examination of the growth of the U.S. and the institutions, individuals, and groups that contributed to it. (AA, CSU, UC) Advisory: ENGL 1001

5019  TBA  Vancil, C  INTNET
Meeting Dates: 06/01/15 - 07/31/15
(5019-HIST 1018-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

HUMANITIES

HUM 1001  3 units
Introduction to Humanities
A broad introduction to the major forms and types of artistic expression: sculpture, architecture, painting, philosophy, literature, drama, dance, film, and music. (AA, CSU, UC) Prerequisite: ENGL 0900 or qualification through assessment

5030  TBA  Kigerl, C  INTNET
Meeting Dates: 06/01/15 - 08/06/15
(5030-HUM 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
**MATHEMATICS**

**MATH 0830**

**4 units**

**Pre-Algebra**

A basic mathematics course designed to provide skill development in operations with fractions, decimals, percents, and signed numbers. Algebra concepts including variables, order of operations, graphing, and measurement are also presented. (NDA)

Prerequisite: MATH 0804 or Qualification through assessment

**Meeting Dates:**

</tbody>
</table>

**MATH 0851**

**4 units**

**Beginning Algebra I**

Designed to increase student confidence in Mathematics. The extended time frame allows for more in-class work and additional discussion of special applications and problems of historical interest. Topics include simplifying algebraic expressions, solving one-variable linear equations, graphing linear equations in one and two variables and linear systems. Recommended for students who have never successfully completed an algebra course. (NDA)

Prerequisite: MATH 0830 or qualification through assessment

**Meeting Dates:**

MUS 1535  Intermediate Piano  1 unit

Topics include: technique articulation interpretation and styles. Study of musical pieces from standard piano repertoire of early intermediate through advanced level, depending on students' skills and prior experience. (AA, CSU, UC)

Prerequisite: Two semesters of MUS 1035 (Beginning Piano) or consent of instructor.

5049  MTWR  04:00P-05:50P  Choi, J  THEA

Meeting Dates: 07/06/15 - 07/30/15

NURSING

NURS 1021  3 units

LVN-RN Step-Up Role Transition

This course is designed for the LVN who is transitioning into the role of RN (Registered Nurse). Theory and application of concepts of physical assessment, the nursing process, critical thinking, the relationship of homeostatic mechanisms to fluids and electrolytes and nursing competencies in the professional roles of clinician, teacher, leader and advocate will be presented. This course provides an opportunity for the LVN to practice and develop new, or reinforce previously learned, skills and procedures necessary for advanced placement. (AA, CSU)

Prerequisite: Admission into the Associate Degree Nursing Program (LVN-RN Step-Up), and an active LVN license, BIO 2700, BIO 2800, BIO 2600, and ENGL 1001. Students must follow application admission process and meet all admission criteria.

5049  T  09:00A-03:50P  Busk, B  RHSI

1-118/121

5049  W  09:00A-03:50P

5049  R  09:00A-11:50A

Meeting Dates: 06/02/15 - 07/09/15

NURS 9062  6 units

Certified Nurse Assistant

This course offers the theory of clinical experience for students to acquire the skills and knowledge necessary for the state certification examination for Certified Nurse Assistant. (NDA)

Prerequisites: ENGL 0850 or qualification through assessment. Students must follow application process and meet all admission criteria.

5070  MTWR  09:00A-04:50P  Wheeler, D  RHSI

TBA  06:00A-02:20P

Meeting Dates: 06/22/15 - 08/06/15

(5070-NURS 9062-Orientation for this course will be held on May 11, 1:00 PM - 3:00 PM on the Yreka Campus in RHSI 1-121.)

PEAC 1004  1 unit

Beginning Basketball

This course is in beginning basketball skills. Shooting, free throw, rebounding, and defensive techniques will be developed through competitive group and individualized situations. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

5081  MW  06:00P-08:50P  Collier, N  GYM

Meeting Dates: 06/01/15 - 07/30/15

PEAC 1104  1 unit

Intermediate Basketball

This course is in intermediate basketball skills. Simulated offensive and defensive situations will be incorporated into shooting, free throw, rebounding, offensive and defensive techniques. These will be developed through competitive group situations. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

Prerequisite: PEAC 1004

5082  MW  06:00P-08:50P  Collier, N  GYM

Meeting Dates: 06/01/15 - 07/30/15

PHYSICAL EDUCATION/KINESIOLOGY

PEFI 1035  1 unit

Physical Fitness Lab

This course is designed to provide students with the principles and methodologies necessary to developing and maintaining personal fitness. The concepts of physical fitness: cardiorespiratory fitness, muscular strength and endurance, flexibility, body composition and risk factor analysis and management will be examined. Fitness assessments will be used to examine fitness levels and develop a fitness plan. Participation in a weekly fitness program is required. This course may be taken for credit a total of four times. (AA, CSU, UC)

5005  TBA  Hefflinger, W  INTNET

Meeting Dates: 06/01/15 - 07/10/15

(5005-PEFI 1035-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

5006  TBA  Frisbie, T  INTNET

Meeting Dates: 06/29/15 - 08/06/15

(5006-PEFI 1035-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
PEFI 1039 1 unit
Beginning Yoga
This course is designed to develop physical/mental flexibility, strength, and stress management techniques using a mind/body approach. This course will emphasize diaphragmatic breathing techniques and positions used for beginning students. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

5050 MTWR 10:00A-11:15A Patterson, T GYM
Meeting Dates: 06/01/15 - 07/30/15

PEFI 1045 1 unit
Adaptive Aquatic Conditioning
This course is designed to promote a progressive exercise program to those individuals with physical disabilities whose needs require non-low-impact types of activity, based on an identified fitness plan. It consists of four major components: Muscular strengthening/endurance, cardiovascular conditioning, flexibility/range of motion, and swimming instruction as appropriate. This course may be taken for credit a total of four times. (AA, CSU, UC)

5071 MTWR 10:45A-11:50A Frisbie, T MSPHY
Meeting Dates: 06/01/15 - 08/06/15

PEFI 1139 1 unit
Intermediate Yoga
This intermediate yoga course is designed to develop physical/mental flexibility, strength, and stress management techniques using a mind/body approach. This course will emphasize diaphragmatic breathing techniques and positions used for the intermediate yoga students. This course is a step up in intensity from our beginning yoga course and students must have a baseline level of ability in order to be successful. UC transfer credit limitations. See course catalog.

Prerequisite: PEFI 1039

5051 MTWR 10:00A-11:15A Patterson, T GYM
Meeting Dates: 06/01/15 - 07/30/15

PEMA 1034 3 units
Introduction to Kinesiology
This course is an introduction to the interdisciplinary approach to the study of human movement. An overview of the importance of the sub-disciplines in kinesiology will be discussed along with career opportunities in the areas of teaching, coaching, allied health, and fitness professions. (AA, CSU)

5024 TBA Hefflinger, H INTNET
Meeting Dates: 06/01/15 - 08/06/15
(5024-PEMA 1034-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

PEMA 1039 3 units
Certified Personal Trainer
This course is designed for students interested in a career in the fitness industry or for those students interested in furthering their understanding of the effects of exercise. This is a preparation course for the National Counsel on Strength and Fitness (NCSF) Personal Trainer Board Examination and certification. This course covers the components of fitness, health and fitness measurements, general strength, flexibility, cardiovascular training guidelines and exercise prescription. (AA, CSU)

5017 TBA Frisbie, T INTNET
Meeting Dates: 06/01/15 - 08/06/15
(5017-PEMA 1039-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

PHILOSOPHY

PHIL 1001 3 units
Introduction to Philosophy
This class introduces students to major Western philosophical issues and methodologies. It is a chronological presentation of archetypical philosophers’ thought concerning knowledge, reality and values. Topics include the sources and limits of knowledge, the nature of reality and self, and examination of fundamental beliefs about ethics, religion, science, language, art, society, politics, and the meaning of life. (AA, CSU, UC)

5086 TBA Kealey, D INTNET
Meeting Dates: 06/01/15 - 08/06/15
(5086-PHIL 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
**POLITICAL SCIENCE**

**POLS 1001**  
American Government: National, State, and Local  
This introductory course explores the origins, foundations and development of the federal and California state governments and examines their institutions, political processes, and their functions. (AA, CSU, UC)  
Advisory: ENGL 1001.

**Meeting Dates**: 06/01/15 - 08/06/15  
(5013-POLS 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

**5013 TBA Ismail, A INTNET**

---

**PSYCHOLOGY**

**PSY 1001**  
General Psychology  
This is a basic course introducing psychology as the scientific study of behavior and mental processes through the exploration of major theories and concepts, methods, and research findings. Topics include biological bases of behavior, sensation & perception, cognition, learning, emotion & motivation, development, personality, social psychology, psychological disorders and therapies, and applied psychology. (AA, CSU, UC)  
Advisory: ENGL 1001

**Meeting Dates**: 06/01/15 - 08/06/15  
(5027-PSY 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

**5027 TBA Collins, H INTNET**

---

**SOCIOMETRY**

**SOC 1001**  
Introduction to Sociology  
An introduction to the study of Sociology including its basic concepts, theories, and methods. Topics include analysis and explanations of different social systems, cultures, socialization, deviance, groups, social stratification, race, gender, minorities, and the family. (AA, CSU, UC) (C-ID: SOCI 110)  
Advisory: ENGL 0900 or ENGL 0950

**Meeting Dates**: 06/01/15 - 08/06/15  
(5029-SOC 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

**5029 TBA Ismail, A INTNET**

---

**THEATRE ARTS**

**THEA 2000**  
Introduction to Theatre  
This is a course intended for both majors and non-majors. Introduction to Theatre is a survey of theatre, including basic elements and principles of production, styles, and/or historical perspectives of theatre, dramatic literature, and criticism. (AA, CSU, UC) (C-ID: THTR 111)  
Advisory: ENGL 0900 or ENGL 0950

**Meeting Dates**: 06/01/15 - 07/31/15  
(5008-THEA 2000-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

**5008 TBA Swingle, S INTNET**

---

**SUMMER EXTENSION COURSES**

**THEATRE ARTS**

**XSU 0302**  
Siskiyou Visual Arts Clinic  
This Community Service class, known as "Performing and Visual Arts Camp" offers students a variety of hands-on learning experiences and exposure to different fields of the performing and visual arts. (NDA)

**Meeting Dates**: 07/07/15 - 08/03/15  
(5077-MTWR 09:00A-01:50P Gigliotti, W THEA-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

**5077 MTWR 09:00A-01:50P Gigliotti, W THEA**

---

**THEATRE ARTS**

**XFW 0333**  
Community Fitness Workout  
This course provides an organized workout consisting of a weight circuit, group calisthenics, core work, and stretching. (NDA)

**Meeting Dates**: 06/01/15 - 08/06/15  
Additional Fee $70

(5076-MTR 12:00P-12:50P Stoltenburg, T YBLDG2-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

**5076 MTR 12:00P-12:50P Stoltenburg, T YBLDG2**

ALCOHOL DRUG & HUMAN SERVICES

ADHS 0950 1.5 units
Stages of Addiction Recovery
This course will explore the four stages of recovery from entering rehab to late stage recovery while addressing current theory techniques for assisting recovering people. (AA)

7218 S 08:00A-04:50P Hunner, L YBLDG1
Meeting Dates: 11/21/15 - 11/21/15
12/05/15 - 12/12/15

ADHS 1001 3 units
Introduction to Human Services
This course is an introduction to the broad spectrum of human services. The course includes an exploration of the history, theories of human service practice, and the impact of legislative mandates upon program planning for human service delivery. The course will study a variety of local agencies looking at the populations they serve, the politics and economics of the system and evaluation of the legal and social issues with such a delivery system. (AA, CSU)

7215 S 08:00A-04:50P Hunner, L YBLDG1
Meeting Dates: 08/22/15 - 08/29/15
09/12/15 - 10/03/15

ADHS 1010 3 units
Introduction to Chemical Dependency
This course presents an overview of the problem of Chemical Dependency. It is designed to be an introduction to certificate programs in Addiction Studies for professionals, counselors-in-training, and for other interested community members. The course will include a survey of the history and theories of psychoactive substance use, a review of current approaches to prevention and treatment, and an examination of public policies mounted in response to these problems. (AA, CSU)
Advisory: ENGL 1001

7220 M 05:30P-09:00P Cardoza, F RHI
Meeting Dates: 09/14/15 - 12/14/15
1-124

ADHS 2020 2.5 units
Alcohol and Drug/Human Services Practicum
This course provides students the opportunity to develop knowledge, understanding, and beginning competence in the field of chemical dependency counseling and human services, by providing hands-on work in the field under approved supervision. For completion of certification, students can repeat this course for a total of 330 practicum hours. This course may be taken for credit a total of four times. (AA, CSU)
Prerequisite: Minimum of 50% of required course work completed prior to registration.

7217 W 06:00P-08:50P Hunner, L RHSI
Meeting Dates: 08/26/15 - 11/18/15
1-124
(7217-ADHS 2020-This course meets on the following dates: Aug. 26; Sept. 9 & 23; Oct. 7 & 21; Nov. 4 & 18. This course also includes 75 hours TBA practicum hours.)

ADHS 2526 3 units
Understanding Disability
This course provides a survey of diverse disability conditions that occur throughout the human lifespan and explores the history and culture of the disability experience in the United States. This course also explores historical and contemporary perspectives on the definition of disability. Students will examine rights, prejudices, and core social and ethical issues that influence the experience of disability within American culture. (AA, CSU)

7219 W 06:00P-08:50P Bhushan, G MCCLD
Meeting Dates: 08/19/15 - 12/16/15
4-103

ADMINISTRATION OF JUSTICE

ADJ 1001 3 units
Introduction to Administration of Justice
This course introduces students to the criminal justice system in the United States and the roles of the police, courts and corrections in shaping justice policy. Focus is placed on crime measurement, explanations of crime, responses to crime, and current challenges. The course also examines the evolution of the justice system and the forces that shape justice policy in a cross-cultural context. (AA, CSU, UC) (C-ID: AJ 110)

7295 TBA Nesheim, H INET
Meeting Dates: 08/17/15 - 12/17/15
(7295-ADJ 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
ADJ 1001 (CONT.)

7293 M 06:00P-08:50P Nesheim, H DLC
Meeting Dates: 08/17/15 - 12/14/15 3
7294 M 06:00P-08:50P Nesheim, H YBLDG1
Meeting Dates: 08/17/15 - 12/14/15 5
7366 M 06:00P-08:50P Nesheim, H MODOC
Meeting Dates: 08/17/15 - 12/14/15
(7293-94/7366-ADJ 1001-This course will be taught concurrently in Weed, Yreka, and Modoc using three-way videoconferencing.)

ADJ 1200 3 units
Introduction to Emergency Management
This course is designed to instruct students in the theory and practice of emergency response to major incidents such as terrorist attacks and disasters both natural and man-made. Students will learn the responsibilities of local, state and Federal agencies, as well as the roles of mutual aid, inter-agency communications, and volunteer resources. (AA, CSU)
Advisory: ENGL 0850

7291 TBA Hasemeyer, D INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7291-ADJ 1200-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

ADJ 1503 3 units
Legal Aspects of Evidence
Origin, development, philosophy, and constitutional basis of evidence; constitutional and procedural considerations affecting arrest, search, and seizures; kinds and degrees of evidence and rules governing admissibility; judicial decisions interpreting individual rights and case studies are major parts. (AA, CSU)

7292 TBA Hasemeyer, D INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7292-ADJ 1503-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

ADJ 1505 3 units
Criminal Investigation
History and fundamentals of investigation, crime scene search and recording, collection and preservation of physical evidence, scientific aids, modus operandi, sources of information, interviews and interrogation, follow up and case preparation are major parts of this course. (AA,CSU)

7299 R 06:00P-08:50P Schwall, N YTC
Meeting Dates: 08/20/15 - 12/17/15 1

ADJ 2050 34.5 units
Basic Police Academy
Principles, procedures, and techniques of law enforcement; criminal law, patrol procedures, investigative procedures, writing law enforcement reports, defensive and offensive tactics, use of weapons, community relations, police vehicle operations, traffic enforcement, investigation of accidents, first aid and CPR; and the academic and physical skill training and assessment required by the state to meet the minimum standards to be eligible for employment as a peace officer in California. (AA, CSU)
Prerequisite: 1. Pass the State P.O.S.T. (Commission on Peace Officer Standards and Training) reading and writing exam or be hired by a P.O.S.T approved agency; 2. Department of Justice Clearance; 3. Medical Verification: obtain clearance from a licensed Physician to participate in intensive Physical Activity Commensurate with a Police Academy

7370 MTWRF 08:00A-04:50P Wilhelm, C SFPD
Meeting Dates: 10/12/15 - 05/20/16

ADJ 2512 3 units
PC 832 - Reserve Officer Training
This course includes all subject matter, learning goals, and performance objectives as required by the California Commission on Peace Officer Standards and Training (POST), and as prescribed by Penal Code Section 832.6. Topics include Laws of Evidence, Leadership, Professionalism, and Ethics, Criminal Justice System, Policing the Community, Criminal Law, Search and Seizure, Investigation and Report Writing, Use of Force, Arrest/Control Techniques, and Firearms. Students may elect to take this course as a prerequisite to other courses. (AA, CSU)
Prerequisite: Prerequisite: DOJ fingerprint clearance (Penal Code 13511.5).
Advisory: ENGL 0900

7298 US 08:00A-04:50P LaRue, J YTC
Meeting Dates: 11/01/15 - 11/23/15 1

ADJ 2528 3 units
Criminology
This course explores crime, criminals and the social context of crime by examining the theoretical explanations for criminal behavior. Emphasis is placed on crime causation and the influence of social structure, process, and conflict as they relate to criminal behavior. (AA, CSU)
Advisory: ENGL 0850

7297 TBA Korkowski, M INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7297-ADJ 2528-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
AGRICULTURE

AG 1010 3 units
Landscape Maintenance
A general course on the development and maintenance of landscaped areas. Topics covered include soils, irrigation, nutrition, landscape operation, chemicals, pruning, planting, etc. (AA,CSU)

Meeting Dates: 08/22/15 - 10/17/15
7369 S 09:00A-03:15P TBA SCIENC 7-122

AG 1015 3 units
Plant and Crop Science
This course covers the basics of botany, taxonomy, soil science, seed selection, cultural practices (in both field and greenhouse), and the techniques used in production of commercial crops. Irrigation systems, pest control and crop rotation will also be covered. (AA,CSU)

Meeting Dates: 08/19/15 - 12/16/15
7368 W 06:00P-08:50P TBA SCIENC 7-122

ANTHROPOLOGY

ANTH 1010 3 units
Introduction to Cultural Anthropology
This course is designed to present an overview of human cultures and the many remarkable ways in which humans adapt to their environment. The course includes sections on languages, archeology, ancient history and modern cultures, with an emphasis on living traditional cultures. (AA, CSU, UC)

Advisory: ENGL 1001 or concurrent enrollment in ENGL 1001

Meeting Dates: 08/17/15 - 12/16/15
7321 TBA Melo, A INTNET 4-112

ART

ART 1000 3 units
Art History I
A survey of the major visual arts of the ancient world through the Middle Ages. Course emphasizes an understanding of geographically relevant information, art media, techniques, etc., and the development of an historical understanding based on western history as understood through the study of art. (AA, CSU, UC)

Advisory: ENGL 1001

Meeting Dates: 08/18/15 - 12/17/15
7111 TR 12:30P-01:45P Gilmore, J MCCLD 4-112

ART 1004 3 units
Painting
Instruction in use of oil, acrylics and watercolor techniques and styles of landscape, still life, figure and individual composition; emphasis in composition, techniques, equipment, theory, and mechanics of color, group, and individual problems are major parts of this course. (AA, CSU, UC)

Meeting Dates: 08/18/15 - 12/17/15
7116 TR 02:00P-04:50P Kenny, S MCCLD 4-114

ART 1006 3 units
Ceramics
An introduction to the art of ceramics. Students will be introduced to the history of ceramics and learn techniques, such as wheel throwing and hand-building. Glazing and other surface treatments will also be introduced. (AA, CSU, UC)

Meeting Dates: 08/17/15 - 12/16/15
7071 MW 09:00A-11:50A Kenny, S MCCLD 4-113
7069 MW 03:00P-05:50P Kenny, S MCCLD 4-113
7328 S 09:00A-02:50P Crockett, A KLAMAR 4-112

ART 1009 3 units
Drawing
Introduction to principles, elements, and practices of drawing, employing a wide range of subject matter and drawing media. Focus on perceptually based drawing, observational skills, technical abilities, and creative responses to materials and subject matter. (AA, CSU, UC)

Meeting Dates: 08/17/15 - 12/16/15
7261 MW 01:00P-03:50P Helard, T YBLDG1 4-114
7239 TR 06:00P-08:50P Helard, T MCCLD 4-114

<tbody>
<tr>
<td>ART 1011</td>
<td>Photography</td>
<td>3</td>
<td>A general education course introducing students to basic photographic techniques including camera handling, darkroom practices, and the history of photography. Hands-on experience in the field and in the darkroom is stressed as the student prepares for mounting and display. Loaner cameras are available. (AA, CSU, UC)</td>
<td>08/17/15 - 12/16/15</td>
<td>4-112</td>
</tr>
<tr>
<td>ART 1013</td>
<td>Printmaking</td>
<td>3</td>
<td>This is an introductory course in printmaking. Techniques in silk screen, woodblock, lithography, etching, and monotypes are taught. (AA, CSU, UC)</td>
<td>08/18/15 - 12/17/15</td>
<td>4-114</td>
</tr>
<tr>
<td>ART 1032</td>
<td>Digital Imaging</td>
<td>3</td>
<td>Introduction to the principles of design as they relate to digital imaging. Art and design principles, image file formats, and successful digital image-making will be discussed. Adobe Photoshop will be used in designing and producing digital images. The UC accepts transfer credit for either ART 1031 or ART 1032 but not both. May be taken for credit a total of 4 times. (AA, CSU, UC) Advisory: CSCI 1035</td>
<td>08/17/15 - 12/17/15</td>
<td>4-114</td>
</tr>
<tr>
<td>ART 1035</td>
<td>Web Design</td>
<td>3</td>
<td>Introduction to the principles of design as they relate to the Web. Art and design principles, Web file formats, and successful web graphics will be discussed. Photoshop, Macromedia Dreamweaver, and Flash will be used in designing and producing Web pages. (AA, CSU) Advisory: CSCI 1028 and CSCI 1035</td>
<td>08/17/15 - 12/17/15</td>
<td>4-114</td>
</tr>
<tr>
<td>ART 1504</td>
<td>Intermediate Painting</td>
<td>3</td>
<td>Continued instruction in the use of oil, acrylics, water color techniques and styles of landscape, still life, figure and individual composition; emphasis on composition, techniques, equipment, theory, and mechanics of color. Group and individual problems are major parts of this course as is the examination of contemporary and historically significant artists and paintings. (AA, CSU, UC) Prerequisite: ART 1004</td>
<td>08/18/15 - 12/17/15</td>
<td>4-114</td>
</tr>
<tr>
<td>ART 1506</td>
<td>Intermediate Ceramics</td>
<td>3</td>
<td>Intermediate hand-building techniques and wheel-throwing assignments. Extensive study on the wheel and a more in-depth introduction to kiln firing procedures and glazing techniques. (AA, CSU, UC) Prerequisite: ART 1006</td>
<td>08/17/15 - 12/16/15</td>
<td>4-113</td>
</tr>
<tr>
<td>ART 1509</td>
<td>Intermediate Drawing</td>
<td>3</td>
<td>Continued study in drawing from landscape, still life, and human figure. Media will include charcoal, ink, graphite, and pastel. Emphasis on the human figure for maximum improvement of hand-eye coordination and an understanding of compositional elements is also included. Included is the examination of contemporary and historically significant artists and their work. (AA, CSU, UC) Prerequisite: ART 1009</td>
<td>08/17/15 - 12/16/15</td>
<td>4-113</td>
</tr>
<tr>
<td>ART 1511</td>
<td>Intermediate Photography</td>
<td>3</td>
<td>Students will study advanced camera and darkroom techniques including digital photography trends. Lectures stress aesthetic developments in the history of photography. (Small, medium, and large format cameras are available on a loan basis.) May be taken for credit a total of three times. (AA,CSU,UC) Prerequisite: ART 1011 Advisory: ENGL 0900 or ENGL 0950</td>
<td>08/17/15 - 12/16/15</td>
<td>4-112</td>
</tr>
</tbody>
</table>
ART 1513 3 units
Intermediate Printmaking
Continued study in a variety of printmaking processes with emphasis on color printing techniques and multiple edition printing. (AA, CSU, UC)
Prerequisites: ART 1013
7085 TR 09:30A-12:20P Hanson, B MCLD
Meeting Dates: 08/18/15 - 12/17/15

ASTRONOMY

ASTR 1110 3 units
Astronomy introduces physical models for gravity and light and explores what they tell us about the motions, properties and histories of celestial objects ranging from nearby planets and stars to distant galaxies and the Universe itself. (AA, CSU, UC)
Prerequisite: ENGL 1001 and (MATH 0850 or qualification by assessment or MATH 0851 or qualification by assessment)
7051 MWF 11:00A-11:50A Hirt, W SCIENCE
Meeting Dates: 08/17/15 - 12/16/15

BUSINESS ADMINISTRATION

BA 0901 0.5 units
Customer Service
This course is designed to provide the student with certain key skills and attitudes in order to effectively meet the needs of customers. The student will be introduced to the concept of internal and external customers, customer satisfaction, and customer retention. Topics will also include communicating with customers, developing a positive attitude, handling complaints, and sales skills. (AA)
7371 TBA Nichols-Stock, B INTNET
Meeting Dates: 08/17/15 - 09/04/15
(7371-BA 0901-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

BA 0907 0.5 units
Managing Organizational Change
This course is designed to provide the student with an understanding of change and the influence it has on an organization and the individuals in that organization. Topics will include understanding organizational change, theoretical models of change, stages of change, and how to manage organizational change. (AA)
7372 TBA Nichols-Stock, B INTNET
Meeting Dates: 09/08/15 - 09/25/15
(7372-BA 0907-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

BA 0908 0.5 units
Stress Management
This course is designed to acquaint the student with key elements of stress management. Topics will include the recognition of stress, causes of stress, and the benefits of stress management. Emphasis will be placed on a multitude of ways to handle stress in order to have a more productive professional and private life. (AA)
7373 TBA Nichols-Stock, B INTNET
Meeting Dates: 09/28/15 - 10/16/15
(7373-BA 0908-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

BA 0909 0.5 units
Team Building
This course is designed to provide the student with understanding of how teams work together, common problems teams encounter and how to solve them. Students will learn to recognize various team player styles as well as gain exposure to the stages of team growth. Tips and techniques for team building in the workplace will also be covered. (AA)
7374 TBA Nichols-Stock, B INTNET
Meeting Dates: 10/19/15 - 11/06/15
(7374-BA 0909-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

BA 0910 0.5 units
Time Management
This course is designed to introduce the student to time management principles and specific tools that assist in making maximum use of time. Emphasis will be placed on how to prioritize, identify time wasters, delegate, and set goals. (AA)
7375 TBA Nichols-Stock, B INTNET
Meeting Dates: 11/09/15 - 12/04/15
(7375-BA 0910-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
BA 0920  3 units
Practical Accounting
Provides an introduction to accounting, suitable for students interested in pursuing additional business and accounting courses as well as for students interested in establishing a practical understanding of accounting. BA 0920 includes the application of the double-entry system in the preparation and use of journals, ledgers, worksheets and financial statements. Banking and payroll issues are also explored.

7010  TBA  Abbott, S  INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7010-BA 0920-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

BA 0985  0.5 units
Introduction to Entrepreneurship
This course will assist participants in evaluating their personal and professional characteristics and skills to determine their readiness to start a business. Topics include: risks and benefits of business ownership, legal issues and financing options, successful business management and orientation to local resources. (AA)

7376  TBA  Nichols-Stock, B  INTNET
Meeting Dates: 09/14/15 - 10/02/15
(7376-BA 0985-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

BA 1001  4 units
Financial Accounting
Financial Accounting explores how accounting information is used by a variety of decision makers, including investors and creditors. This core lower-division business course emphasizes the reporting and analysis of business transactions as communicated to the public through financial statements. Topics include: the accounting cycle; Generally Accepted Accounting Principles (GAAP) and International Financial Reporting Standards (IFRS); revenue and expense recognition; asset, liability and equity valuation; cash flows; internal controls; and ethics. (AA, CSU, UC)
Prerequisite: BA 0920
Advisory: ENGL 0900 or ENGL 0950 and MATH 0850

7075  M  04:00P-06:50P  Abbott, S  SCIENCE
Meeting Dates: 08/17/15 - 12/14/15
(7075-BA 1001-A portion of this course will be taught online. Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

BA 1006  3 units
Introduction to Business
Students will be introduced to the world of business through discussions of marketing, management, entrepreneurship, finance, human resources, business ethics, the law, risk management and insurance and the global marketplace. Various types of business entities will be examined and analyzed in the context of today's dynamic business environment. (AA, CSU, UC)
Advisory: ENGL 0900

7103  TBA  Abbott, S  INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7103-BA 1006-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

BA 1018  3 units
Legal Environment of Business
The Legal Environment of Business is an introduction to the legal process and the impact of the law on societal, governmental and economic entities. Topics include sources of law and ethics, contracts, judicial and administrative processes, international legal issues, forms of business organizations and government regulation. (AA, CSU, UC) (C-ID: BUS 120)
Advisory: ENGL 0900 or ENGL 0950

7011  TBA  Graves, M  INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7011-BA 1018-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

BIOLOGY

BIO 0891  1 unit
Biology Preparation for Pre-Majors and Pre-Health Students
This course is designed solely to function as the prerequisite for BIO 2100, 2600, and 2800. It covers the basic introductory concepts of chemistry, the cell, and scientific methodology. (NDA)

7016  TBA  Clarke, D  INTNET
Meeting Dates: 08/17/15 - 09/25/15
(7016-BIO 0891-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
BIO 1500  3 units
Human Biology
A general education course designed for non-biology majors and pre-health related fields. Provides an introduction to basic biological concepts with an emphasis on human body functions. UC transfer credit will not be awarded if this course is taken after a student completes BIO 2700 or BIO 2800. (AA, CSU, UC)
Advisory: ENGL 0900 or ENGL 0950
Meeting Dates: 08/17/15 - 12/16/15 7-112

7092 R 06:00P-08:50P Clarke, D SCIENC
Meeting Dates: 08/20/15 - 12/17/15 7-110

BIO 2600  4 units
Microbiology
An introduction to the study of morphology, physiology, and ecology of microorganisms. It includes the structure and function of bacteria and their relationships with humans. (AA, CSU, UC)
Prerequisite: BIO 0891
Advisory: ENGL 0900 or ENGL 0950 and MATH 0830
Meeting Dates: 08/18/15 - 12/17/15 7-120

7113 TR 12:30P-04:20P Odegard, W SCIENC
Meeting Dates: 08/18/15 - 12/17/15 7-120

7114 TR 06:00P-09:50P Odegard, W SCIENC
Meeting Dates: 08/18/15 - 12/17/15 Smith, L 7-120

BIO 2700  4 units
Human Anatomy
A systems approach to the study of the human body from the microscopic level of organization to the gross level. Structure is related to function with histology, dissection, models, cadavers, and charts. While this course is intended to fulfill requirements for nursing, physical education, and allied health students, it may also be taken as a life science elective. Lab. (AA, CSU, UC)
Advisory: ENGL 0900 or ENGL 0950 and MATH 0830
Meeting Dates: 08/18/15 - 12/17/15 7-120

CHEMISTRY

CHEM 1000  5 units
Introduction to Chemistry
CHEM 1000 is designed for students transferring into an allied health program. This course will give students an understanding of introductory chemical topics including the properties of matter, atomic structure, bonding, nomenclature, chemical reactions, energy, equilibrium, acids and bases, solutions and nuclear chemistry. The course serves as a preparation course for allied health majors and some biological programs and as a preparation course for general chemistry. (AA, CSU, UC)
Prerequisites: MATH 0850 or 0851 and 0852.
Meeting Dates: 08/17/15 - 12/16/15 7-215

7047 MW 10:00A-11:50A Heath, J SCIENC
Meeting Dates: 08/17/15 - 12/16/15 7-210
W 01:00P-03:50P SCIENC

CHEM 2000  5 units
General Chemistry I
CHEM 2000 involves a detailed study of the principles and calculations including atomic structure, bonding, intermolecular forces, stoichiometry, oxidation-reduction reactions, solution chemistry, gas laws, solid state and colloidal chemistry. (AA, CSU, UC) (C-ID: CHEM 110)
Prerequisites: CHEM 1000 or completion of one year of high school chemistry with lab and MATH 0980 or qualification through assessment
Meeting Dates: 08/18/15 - 12/17/15 7-210

7089 TR 02:00P-03:15P Heath, J SCIENC
Meeting Dates: 08/18/15 - 12/17/15 7-210
T 09:30A-12:20P SCIENC
R 09:30A-12:20P SCIENC

COMMUNICATION STUDIES

COMS 1100 3 units
Public Speaking
Public Speaking includes basic principles and practices of public speaking in a democratic society: developing proficiency and self-confidence in speaking. Focus will also include organization, development and communication of ideas, structure, style and delivery. Discovery, development, and criticism of ideas in public discourse through research, reasoning, organization, development, presentation, and evaluation of various types of speeches including informative and persuasive speeches will be covered. (AA, CSU, UC) (C-ID: COMM 110)
Advisory: ENGL 0900 or ENGL 0950

7055 MWF 11:00A-11:50A Dixon, R DLC
Meeting Dates: 08/17/15 - 12/16/15
7241 MWF 11:00A-11:50A Dixon, R RHSI
Meeting Dates: 08/17/15 - 12/16/15
(7055/7241-COMS 1100-This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)

7107 TR 12:30P-02:20P Turk, J ESTC
Meeting Dates: 09/08/15 - 12/16/15

7082 W 06:00P-08:50P Dixon, R ESTC
Meeting Dates: 08/19/15 - 12/16/15

7243 W 06:00P-08:50P Dixon, R RHSI
Meeting Dates: 08/19/15 - 12/16/15
(7082/7243-COMS 1100-This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)

COMS 1200 3 units
Small Group Communication
This introductory course explores theories and principles of effective group communication in a variety of contexts while providing opportunities to apply newly-acquired knowledge to practical group situations. Specific attention is given to basic group concepts, interaction skills, methods for achieving skills, group goals, conflict management, decision making, leadership, and small group problem-solving. College writing skills will be expected on all papers, outlines, and essays. (AA, CSU, UC) (C-ID: COMM 140)

7091 TR 09:30A-10:45A Turk, J SCIENC
Meeting Dates: 08/18/15 - 12/17/15

7099 TR 11:00A-12:15P Turk, J ESTC
Meeting Dates: 08/18/15 - 12/17/15

7105 TR 06:00P-07:50P Gaddini, M SCIENC
Meeting Dates: 09/08/15 - 12/10/15

COMS 1300 3 units
Interpersonal Communication
This course is an introduction to the process of human communication with a focus on intra and inter personal communication. Special emphasis is placed on understanding of communication in relationships and everyday life including how to communicate ideas, thoughts, and feelings. Also, study of theory and research findings and their application to communication in personal and professional contexts as well as principles of verbal and nonverbal transactions. (AA, CSU, UC)
Advisory: ENGL 0900 or ENGL 0950 or qualification through assessment

7127 MW 12:00P-01:15P Turk, J DLC
Meeting Dates: 08/17/15 - 12/16/15

7073 M 06:00P-08:50P Turk, J SCIENC
Meeting Dates: 08/17/15 - 12/14/15

COMS 1500 3 units
Oral Interpretation
Oral Interpretation helps students to develop a better understanding of the interrelationship between themselves and the creative arts and humanities of a variety of cultures. Students learn how to select, analyze, edit, and orally perform selections of literature. Students also learn how to evaluate and critique performances of others. Prose, poetry, children's literature, and dramatic literature across cultures are studied. (AA, CSU, UC)
Advisory: ENGL 0900 or ENGL 0950

7035 MWF 09:00A-09:50A Dixon, R DLC
Meeting Dates: 08/17/15 - 12/16/15

SOAR - Siskiyous Orientation, Advising, & Registration

"Come SOAR with us!"

SOAR Days are here! This is an event held on the main Weed campus and is specifically geared towards all incoming College of the Siskiyous students. If you are a student who is pursuing any COS certificate, AA degree, or transfer requirements, and are new to COS, you will want to participate in SOAR. At SOAR students will receive orientation, advising, a class schedule and a campus tour. Your placement test must be scheduled and completed prior to scheduling your SOAR session due to limited testing times. Please call Counseling & Support Services 530. 938.5353 with any questions or to sign up for SOAR. Each session has limited availability.
**COMPUTER SCIENCE**

**CSCI 1001**  
*Introduction to Computer Science*  
This class includes discussions on the Internet, the World Wide Web, application software, the components of the system unit, sources of input & output, storage, operating systems, system software, and utility programs as well as hands-on assessments designed to teach the students the basics of word processing, building & managing spreadsheets, and creating presentations. (AA, CSU, UC)

**Meeting Dates:** 08/17/15 - 12/17/15

**7022 TBA** Graves, M  INTNET

**CSCI 1007**  
*Programming I*  
This course develops computer programming skills in an object-oriented language. Topics covered include: algorithm development, variables, modular programming, object oriented programming, control structures, and the use and modification of classes and their objects. (AA, CSU, UC) (C-ID: COMP 112)

**Meeting Dates:** 08/17/15 - 12/16/15

**7096 TBA** Cecil, J  INTNET

**CSCI 1016**  
*Introduction to Internet*  
This course is an introduction to the Internet, the World Wide Web. Students will learn to use the Internet for communication, recreation, and research. (AA, CSU)

**Meeting Dates:** 08/17/15 - 12/17/15

**7017 TBA** Cecil, J  INTNET

**CSCI 1020**  
*Introduction to Computer Applications*  
Students learn to create, edit, format, and modify word processing documents, spreadsheets, and presentations using the latest computer application software. The students also learn to navigate the World Wide Web, perform searches, and retrieve files using a myriad of web browsers and a connection to the Internet. (AA,CSU)

**Meeting Dates:** 08/19/15 - 12/16/15

**7386 W 06:00p-08:50P** Graves, M  TEMP

**CSCI 1025**  
*Beginning Word Processing*  
This course is designed to introduce students to the basics of the latest word processing software for the application of projects in an office setting. Topics include: Formatting and customizing characters and paragraphs, inserting objects, maintaining documents, and creating tables and SmartArt. (AA, CSU)

**Meeting Dates:** 09/08/15 - 12/17/15

**7094 TR 09:30A-10:45A** Graves, M  TEMP

**CSCI 1037**  
*Computer Game Design I*  
This course is the introductory course to the computer gaming series. It involves designing, developing and testing small 2D and 3D computer games using game development software tools. It will provide the student with an understanding of the principles of game design, genre-specific design issues, storytelling, image manipulation, and development teams. No programming experience is necessary. (AA,CSU)

**Meeting Dates:** 09/08/15 - 12/17/15

**7020 TBA** Cecil, J  INTNET

**CSCI 1525**  
*Advanced Word Processing*  
This course is designed to move students to an advanced level in the latest word processing software for the application of projects in an office setting. Time will be devoted to skill building and advanced exercises. (AA, CSU)

**Meeting Dates:** 08/18/15 - 12/17/15

**7095 TR 09:30A-10:45A** Graves, M  TEMP

39
CSCI 2010 3 units
Discrete Structures
This is an introduction to the discrete structures used in
Computer Science, with an emphasis on their applications.
Topics covered include functions, relations and sets, basic
logic, proof techniques, basics of counting, graphs and trees,
and discrete probability. (AA, CS U, UC)
Prerequisite: CSCI 1007

7385 TBA Read, M INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7385-CSCI 2010-Students enrolling in this course must have
internet access and know how to use email. Check the COS
online course website at www.siskiyous.edu/online prior to
the first day of the semester for specific course information.)

CONSTRUCTION CRAFT TECHNOLOGY

CCT 9050 1 unit
Advanced Mill and Cabinet Work
This is a course in the use of machines in woodworking. The
proper and safe use of portable and stationary woodworking
equipment is demonstrated and practiced. This course also
contains units in wood properties, fastening, finishing with
lacquers, and the use of hand tools. Students select, design,
construct, and finish their own projects. May be taken for
credit a total of four times.(AA)

7128 R 06:00P-08:50P Duckart, D YHS
Meeting Dates: 09/03/15 - 12/17/15
(7128-CCT 9050-This class will also meet on 3 Tuesdays:
Nov. 17; Dec. 1 & 15.)

EARLY CHILDHOOD EDUCATION

ECE 1002 3 units
Child Development
This course includes the study of child development from
conception through adolescence, with emphasis on
personal development and family and social interactions.
For UC transfer, only one course will be accepted if both
ECE 1002 and ECE 1999 are taken. (AA, CSU, UC)

ECE 1001 3 units
Introduction to Early Childhood Education
This course is designed to introduce students to the
principles, practices and standards of early childhood
education. (AA, CSU)

7076 M 06:00P-08:50P Thatcher, P DLC
Meeting Dates: 08/17/15 - 12/14/15
(7076/7332-36-This course will be taught concurrently in
Weed, Yreka, Butte Valley, Etna, Happy Camp, and Tulelake
using six-way videoconferencing.)

7332 M 06:00P-08:50P Thatcher, P RHSI
Meeting Dates: 08/17/15 - 12/14/15
7333 M 06:00P-08:50P Thatcher, P DORIS
Meeting Dates: 08/17/15 - 12/14/15
7334 M 06:00P-08:50P Thatcher, P EHS
Meeting Dates: 08/17/15 - 12/14/15
7335 M 06:00P-08:50P Thatcher, P HCCCC
Meeting Dates: 08/17/15 - 12/14/15
7336 M 06:00P-08:50P Thatcher, P THS
Meeting Dates: 08/17/15 - 12/14/15
7337 T 06:00P-09:10P Thatcher, P RHSI
Meeting Dates: 09/08/15 - 12/15/15
7338 T 06:00P-09:10P Thatcher, P DORIS
Meeting Dates: 09/08/15 - 12/15/15
7339 T 06:00P-09:10P Thatcher, P EHS
Meeting Dates: 09/08/15 - 12/15/15
7340 T 06:00P-09:10P Thatcher, P HCCCC
Meeting Dates: 09/08/15 - 12/15/15
7341 T 06:00P-09:10P Thatcher, P THS
Meeting Dates: 09/08/15 - 12/15/15
7342 W 06:00P-08:50P Thatcher, P DLC
Meeting Dates: 08/19/15 - 12/16/15
7343 W 06:00P-08:50P Thatcher, P DORIS
Meeting Dates: 08/19/15 - 12/16/15
7344 W 06:00P-08:50P Thatcher, P EHS
Meeting Dates: 08/19/15 - 12/16/15
7345 W 06:00P-08:50P Thatcher, P HCCCC
Meeting Dates: 08/19/15 - 12/16/15
7346 W 06:00P-08:50P Thatcher, P THS
Meeting Dates: 08/19/15 - 12/16/15
(7121/7342-46-ECE 1003-This course will be taught
concurrently in Weed, Yreka, Butte Valley, Etna, Happy
Camp, and Tulelake using six-way videoconferencing.)
ECE 1999  3 units
Human Development
This course includes the study of human development throughout the life span, from conception to the end-of-life, with emphasis on personal development and family and social interactions. Particular emphasis is upon development from adolescence to the end-of-life. Areas of study include the physical, cognitive, and psychosocial domains. (AA,CSU,UC)

7024  TBA  Stack, P  INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7024-ECE 1999-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

ECE 2000  3 units
Observing and Assessing: Desired Results and Developmentally Appropriate Environments
This course is designed to prepare students to observe and authentically assess young children in order to plan and implement developmentally appropriate early education curriculum and programs. Emphasis is upon familiarity with developmental guidelines and recognition of Developmentally Appropriate Practice. The class will include review of California State "Desired Results" for early education and emphasis on developmental appropriateness in relation to these standards. The course includes weekly observation and supervised work with young children in a Lab School/Mentor Teacher setting. (AA, CSU) (C-ID: ECE 200)

ECE 2002  3 units
Child Nutrition, Health, and Safety
Prepares early educators and parents to identify aspects of nutrition, health and safety fundamental to optimal growth and development during childhood. This course includes evaluation of the relationship between nutrition and health as well as assessment of the benefits inherent in early education environments emphasizing best practices in nutrition and health. Work requiring evaluation of standards, policies and procedures, as well as recognition of the role of families and health professionals. (AA, CSU)

ECE 2003  3 units
The Young Child with Special Needs
This course offers a survey of atypical development that may affect the course of physical, cognitive and psychosocial development in the young child. (AA, CSU) Prerequisite: ECE 1001 or ECE 1002

ECE 2527  2 units
Adult Supervision of Early Childhood Education
This course emphasizes the principles and practices of staffing in early education programs. It is required by California Department of Education's Master Teacher Permit. (AA, CSU) Prerequisite: ECE 2501

REGISTER EARLY FOR BEST CLASS SELECTION AND TO INSURE THAT YOUR CLASS DOES NOT GET CANCELLED.
ECONOMICS

ECON 1010 3 units
Principles of Macroeconomics
An introductory course focusing on aggregate economic analysis. Topics include market systems; economic cycles including recession, unemployment and inflation; national income accounts; macroeconomic equilibrium; money and financial institutions; monetary and fiscal policy and international trade and finance. (AA, CSU, UC)
Prerequisite: MATH 0980 or qualification through assessment
Advisory: ENGL 0900 or ENGL 0950

7086 T 08:00A-09:15A Abbott, S DLC
Meeting Dates: 08/18/15 - 12/15/15
(7086-ECON 1010-A portion of this course will be taught online. Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

EDUCATION

EDUC 0596 0 units
Supervised Tutoring
This is an open-entry course providing individualized instruction through the use of peer tutoring and a master teacher in an effort to help students succeed in courses in which they are currently enrolled. (NDA)

7274 MW 08:00A-08:50A TBA ASC
Meeting Dates: 09/14/15 - 12/16/15

Meeting Dates: 08/18/15 - 12/17/15

EDUC 0670 0 units
Critical Skills Lab
An open-entry, non-credit class offering access to individualized instruction provided by faculty and staff in the Academic Success Center. This course provides students with supplementary instruction in critical skills such as computing, reading, writing, researching, and mathematics that are necessary for success in courses in any discipline. (NDA)
Corequisite: Concurrent enrollment in a credit course

7227 MTWRF TBA Shiple, C ASC
Meeting Dates: 08/17/15 - 12/17/15
7228 TBA Cortese, F YCNTR
Meeting Dates: 08/17/15 - 12/17/15

EMERGENCY MANAGEMENT & HOMELAND SECURITY

EMHS 1001 3 units
Introduction to Homeland Security
This introductory course explores the history, development and organization of homeland security in the United States. It examines the roles and functions of the various homeland security departments and their relationship to state and local agencies. The course analyzes important legal concepts impacting homeland security and reviews the most critical threats confronting American security. (AA, CSU)
Advisory: ENGL 0850

7296 TBA Bullington, W INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7296-EMHS 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
EMERGENCY MEDICAL SERVICES

EMS 0954 12 units
Paramedic 1 A-Theory
This is the first course of the EMT-Paramedic Program. The emphasis is on the theory and management of pre-hospital care: patient assessment, patient treatment, and patient transport in the emergency setting. It also includes anatomy and physiology for the paramedic. This is an interactive, hands-on experience. (AA)
Prerequisites: Current EMT I, EMT II, or AEMT certification and current CPR for the Professional, High School Diploma or GED, MATH 0830 or qualification by assessment and ENGL 0850 or ENGL 0896 or qualification through assessment. A registration permit is required.

7156 MWF 08:30A-05:20P Watt, B ESTC
Meeting Dates: 10/26/15 - 01/22/16

EMS 0957 10 units
Paramedic III - Field Internship
This course provides hands-on experience in the field for Paramedic students on an ambulance. Students will fulfill the ambulance hours and patient contacts required by the State in Title 22 to become a paramedic. Individual internship placements are arranged by the college for each student. Students must be willing to accept internship placements from the Sacramento area north and be available 24 hours a day/7 days a week. (AA)

7157 TBA Watt, B TBA
Meeting Dates: 07/01/15 - 12/31/15

EMS 0958 2.5 units
Paramedic III - Field Internship Review
This course provides further hands-on experience in the field for paramedic students on the ambulance. Students will have the opportunity to complete California State Title 22 requirements to become a paramedic if they were not completed in EMS 0957.
Prerequisites: EMS 0957. Must have taken EMS 0957 in same academic calendar year. May take course with instructor approval only.

7158 TBA Watt, B TBA
Meeting Dates: 07/01/15 - 12/31/15

EMS 1001 6 units
Emergency Medical Technician
This course provides the instruction necessary to prepare for the EMT Certification examination. The course covers the functions of the body systems, airway, trauma, medical, obstetric, pediatric, and geriatric emergencies. Students will be required to spend a minimum of 16 hours observing emergency care providers outside of class. Students must pass a background test, pass the National Registry Exam (additional fee and location), and be 18 years of age to receive Sierra Sacramento-Valley (SSV-V) EMT certification. (AA, CSU)
Prerequisite: EMS 0950 or current CPR for the Professional by the first class meeting.

7161 MW 06:00P-09:50P TBA YTC
Meeting Dates: 08/17/15 - 12/16/15
(7161-EMS 1001-This course includes 18 TBA practicum hours.)

7159 TR 06:00P-10:30P Witherell, B ESTC
Meeting Dates: 08/25/15 - 12/17/15
(7159-EMS 1001-This course includes 18 TBA practicum hours.)

EMS 9060 1 unit
Emergency Medical Technician Refresher
This course will review emergency care and transportation of the sick and injured for recertification. Includes review of anatomy, physiology, diagnosis and treatment necessary to save a life when problems are encountered involving breathing, bleeding, burns, drowning, cardiac arrest, broken bones, or other emergency situations. This course may be taken for credit a total of four times except when needed to meet legally mandated training requirements. (NDA)

7162 MW TBA TBA YTC
Meeting Dates: 08/17/15 - 12/16/15

7160 TR TBA Witherell, B ESTC
Meeting Dates: 08/25/15 - 12/17/15

EMS 9065 2 units
Emergency Medical Responder
This course prepares the emergency medical responder to provide treatment for patients with medical and traumatic emergencies in the pre-hospital environment. This course includes CPR for the professional rescuer. (NDA)

7163 S 09:00A-05:50P Schecka, M ESTC
Meeting Dates: 10/03/15 - 11/14/15

EMS 9066 0.5 units
Emergency Medical Responder - Refresher
This course reviews the emergency medical responder skills and knowledge to provide treatment for patients with medical and traumatic emergencies in the pre-hospital environment. This course includes CPR for the professional rescuer. (NDA)

7164 S TBA Schecka, M ESTC
Meeting Dates: 10/03/15 - 11/14/15
ENGLISH

ENGL 0850 3.5 units
Intermediate Reading and Writing Skills
Improves writing at the essay level by focusing on structure, mechanics, and editing. Familiarizes students with source-based compositions. Emphasizes pre-college level reading of nonfiction with attention to formal responses to reading. (NDA)
Prerequisites: ENGL 0800 or qualification through assessment

7042 MW 09:00A-11:15A Fernandez, M ESTC
Meeting Dates: 08/17/15 - 12/16/15 8-107
7098 TR 09:30A-11:45A Fernadez, M ESTC
Meeting Dates: 08/18/15 - 12/17/15 8-113
7263 MW 06:00P-08:15P McNamara, J YCNTR
Meeting Dates: 08/17/15 - 12/16/15 8

ENGL 0900 3 units
Introduction to College Reading and Writing
Introduction to analysis, interpretation, inference, and information competency. Prepares students to write well-organized, unified and coherent essays for a college audience and teaches critical reading skills for college-level reading material. (AA)
Prerequisite: ENGL 0850 or qualification through assessment

7001 TBA Jenks, M INNTN
Meeting Dates: 08/17/15 - 12/17/15
(7002-ENGL 0900-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
7115 MWF 09:00A-09:50A Tischler, M DLC
Meeting Dates: 08/17/15 - 12/16/15 8

Meeting Dates: 08/17/15 - 12/16/15 (7037-7287-ENGL 1001-This course will be taught concurrently in Weed, Yreka, and Tulelake using three-way videoconferencing.)
7041 MWF 10:00A-10:50A Reynolds, S DLC
Meeting Dates: 08/17/15 - 12/16/15 3
7064 MWF 12:00P-12:50P Tischler, M SCIENC
Meeting Dates: 08/17/15 - 12/16/15 7-110
7245 TR 08:00A-09:15A Wyman, J DLC
Meeting Dates: 08/18/15 - 12/17/15 8
7106 TR 11:00A-12:15P Tischler, M MCCLD
Meeting Dates: 08/18/15 - 12/17/15 4-112
7074 M 06:00P-08:50P Hanna, J RHSI
Meeting Dates: 08/17/15 - 12/14/15 1-121

FIRST DAY ATTENDANCE
Students must be in class by the end of the first hour of the first class meeting or they may be dropped from the class.
Students on the Wait List must be in attendance at the beginning of the first meeting in order to be considered for enrollment.
ENGL 1038 3 units
Multicultural Communication
Introduction to intercultural communication in domestic and/or global contexts. Influence of cultures, languages, and social patterns on how members of groups relate among themselves and with members of different ethnic and cultural groups. Theory and knowledge of effective communication within and between cultures. Appreciation and comparison of communication of diverse groups within the larger context of American culture. (AA, CSU, UC) (C-ID: COMM 150)
Prerequisite: ENGL 0900 or Qualification through assessment

7039 MWF 10:00A-10:50A Tischler, M DLC
Meeting Dates: 08/17/15 - 12/16/15

7266 MWF 10:00A-10:50A Tischler, M RHSI
Meeting Dates: 08/17/15 - 12/16/15
(7039/7266-ENGL 1038-This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)

ENGL 1502 3 units
Advanced Composition - Critical Thinking
This course emphasizes critical thinking in argumentation, including the principles of rhetoric and analysis of the writing process. Students will engage in close reading and evaluation of texts and apply the elements of logic to the creation of arguments. The course requires frequent writing assignments totaling a minimum of 8,000 words. (AA, CSU, UC) (C-ID: ENGL 105)
Prerequisites: ENGL 1001 or qualification through assessment

7004 TBA Unkefer, C INTNET
Meeting Dates: 09/14/15 - 12/17/15
(7004-ENGL 1502-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

ENGL 2046 3 units
British Literature I
This is a survey course that covers selected works in British literature from its beginnings to the Romantic Period. Emphasis is placed on historical background, cultural context, and literary analysis of selected prose, poetry, and drama. Upon completion, students should be able to interpret, analyze, and respond to literary works in their historical and cultural contexts. (AA, CSU, UC)
Prerequisite: ENGL 1001
Advisory: ENGL 1501

7381 TBA Fernandez, M INTNET
Meeting Dates: 09/14/15 - 12/17/15
(7381-ENGL 2046-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

Meeting Dates: 08/18/15 - 12/17/15

ENVIRONMENTAL RESOURCES/POWER GENERATION

ERPG 0950 3 units
Power Plant Fundamentals
This course is an introduction to power plants and electrical power generation. Major topics include the systems, equipment and components required for power generation. (AA)
Corequisite: ERPG 0951; ERPG 0952; and ERPG 0953.

7209 TBA Schmitz, J INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7209-ERPG 0950-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

ERPG 0951 1 unit
Mechanical Fundamentals
This course identifies maintenance fundamentals of typical power plant equipment. Specific topics include various mechanical equipment, preventative maintenance programs and on-going general and specific maintenance requirements. (AA)
Corequisite: ERPG 0950, ERPG 0952, and ERPG 0953

7210 TBA Maslen, T INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7210-ERPG 0951-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

ERPG 0952 2 units
Environmental Health and Safety
This is a survey course of environmental, health, and safety policies, issues, and protection related to a power generation environment. Specific topics include safety programs, safety hazards and personal protection, safety tagging procedures, facility environment, fire protection, general environmental impact and remediation, basic pollution control equipment, continuous emissions monitoring system (CEMS), and air and water quality operating permits. (AA)
Corequisites: ERPG 0950, ERPG 0951, AND ERPG 0953

7211 TBA Schmitz, J INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7211-ERPG 0952-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

ERPG 0953 2 units
Technical Document Reading
This course is a fundamental study of technical documentation used in power generation and process plant applications. Specific topics include basic diagrams and symbols, flow and electrical diagrams, piping and instrument diagrams (P&ID), and manufacturer operation and equipment manuals. (AA)

7212 TBA Maslen, T INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7212-ERPG 0953-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

ETHNIC STUDIES

ETHN 1001 3 units
Ethnic Studies
This interdisciplinary course will introduce the student to the diverse institutional, cultural, and historical issues relating to the past and present life circumstances of Afro-Americans, Native Americans, Asian Americans, and Hispanic Americans. (AA, CSU, UC)

7283 TBA Ismail, A INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7283-ETHN 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
FAMILY CONSUMER SCIENCE

FCS 0610 0 units
Independent Living
This course deals with fundamental principles needed to live independently such as budget management, socialization, entitlement programs, consumer education, and effective human relations. May include field trips to enrich students' social opportunities. (NDA)

7235 W 11:00A-11:50A Rodriguez, M MSREC
Meeting Dates: 09/02/15 - 12/09/15

7357 W 11:00A-11:50A Rodriguez, M MSREC
Meeting Dates: 09/02/15 - 12/09/15

Additional Fee $40
7235/7357-FCS 0610-This course includes TBA hours for field trips. Students have the option of taking transportation that the district provides, with the associated fee, or of providing their own transportation. Please contact your instructor for the waiver form. Section 7357 has the optional field trip fee attached. FIELD TRIPS ARE OPTIONAL.)

FCS 1011 3 units
Nutrition
The function of carbohydrates, fats, proteins, vitamins, and minerals required by the body and their relation to health is studied along with a study of digestion, absorption of food, endocrine glands, diets for pregnant mothers, children, teenagers, and older adults. The problems involved in overweight, under nutrition, and the planning and budgeting of family menus is also covered. (AA, CSU, UC)

7234 TBA Altman, M INTNET
Meeting Dates: 09/14/15 - 12/17/15
(7234-FCS 1011-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

FIRE

FIRE 1001 3 units
Fire Protection Organization
This course provides an introduction to fire protection, strategy and tactics: fire protection systems; specific fire protection functions; philosophy and history of fire protection; fire loss analysis; basic fire chemistry and physics; career opportunities in fire protection and related fields; organization and function of public and private fire protection services; fire departments as part of local government; laws and regulations affecting the fire service; fire service nomenclature. This course is certified by the California State Fire Marshal's Office. (AA, CSU)

7387 TR 08:00A-09:15A Wilson, M TTC
Meeting Dates: 08/18/15 - 12/17/15 32-102

FIRE 1002 3 units
Fire Prevention Technology
This course provides fundamental information regarding the history and philosophy of fire prevention, organization and operation of a fire prevention bureau, use of fire codes, identification and correction of fire hazards, and the relationship of fire prevention with fire protection systems, fire investigation, and fire and life-safety education. This course is certified by the State Chancellor and the California State Fire Marshals Office. (AA, CSU)

7388 TR 09:30A-10:45A Wilson, M TTC
Meeting Dates: 08/18/15 - 12/17/15 32-102

FIRE 1003 3 units
Fire Protection Equipment and Systems
This course provides information relating to the features of design and operation of fire detection and alarm systems, water-based fire suppression systems, special hazard fire suppression systems, special protection and sprinkler systems, water supply for fire protection, and portable fire extinguishers. This course is certified by the State Chancellor and the California State Fire Marshal's Office. (AA, CSU)

7389 TR 12:00P-01:15P Wilson, M TTC
Meeting Dates: 08/18/15 - 12/17/15 32-102

TEXTBOOKS
FOR A COMPLETE LISTING OF TEXTBOOKS BY INSTRUCTOR AND PRICING GO TO:
www.siskiyous.edu/bookstore

PLEASE CHECK THE ONLINE SEARCHABLE SCHEDULE FOR ADDITIONAL FIRE COURSES.
**GEOGRAPHY**

**GEOG 1110 3 units**

**Physical Geography**

Physical Geography introduces the tools used to measure and depict the locations of features on Earth, and uses these tools to explore how the major elements of the physical environment—the atmosphere, hydrosphere and geosphere—interact with one another and human activities to influence the distributions of climates, landforms, soils and life on the planet. (AA, CSU, UC) Prerequisite: ENGL 1001 and (MATH 0850 or qualification by assessment) or (MATH 0851 or qualification by assessment).

7109 TR 12:30P-01:45P Hirt, W 7-216

Meeting Dates: 08/18/15 - 12/17/15

**GEOLOGY**

**GEOL 0800 0.5 units**

**Geology of Mt. Shasta**

An introduction to the geology of Mount Shasta presented during two evening programs and a one-day field trip. The evening sessions will review the mountain's geologic setting, its eruptive history, the characters of its eruptive products, and its potential hazards. The field trip will afford students opportunities to explore volcanic and glacial features on the flanks of a peak that geologists estimate has a one in three to four chance of erupting during their lifetimes. (NDA)

7080 WF 06:30P-09:20P Hirt, W 7-216

Meeting Dates: 09/02/15 - 09/05/15

**GEOL 0810 0.5 units**

**Geology of Medicine Lake Volcano**

An introduction to the geology of the Medicine Lake Volcano presented during two evening programs and a one-day field trip. The evening sessions will review the mountain's geologic setting, its eruptive history, the character of its eruptive products, and its potential hazards. The field trip will afford students opportunities to explore a wide variety of volcanic features - from spatter cones to obsidian domes - on one of the largest volcanoes in the Cascades. (NDA)

7081 WF 06:30P-09:20P Hirt, W 7-216

Meeting Dates: 09/16/15 - 09/19/15

**GEOL 1110 3 units**

**Environmental Geology**

Environmental Geology explores how humans interact with the Earth. The course examines: the geologic hazards created by processes such as volcanism and seismicity as well as strategies for their management or mitigation; the formation, distribution and limits of geologic resources including water, fossil fuels and minerals; and the environmental effects, including global warming, of the waste and pollution produced by human activities. (AA, CSU, UC) Prerequisites: ENGL 1001 and (MATH 0850 or qualification by assessment) or (MATH 0851 or qualification by assessment).

7023 TBA Hirt, W INTNET

Meeting Dates: 08/17/15 - 12/17/15

(7023-GEOL 1110-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

**GEOL 1210 4 units**

**Physical Geology/Lab**

Physical Geology explores the processes that are shaping Earth today. It examines the formation of rocks and mineral resources; the volcanism and faulting that accompany Earth's release of internal heat; and sculpting of the planet's surface that occurs as air, water and ice move in response to gravity and energy from the sun. Lab activities include rock and mineral identification, topographic and geologic map interpretation, and field study of regional geologic features. (AA, CSU, UC) Prerequisites: ENGL 1001 and (MATH 0850 or Qualification by Assessment) or (MATH 0851 or Qualification by Assessment).

7061 MWF 12:00P-12:50P Hirt, W 7-216

Meeting Dates: 08/17/15 - 12/16/15

7061 W 01:00P-03:50P 7-216

Meeting Dates: 08/17/15 - 12/16/15
**GUIDANCE**

**GUID 1002 2 units**

**Career and Life Planning**

This course is designed for students who are undecided about their major and for students who are making a vertical or lateral career change. Topics include an overview of life stages, personal and career assessment, values clarification to determine career compatibility, educational planning, job search skills, technological changes that will impact the world of work, and the creation of an employment portfolio. (AA, CSU)

Advisory: ENGL 0900

**7014 TBA Greene, S INTNET**

**Meeting Dates: 09/14/15 - 12/17/15**

(7014-GUID 1002-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

---

**GUIDANCE**

**GUID 1005 3 units**

**College Success Skills**

College Success Skills is designed to help students develop values, attitudes, methods, and techniques to support their success in college. Emphasis is placed on learning study skills and college orientation. Also included is information about life skills, career search, communication, diversity issues, and health. This course is strongly advised for first time and returning college students. The UC accepts transfer credit for either GUID 1005 or MUS 1022, but not both. (AA, CSU, UC)

7101 TR 11:00A-12:15P Collins, H SCIENCE

**Meeting Dates: 08/18/15 - 12/17/15**

7-216

---

**GUID 1006 3 units**

**Learning Strategies**

Provides students with the necessary skills and strategies to benefit from the collegiate educational experience. Strategies and skills will include: Time management, learning to think critically, test taking, listening and note-taking skills. (AA, CSU)

7377 TR 08:00A-09:15A Greene, S ESTC

**Meeting Dates: 08/18/15 - 12/17/15**

8-113

7378 TR 08:00A-09:15A Hagarty, D SCIENCE

**Meeting Dates: 08/18/15 - 12/17/15**

7-110

---

**HEALTH**

**HEA 1010 3 units**

**Health in Action**

This course covers personal and community health problems including mental health, drugs and alcohol, tobacco use, nutrition, fitness and wellness, sex education, diseases, cardiovascular health, personal safety, aging, and environmental awareness. (AA, CSU, UC)

7032 TBA Roche, C INTNET

**Meeting Dates: 08/17/15 - 12/17/15**

(7032-HEA 1010-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

7049 TBA Frisbie, T INTNET

**Meeting Dates: 08/17/15 - 12/17/15**

(7049-HEA 1010-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

7104 TBA Frisbie, T INTNET

**Meeting Dates: 09/15/15 - 12/17/15**

(7104-HEA 1010-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

---

**UPWARD BOUND**

Upward Bound provides students who are low-income and/or first generation the skills and motivation necessary to complete high school and enter and succeed in a program of postsecondary education. There is no cost to a student's family for applying or for services provided. The Upward Bound Program is funded by the U.S. Department of Education and also supported by the College of the Siskiyous and many school districts in Siskiyou County.

Throughout the academic year, advisors make visitations to high schools the program services. Within those visitations, advisors and/or tutors meet with the students to discuss and assist with the following:

- Preparation for college
- Completing college applications
- College tours
- Study skills and tutoring
- Academic advising
- Fee waivers for SAT and college applications
- Incentives

For more information contact:
Stephanie Wroten

Meeting Dates: 08/17/15 - 12/16/15  1-124
(7056/7275-HEA 1010-This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)

7077 W 06:00P-08:50P Hefflinger, W  SCIENC
Meeting Dates: 08/19/15 - 12/17/15  7-110

HISTORY

HIST 1008  3 units
History of Women in the United States
History 1008 examines women's diverse historical experiences in the United States from the pre-colonial era to the present. (AA, CSU, UC)
Advisories: ENGL 1001, HIST 1017, and HIST 1018

7060 M 06:00P-08:50P Vancil, C  MCCLD
Meeting Dates: 08/17/15 - 12/14/15  4-103

HIST 1010  3 units
World Civilizations Since 1450
World Civilizations Since 1450 will explore the history of world civilizations since contact between Europe and the Americas. Students will be asked to explore the interactions of technology, culture, religion, warfare, environment and politics as they traverse the histories of various civilizations, including Asia, Africa, Europe, the Middle East and the Americas. Students will then be asked to place the histories of these civilizations into a global context. (AA, CSU, UC)

7006 TBA Bush, D  INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7006-HIST 1010-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

HIST 1017  3 units
United States History to 1877
A survey of American history from pre-contact North America to 1877. (AA, CSU, UC)
Advisory: ENGL 1001

7008 TBA Vancil, C  INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7008-HIST 1017-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

HIST 1018  3 units
United States History Since 1877
Survey of American History from reconstruction to modern times. Development of the United States and its political, economic, social and cultural institutions. Examination of the growth of the U.S. and the institutions, individuals, and groups that contributed to it. (AA, CSU, UC)
Advisory: ENGL 1001

7009 TBA Vancil, C  INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7009-HIST 1018-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

HIST 1044  3 units
African-American History
History of African Americans in the United States from colonial times to the present. Emphasis upon the social, economic and political events that reflect the histories of African Americans. Additional investigations into the unique influences of African Americans and their contributions to the development of the United States as a Super Power in the 20th century. (AA, CSU, UC)
Advisory: ENGL 0900 or ENGL 0950 or qualification through assessment.

7125 R 06:00P-08:50P Ismail, A  ESTC
Meeting Dates: 08/20/15 - 12/17/15  8-107
**HUMANITIES**

**HUM 1001 3 units**
Introduction to Humanities
A broad introduction to the major forms and types of artistic expression: sculpture, architecture, painting, philosophy, literature, drama, dance, film, and music. (AA, CSU, UC)
Prerequisite: ENGL 0900 or qualification through assessment

**7007 TBA Kigerl, C INNTET**
Meeting Dates: 08/17/15 - 12/17/15
(7007-HUM 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

**HUM 1005 3 units**
Humanities and Film
An introduction to the study of film as an art form and medium of expression. The course will introduce the major elements of cinematic expression, film history, and film theory. Film criticism will be combined with analysis of historical, philosophical, political, personal, and/or artistic themes. (AA, CSU, UC)
Prerequisite: ENGL 0900 or qualification through assessment

**7118 T 06:00P-08:50P Fernandez, M MCCBD**
Meeting Dates: 08/17/15 - 12/17/15

**MATHEMATICS**

**MATH 0804 3 units**
Arithmetic for College Students
This course covers addition, subtraction, long division and multiplication of whole numbers and decimal numbers without the use of a calculator. Conceptual understanding of fractions will be developed. Students who do not have the necessary skills for Pre-Algebra should enroll in this course. (NDA)

**MATH 0830 4 units**
Pre-Algebra
A basic mathematics course designed to provide skill development in operations with fractions, decimals, percents, and signed numbers. Algebra concepts including variables, order of operations, graphing, and measurement are also presented. (NDA)
Prerequisite: MATH 0804 or Qualification through assessment

**MATH 0850 3 units**
Arithmetic for College Students
This course covers addition, subtraction, long division and multiplication of whole numbers and decimal numbers without the use of a calculator. Conceptual understanding of fractions will be developed. Students who do not have the necessary skills for Pre-Algebra should enroll in this course. (NDA)

**7130 TR 09:30A-11:20A Alexander, C MCCBD**
Meeting Dates: 08/17/15 - 12/17/15

**7131 TR 12:00P-01:50P Carico, D ESTC**
Meeting Dates: 08/17/15 - 12/17/15

**7132 TR 03:30P-05:20P Cortese, F RHI**
Meeting Dates: 08/17/15 - 12/17/15

**7133 MW 06:00P-07:50P Carico, D ESTC**
Meeting Dates: 08/17/15 - 12/17/15

---

**COLLEGE OF THE SISKIYOUS**

Core Values
- **Integrity** – Our decisions and actions reflect honesty, trust, and respect for all.
- **Excellence** – Our decisions and actions reflect our commitment to accountability, innovation, and learning.
- **Openness** – Our decisions and actions reflect open-minded transparent dialogue.
MATH 0850 4 units  
Elementary Algebra Review  
This course is designed for students needing an intensive and fast-paced extensive review of Algebra and who have previously successfully completed Algebra in high school. Topics include properties of and operations on real numbers, linear equations, linear systems, exponents, polynomials, factoring, rational expressions, radicals, quadratic equations, and parabolas. (NDA) 
Prerequisite: Qualification through assessment.

7276 TBA Pompa, J  INTRNET  
Meeting Dates: 08/17/15 - 12/17/15  
(7276-MATH 0850-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information. On the first day of class students should go to https://myetudes.org/portal to begin class. REQUIRED: TWO MEETINGS ON WEED CAMPUS TO TAKE A MIDTERM EXAM AND A FINAL EXAM. THE MIDTERM WILL OCCUR DURING OCTOBER 2015 AND THE FINAL WILL OCCUR DURING DECEMBER 2015. THE EXACT DATES AND TIMES FOR THE MIDTERM AND THE FINAL EXAMS WILL BE ANNOUNCED ONCE THE SEMESTER BEGINS. THERE WILL NOT BE ANY PROCTORING OF EXAMS AT ANY LOCATION. HAWKES Developmental Math SOFTWARE. RECOMMENDED: FAMILIARITY WITH ETUDES.)

MATH 0851 4 units  
Beginning Algebra I  
Designed to increase student confidence in Mathematics. The extended time frame allows for more in-class work and additional discussion of special applications and problems of historical interest. Topics include simplifying algebraic expressions, solving one-variable linear equations, graphing linear equations in one and two variables and linear systems. Recommended for students who have never successfully completed an algebra course. (NDA) 
Prerequisite: MATH 0830 or qualification through assessment.

7140 TBA Odegard, B  INTRNET  
Meeting Dates: 08/17/15 - 12/17/15  
(7140 - MATH 0851 - Students enrolling in this course must have internet access and know how to use email. On the first day of class, 8/17/15, students should go to https://myetudes.org/portal to begin class. REQUIRED: TWO MEETINGS ON THE WEED CAMPUS; Midterm Exam will be 3:00-5:00 PM on Monday 10/19/15 in a room TBA and the final exam will be Monday, 12/14/15, 3:00-5:00 PM in a room TBA. REQUIRED: HAWKES INTERMEDIATE ALGEBRA SOFTWARE available at the COS Bookstore or www.hawkeslearning.com. Distance students who cannot come to campus for exams, see approval form for proctors at http://www.siskiyous.edu/class/math1050/odegard/ProctorRequestForm.pdf Online math courses are for students who learn math without difficulty. Recommended: Familiarity with Etudes.)

MATH 0852 4 units  
Beginning Algebra II  
The second semester of Beginning Algebra. Topics include factoring, radicals, polynomials, quadratic equations, and graphing parabolas. (NDA) 
Prerequisite: MATH 0851 or qualification through assessment.

7143 TBA Pompa, J  INTRNET  
Meeting Dates: 08/17/15 - 12/17/15  
(7143-MATH 0852-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information. On the first day of class students should go to https://myetudes.org/portal to begin class. REQUIRED: TWO MEETINGS ON WEED CAMPUS TO TAKE A MIDTERM EXAM AND A FINAL EXAM. THE MIDTERM WILL OCCUR DURING OCTOBER 2015 AND THE FINAL WILL OCCUR DURING DECEMBER 2015. THE EXACT DATES AND TIMES FOR THE MIDTERM AND THE FINAL EXAMS WILL BE ANNOUNCED ONCE THE SEMESTER BEGINS. THERE WILL NOT BE ANY PROCTORING OF EXAMS AT ANY LOCATION. ALSO REQUIRED: HAWKES DEVELOPMENTAL MATHEMATICS SOFTWARE and RECOMMEND: FAMILIARITY WITH ETUDES.)

7142 MW 09:00A-10:50A Pompa, J  TEMP  
Meeting Dates: 08/17/15 - 12/16/15  
30-101

7144 TR 09:30A-11:45A Broussard, K  MCCLD  
Meeting Dates: 08/18/15 - 12/17/15  
4-103
MATH 0980  4 units
Intermediate Algebra
This course is a study of algebra including real numbers, linear equations and inequalities, exponents, factoring, rational expressions, radicals, quadratic equations and functions. Emphasis is placed on manipulating literal equations, absolute value equations and inequalities, complex numbers, and systems of equations. (AA)
Prerequisites: MATH 0850 or MATH 0852 or qualification through assessment.

7148 TBA  Odegard, B  INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7148 - MATH 0980 - Students enrolling in this course must have internet access and know how to use email. On the first day of class, 8/17/15, students should go to https://myetudes.org/portal to begin class. REQUIRED: TWO MEETINGS ON THE WEED CAMPUS; Midterm Exam will be 1:00-3:00 PM on Monday 10/19/15 in a room TBA and the final exam will be Monday, 12/14/15, 1:00-3:00 PM in a room TBA. REQUIRED: HAWKES INTERMEDIATE ALGEBRA SOFTWARE available at the COS Bookstore or www.hawkeslearning.com. Distance students who cannot come to campus for exams, see approval form for proctors at http://www.siskiyous.edu/class/math1050/odegard/ProctorRequestForm.pdf Online math courses are for students who learn math without difficulty. Recommended: Familiarity with Etudes.)

7151 MTWR  08:00A-08:50A  Odegard, B  ESTC
Meeting Dates: 08/17/15 - 12/17/15

MATH 1050  5 units
Elementary Statistics
This course covers modern methods of gathering, summarizing, and analyzing data. Topics include descriptive statistics (binomial, normal, student-t, chi-square, and F distributions), measures of central tendency and dispersion, sampling, statistical inference, hypothesis testing, confidence intervals, regression and correlation analysis (for both single and multivariable), ANOVA applications, and nonparametric inference. Statistical use of calculations and computers are introduced. (AA, CSU, UC)
Prerequisite: MATH 0980 or qualification through assessment

7149 MTWRF  08:00A-08:50A  Pompa, J  TEMP
Meeting Dates: 08/17/15 - 12/17/15
30-101

MATH 1100  4 units
College Algebra
Topics include the real number system, radicals and rational exponents, linear and quadratic equations and inequalities, graphs and functions, polynomial and rational functions, exponential and logarithmic functions, systems of equations and inequalities, matrices, analytic geometry, and mathematical induction. The UC accepts transfer credit for either MATH 1200 or MATH 1100 but not both. (AA, CSU, UC)
Prerequisite: MATH 0980 or qualification through assessment.

7147 TR  03:30P-05:20P  Ferrel, G  RHSI
Meeting Dates: 08/18/15 - 12/17/15
1-123

Prerequisites, Corequisites, and Advisories
www.siskiyous.edu/policies/academic/bp4260.pdf

Prerequisites are requirements that a student must have to be eligible to enroll in certain courses. For example, you must complete MATH 0980 – Intermediate Algebra to be eligible for MATH 1050 – Elementary Statistics. When a course is listed as a prerequisite, the course must have been completed prior with a grade of “C” or better. When “qualification through assessment” is listed as a prerequisite, an assessment of your skills is made using multiple measures. The multiple measures will include completion of the COMPASS math and writing/reading assessment, as well as other measures of your readiness to successfully complete the course with the prerequisite. Some courses, such as music, may require instructor approval or an audition to meet the prerequisite.
### MATH 1200 5 units
Pre-Calculus
This course is preparation for Calculus including a review of college algebra, polynomials, rational functions, trigonometric functions and identities, and mathematical induction. Covers analytical and plane trigonometry. Analytical geometry includes basic formulas and conic sections. A maximum of 4 units of MATH 1200 can be counted for UC transfer credit. The UC accepts transfer credit for either MATH 1200 or MATH 1100 but not both. (AA, CSU, UC) 
Prerequisite: MATH 1100 or qualification through assessment.

### MATH 1400 5 units
Calculus and Analytic Geometry I
This course is the first of a sequence of three courses in Calculus and Analytic Geometry. Topics include a review of elementary functions, their limits, differentiation, applications of differentiation, integration, and applications of the definite integral. (AA, CSU, UC) 
Prerequisite: MATH 1200 or qualification through assessment.

#### MUS 1004 5 units
Fundamentals of Music
This course covers the basics of music theory including music notation, its history and development, keys, scales, intervals and an introduction to chords. It also provides ear training in the rhythmic and melodic areas of music. The student will learn to sight-read simple rhythms and melodies and to take rhythmic and melodic dictation. It is designed, in part, as a preparatory course for MUS 1101. (AA, CSU, UC) (C-ID: MUS 110) 
Prerequisite: MATH 0830 or qualification through assessment

MUS 1014  2 units  
Applied Music - Technique  
Specialized individual instruction for music students on their major focus. A weekly private lesson. Study of techniques and problems of performance. Study of scales, appropriate technical exercises and solo literature at the intermediate level. Performance in a recital each semester is required. This course is required for all instrumental music majors and minors and may be taken for credit a total of four times. (AA, CSU, UC)  
(C-ID: MUS 160)  
Prerequisite: Assessment by audition or completion of a previous semester of MUS 1014  
Corequisite: Presently registered in or have completed MUS 1004 or Music Theory, and be registered in two performance groups with faculty approval  

7308  F  11:00A-11:50A  Slabbinck, R  THEA  
Meeting Dates: 08/21/15 - 12/11/15  
(7308-MUS 1014-This course includes TBA hours for lessons and practice.)  

MUS 1025  1 unit  
Beginning Voice  
This course is designed to provide voice training for Music and Theatre majors and minors. Other students wishing to improve their singing voices are also welcome. All instrumental majors are required to take one year of Beginning Voice. MUS 1025 & 1525 are highly recommended for Theatre majors. (AA, CSU, UC)  

7301  MW  11:00A-11:50A  Slabbinck, R  THEA  
Meeting Dates: 08/17/15 - 12/16/15  

MUS 1035  1 unit  
Beginning Piano  
This course is the study of piano at the beginning level. The student may progress from the student's ability level and advance through two semesters of study. All music majors are required to play piano to satisfy qualifications for the degree in music. Non-music majors are also welcome. This course may be taken for credit a total of two times. (AA, CSU, UC)  

7303  MW  12:00P-12:50P  Choi, J  THEA  
Meeting Dates: 08/17/15 - 12/16/15  

7305  W  04:00P-05:50P  Choi, J  THEA  
Meeting Dates: 08/19/15 - 12/16/15  

MUS 1041  1.5 units  
Orchestra  
MUS 1041 is a full symphonic orchestra that seeks to understand and perform orchestral works from various periods and styles including Classical, Romantic, Modern and Contemporary. Various individual instrumental techniques will be explored and refined as well as ensemble techniques such as balance, blend, intonation and interpretation of performance markings. May be taken for credit a total of four times. (AA, CSU, UC)  

7316  M  07:00P-09:50P  Elliott, L  THEA  
Meeting Dates: 08/17/15 - 12/14/15  

MUS 1105  1.5 units  
Concert Choir  
This course includes the study and performance of standard choral literature. Music from the 16th Century to the modern will be prepared for public performance. May be taken for credit a total of four times. (AA, CSU, UC)  

7310  W  07:00P-09:50P  Slabbinck, R  THEA  
Meeting Dates: 08/19/15 - 12/16/15  

MUS 1111  1.5 units  
Concert Band  
This is a large concert band rehearsing and performing concert band literature. The group will make several public performances and is open to all instrumentalists. May be taken for credit a total of four times. (AA, CSU, UC)  
(7319-MUS 1111-This course will alternate locations between Yreka and Weed. The first class will be held at Yreka High School.)  

7319  T  07:00P-09:50P  McKee, B  THEA  
Meeting Dates: 08/18/15 - 12/15/15  

MUS 1131  3 units  
Music Appreciation  
This is an introductory course to arouse the student's interest in classical music and teach the student to respond intelligently to the great works which constitute our musical heritage. MUS 1131 will include the study of the materials of music and performing mediums, and a brief study of important compositions by famous composers of the Medieval, Baroque, Classical, Romantic, and Modern periods. (AA, CSU, UC) (C-ID: MUS 100)  
Advisory: ENGL 0900 or ENGL 0950  

7307  MWF  10:00A-10:50A  Slabbinck, R  THEA  
Meeting Dates: 08/17/15 - 12/16/15  

MUS 1234  3 units  
Diversity in American Music  
Students will learn how music helped various cultures and cultural elements persevere through adversity. Students will examine various types of music from the various cultures of America. The contributions of these cultures to the development of various musical styles will be studied with an emphasis on the oppression of certain cultures and the dominance of others. (AA, CSU, UC)  
Advisory: ENGL 1001 or qualification through assessment  

7318  TBA  Slabbinck, R  INTNET  
(7318-MUS 1234-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
MUS 1507 1.5 units
Chamber Singers
A select choral ensemble of experienced singers who will perform at various college and community functions. Repertoire includes folk songs, madrigals, spirituals, and additional music, all of which require more advanced singing ability than is expected in MUS 1105. (AA, CSU, UC)

7314 TR 12:30P-01:45P Slabbincck, R THEA
Meeting Dates: 08/18/15 - 12/17/15 2

MUS 1512 2 units
Vocal Jazz Ensemble
A prolific performing ensemble designed to enable the students to advance in the genre of vocal jazz. Stylistic understanding and appreciation of the organization, training procedures, arranging, staging, and other phases of ensemble work will be emphasized. Vocal improvisation will be explored as well. Music performed will consist of jazz, jazz rock, top 40, and pop materials. May be taken for credit a total of four times. (AA, CSU, UC)
Prerequisite: Assessment by audition; a solo audition with the instructor to review the student's basic skills in sight reading and stylistic interpretation
Advisory: MUS 1004, MUS 1105, or MUS 1507

7312 MW 01:00P-02:50P Slabbincck, R THEA
Meeting Dates: 08/17/15 - 12/16/15 2

MUS 1525 1 unit
Beginning Voice II
This course is designed to provide voice training for Music and Theater majors and minors in the music of Broadway musicals. Other students wishing to improve their singing voice are also welcome. All instrumental and vocal music majors are required to complete this course. MUS 1025 and 1525 are highly recommended for theater majors and are required for all music majors. (AA,CSU,UC)
Prerequisite: MUS 1025

7302 MW 11:00A-11:50A Slabbincck, R THEA
Meeting Dates: 08/17/15 - 12/16/15 2

MUS 1535 1 unit
Intermediate Piano
Topics include: technique articulation interpretation and styles. Study of musical pieces from standard piano repertoire of early intermediate through advanced level, depending on students’ skills and prior experience. (AA, CSU, UC)
Prerequisite: Two semesters of MUS 1035 (Beginning Piano) or consent of instructor

7304 MW 12:00P-12:50P Choi, J THEA
Meeting Dates: 08/17/15 - 12/16/15 3

7306 W 04:00P-05:50P Choi, J THEA
Meeting Dates: 08/19/15 - 12/16/15 3

MUS 1633 3 units
Survey of Jazz and Popular Music
MUS 1633 studies the development of jazz and popular music based on musical and sociocultural influences. The historical roots of American popular music will be examined and explored. The course begins by studying the source material for popular music and then explores each genre beginning with the Blues, Jazz, Rock, Country and Rap in nearly every form. (AA, CSU, UC)
Advisory: ENGL 0900 or qualification through assessment

7322 TBA Abel, S INTNET
Meeting Dates: 09/14/15 - 12/17/15
(7322-MUS 1633-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

MUS 2101 4 units
Music Theory III
Prerequisite: MUS 1601

7331 MTWRF 09:00A-09:50A Elliott, L THEA
Meeting Dates: 08/17/15 - 12/17/15 3

MUS 2523 2 units
Applied Music - Literature
This course includes specialized individual instruction for music majors on their major focus instrument or voice through a weekly one-hour private lesson. The study of appropriate literature from all relevant eras of music history including the Baroque, Classical, Romantic and Modern will be covered through subsequent semesters. Performance in a recital each semester is required. May be taken for credit a total of four times. (AA, CSU, UC)
Prerequisite: Completion of four semesters of MUS 1014 - Technique
Corequisite: Co-enrollment in MUS 1101 or 1004, and a performance group or completion of MUS 1101 and a performance group

7309 F 11:00A-11:50A Slabbincck, R THEA
Meeting Dates: 08/21/15 - 12/11/15 2
(7309-MUS 2523-This course includes TBA hours for lessons and practice.)
NURSING

NURS 0851  0.5 units
Clinical Skills Practice I
This course provides additional lab time for skills practice in a supervised setting. It provides an opportunity for the student to prepare for skills testing, skills remediation, updating of skills, and refinement of skills as the student progresses toward program completion. (NDA)

Medical Terminology
This course introduces the student to the fundamentals of medical word building as well as terms related to specific body systems. Emphasis is placed upon pronunciation, spelling, anatomical, pathological, surgical, and diagnostic terminology. This course is designed for pre-nursing students, health care clerical support staff, nursing assistants, and others desiring a basic knowledge of medical terminology and how the body works. (AA, CSU)

7279 TBA Harmse, J INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7279-NURS 1045-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

NURS 1047 2 units
Career Pathways in Health I
This is the first of two courses that introduce students to the various aspects of the health care industry. Students will have the opportunity to explore a number of health related disciplines, practice associated entry level skills, and compare educational requirements and job opportunities. On completion of the course, students will have learned to make informed health, educational, and career choices. (AA, CSU)

7367 MW 08:00A-09:30A TBA SCIENCE
Meeting Dates: 09/02/15 - 12/16/15

PHYSICAL EDUCATION/KINESIOLOGY

PEAC 1004 1 unit
Beginning Basketball
This course is in beginning basketball skills. Shooting, free throw, rebounding, and defensive techniques will be developed through competitive group and individualized situations. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

7364 MWF 10:00A-10:50A Collier, N GYM
Meeting Dates: 08/17/15 - 12/16/15

PEAC 1104 1 unit
Intermediate Basketball
This course is in intermediate basketball skills. Simulated offensive and defensive situations will be incorporated into shooting, free throw, rebounding, offensive and defensive techniques. These will be developed through competitive group situations. UC transfer credit limitations. See course catalog. (AA, CSU, UC)
Prerequisite: PEAC 1004

7365 MWF 10:00A-10:50A Collier, N GYM
Meeting Dates: 08/17/15 - 12/16/15

PHYSICAL EDUCATION/FITNESS

PEFI 1002 1 unit
Beginning Circuit Weight Training
This course is designed to promote physical fitness through circuit weight training. The components of physical fitness and risk factor analysis will be examined. Fitness assessments will be used to examine fitness levels. Participation in a weekly circuit training program is required. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

7171 MWF 08:00A-08:50A Frisbie, T GYM
Meeting Dates: 08/17/15 - 12/16/15

Meeting Dates: 08/17/15 - 12/16/15

7169 TR 12:30P-01:45P Hefflinger, W WTROOM
Meeting Dates: 08/17/15 - 12/16/15

7185 TR 11:00A-12:15P Collier, N WTROOM
Meeting Dates: 08/18/15 - 12/17/15

7173 TR 12:30P-01:45P TBA YBLDG2
Meeting Dates: 08/18/15 - 12/17/15
Beginning Cardio-respiratory Fitness
This course provides an introductory approach to cardiovascular training programs utilizing traditional methods and equipment including stationary cycling, step aerobics, elliptical machines, treadmills, walking, and jogging to increase cardio-respiratory fitness and efficiency. The principles and methods of cardio-respiratory fitness will be examined. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

Meeting Dates: 08/17/15 - 12/16/15

Beginning Yoga
This course is designed to develop physical/mental flexibility, strength, and stress management techniques using a mind/body approach. This course will emphasize diaphragmatic breathing techniques and positions used for beginning students. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

Meeting Dates: 08/17/15 - 12/17/15

Beginning Body Sculpting
Body sculpting is an integrated approach to fitness that focuses on developing the muscular system. This course is designed to increase strength, balance, core strength, and flexibility. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

Meeting Dates: 08/17/15 - 12/17/15

Adaptive Physical Education
This course is designed to provide a safe and appropriate environment in which a person with disabilities can learn physical education concepts and develop physical skills. Additionally, this course helps a student maximize knowledge and abilities within the context of his or her individual circumstances. This course may be taken for credit a total of four times. (AA, CSU, UC)

Meeting Dates: 08/17/15 - 12/17/15

Physical Fitness Lab
This course is designed to provide students with the principles and methodologies necessary to developing and maintaining personal fitness. The concepts of physical fitness: cardio-respiratory fitness, muscular strength and endurance, flexibility, body composition and risk factor analysis and management will be examined. Fitness assessments will be used to examine fitness levels and develop a fitness plan. Participation in a weekly fitness program is required. (AA, CSU, UC)

Meeting Dates: 08/17/15 - 12/17/15

(7182-PEFI 1035-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
Intermediate Circuit Weight Training 1 unit
This is an intermediate course in circuit weight training. This course is designed to increase overall physical fitness through circuit training. This course will focus on aerobic training and muscular endurance strength training using circuit training principles. This course will also focus on body composition analysis and improvement. UC transfer credit limitations. See course catalog. (AA, CSU, UC)
Prerequisite: PEFI 1002

Meeting Dates: 08/18/15 - 12/17/15

7174  TR  12:30P-01:45P  TBA YBLDG2
Meeting Dates: 08/18/15 - 12/17/15

Intermediate Cardiovascular Fitness 1 unit
This course provides an intermediate approach to cardiovascular training programs utilizing traditional and non-traditional methods and equipment including but not limited to stationary cycling, aerobic dance, step aerobics, elliptical machines, treadmills, jogging, running, jump rope, ladders, dot drills, balls, cylinders, and unstable bases to increase cardio respiratory fitness and efficiency. The principles and methods of cardio respiratory fitness will be examined. UC transfer credit limitations. See course catalog. (AA, CSU, UC)
Prerequisites: PEFI 1008

7176  MWF  11:00A-11:50A  Patterson, T GYM
Meeting Dates: 08/17/15 - 12/16/15

Intermediate Body Sculpting 1 unit
Intermediate body sculpting is an integrated approach to fitness that focuses on developing the muscular system. This course is designed to increase strength, balance, core strength, and flexibility. Dumbbells, medicine balls, stability balls, bands, and a variety of floor exercises will be used in conjunction with proper breathing, posture, and muscle awareness to increase overall fitness levels. UC transfer credit limitations. See course catalog. (AA, CSU, UC)
Prerequisite: PEFI 1025

7178  TWR  06:00P-06:50P  TBA GYM
Meeting Dates: 08/18/15 - 12/17/15

7180  TR  04:30P-05:45P  TBA YBLDG2
Meeting Dates: 08/18/15 - 12/17/15

Intermediate Yoga 1 unit
This intermediate yoga course is designed to develop physical/mental flexibility, strength, and stress management techniques using a mind/body approach. This course will emphasize diaphragmatic breathing techniques and positions used for the intermediate yoga students. This course is a step up in intensity from our beginning yoga course and students must have a baseline level of ability in order to be successful. UC transfer credit limitations. See course catalog. (AA, CSU, UC)
Prerequisite: PEFI 1039

7188  TR  09:30A-10:45A  Patterson, T GYM
Meeting Dates: 08/18/15 - 12/17/15

7192  TR  06:00P-07:15P  Patterson, T YBLDG2
Meeting Dates: 08/18/15 - 12/17/15

7324  TR  11:00A-12:15P  Patterson, T GYM
Meeting Dates: 08/18/15 - 12/17/15

Intermediate Walking for Fitness 1 unit
This course is designed to help students acquire an understanding of the benefits of an intermediate, more vigorous walking for fitness program. This course focuses on the continued development and maintenance of cardio respiratory fitness, weight control, and life-long fitness. This walking course will incorporate the use of a variety of settings and techniques in order to increase the workload for the students. UC transfer credit limitations. See course catalog. (AA, CSU, UC)
Prerequisite: PEFI 1044

7194  MWF  11:00A-12:15P  Hefflinger, H GYMFO Y
Meeting Dates: 08/18/15 - 11/06/15

PHYSICAL EDUCATION

MAJOR/ATHLETICS

PEMA 1006  1.5 units
Men's Varsity Basketball
This course is the theory and practice of basketball, including intercollegiate competition. May be taken for credit a total of four times. (AA, CSU, UC)

7196  MTWRF  04:30P-06:20P  Heath, K GYM
Meeting Dates: 08/17/15 - 12/17/15

PEMA 1008  3 units
Men's Varsity Football
The theory and practice of football is covered, including intercollegiate competition. May be taken for credit a total of three times. (AA, CSU, UC)

7197  MTWRF  02:00P-03:50P  Roche, C FOOTBL
Meeting Dates: 08/17/15 - 12/17/15
PEMA 1011 3 units
Varsity Cross Country (Coed)
A course for beginning, intermediate, and advanced level distance runners. Trail running, conditioning, strength training, psychological peak performance, nutrition, race tactics, running physiology and injury prevention are included. Participation in intercollegiate competition is included. May be taken for credit a total of three times. (AA,CSU,UC)

7198 MTWRF 04:00P-05:50P Svilich, B TRACK
Meeting Dates: 08/17/15 - 12/17/15

PEMA 1014 1.5 units
Women's Varsity Basketball
This course is the theory and practice of basketball, including intercollegiate competition. May be taken for credit a total of four times. (AA, CSU, UC)

7199 TBA 02:30P-04:20P Powers, T GYM
Meeting Dates: 08/17/15 - 12/17/15

PEMA 1015 3 units
Women's Varsity Volleyball
The theory and practice of volleyball is covered and includes intercollegiate competition (open to varsity team candidates, with practice held daily). May be taken for credit a total of three times. (AA, CSU, UC)

7200 MTWRF 12:30P-02:20P Powers, T GYM
Meeting Dates: 08/17/15 - 12/17/15

PEMA 1030 3 units
Principles of Physical Fitness and Wellness
An introduction course in the principles of physical fitness and wellness. This course includes sections on the foundations of physical fitness, fitness assessment and evaluation, fitness programming, weight management, nutrition, stress management, and an introduction to dimensions of wellness. (AA, CSU, UC)

7030 TBA Frisbie, T INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7030-PEMA 1030-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

PEMA 1031 3 units
Sports Officiating
This course includes rules, mechanics and officiating procedures in sports found in intercollegiate, interscholastic, and intramural programs. Practical experience in officiating will be provided. (AA, CSU, UC)

7201 U 01:00P-03:50P Powers, T SCIENC
Meeting Dates: 08/23/15 - 12/13/15 7-110

PEMA 1034 3 units
Introduction to Kinesiology
This course is an introduction to the interdisciplinary approach to the study of human movement. An overview of the importance of the sub-disciplines in kinesiology will be discussed along with career opportunities in the areas of teaching, coaching, allied health, and fitness professions. (AA, CSU)

7031 TBA Hefflinger, H INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7031-PEMA 1034-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

PEMA 1036 1.5 units
Clinical Experience in Athletic Training I
This course is designed to give students clinical experience in injury/illness prevention, first aid and procedures for both open and closed wounds, preventative taping and wrapping techniques, and medical documentation techniques. (AA, CSU, UC)

7202 TR 09:00A-10:50A Lininger, K ATF
Meeting Dates: 08/18/15 - 12/17/15

PEMA 1106 1.5 units
Off-Season Men's Varsity Basketball
Designed for athletic team candidates in an off-season program. Includes sport-specific training with the purpose of developing areas of individual weaknesses. Students who repeat this course will improve skills through further instruction and practice. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

7203 TBA Heath, K GYM
Meeting Dates: 08/17/15 - 12/17/15

PEMA 1107 3 units
Off-Season Men's Varsity Baseball
Designed for athletic team candidates in an off-season program. Includes sport-specific training with the purpose of developing areas of individual weaknesses. Students who repeat this course will improve skills through further instruction and practice. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

7204 MTWRF 02:00P-03:50P Hefflinger, W BASEBL
Meeting Dates: 08/17/15 - 12/17/15

PEMA 1108 1.5 units
Off-Season Men's Varsity Football
Designed for athletic team candidates in an off-season program. Includes sport-specific training with the purpose of developing areas of individual weaknesses. Students who repeat this course will improve skills through further instruction and practice. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

7205 TWRS 06:00A-07:50A Roche, C WTROOM
Meeting Dates: 08/18/15 - 12/17/15
PEMA 1110 0.5 units
Off-Season Varsity Track
Designed for athletic team candidates in an off-season program. Includes sport-specific training with the purpose of developing areas of individual weaknesses. Students who repeat this course will improve skills through further instruction and practice. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

7206 MTWRF 04:00P-05:50P Courtemanche, L TRACK
Meeting Dates: 08/17/15 - 12/17/15

PEMA 1114 0.5 units
Off-Season Women’s Varsity Basketball
Designed for athletic team candidates in an off-season program. Includes sport-specific training with the purpose of developing areas of individual weaknesses. Students who repeat this course will improve skills through further instruction and practice. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

7207 TBA Powers, T GYM
Meeting Dates: 08/17/15 - 12/17/15

PEMA 1116 3 units
Off-Season Varsity Softball
Designed for athletic team candidates in an off-season program. Includes sport-specific training with the purpose of developing areas of individual weaknesses. Students who repeat this course will improve skills through further instruction and practice. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

7208 MTWRF 03:00P-04:50P Cox, J SOFTBL
Meeting Dates: 08/17/15 - 12/17/15

PHILOSOPHY

PHIL 1001 3 units
Introduction to Philosophy
This class introduces students to major Western philosophical issues and methodologies. It is a chronological presentation of archetypical philosophers' thought concerning knowledge, reality and values. Topics include the sources and limits of knowledge, the nature of reality and self, and examination of fundamental beliefs about ethics, religion, science, language, art, society, politics, and the meaning of life. (AA, CSU, UC)

7253 W 06:00P-08:50P Pentrack, J DLC
Meeting Dates: 08/19/15 - 12/16/15

7270 W 06:00P-08:50P Pentrack, J RHSI
Meeting Dates: 08/19/15 - 12/16/15

(7253/7270-PHIL 1001-This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)

PHIL 1003 3 units
Ethics
This course is an examination of the basic concepts of morality and values, representative ethical theories and their application to important contemporary moral problems. Topics may include abortion, suicide, euthanasia, gun control, homosexuality, affirmative action, capital punishment, cloning humans and other biotech issues, the war on drugs, terrorism and our responsibilities to the environment. (AA,CSU,UC)
Advisory: ENGL 1001

7254 TBA Ackerman, S INTNET
Meeting Dates: 08/17/15 - 12/17/15

PHIL 1020 3 units
World Religions: Western Cultures
Introduction to the monotheistic religious traditions of the West and how they relate to culture and social life. Includes the history and teaching of Judaism, Christianity and Islam. (AA,CSU,UC)
Advisory: ENGL 1001.

7290 TBA Kealey, D INTNET
Meeting Dates: 08/17/15 - 12/17/15

PHYSICS

PHYS 1010 3 units
Conceptual Physics
A non-mathematical general education science lecture course. Topics include: Newtonian mechanics, heat, oscillations and waves, electricity, magnetism, properties of matter, and light. The emphasis of the class is to better understand the physics of everyday phenomena. Not intended for science majors or students who have completed high school physics. (AA, CSU, UC)

7097 TR 09:30A-10:45A Read, M SCIENC
Meeting Dates: 08/18/15 - 12/17/15

63
PHYS 1105 4.5 units
General Physics I
An introduction to the structure and language of physics through the study of mechanics, oscillatory motion, waves and fluid mechanics. Emphasis is given to life science and medical applications of physics. "UC transfer credit is granted for either the PHYS 1105 and 1110 series or the PHYS 2105, 2110, and 2115 series." (AA, CSU, UC) (C-ID: PHYS 105)
Prerequisite: MATH 1100 or qualification through assessment.
Advisory: High School Trigonometry.

7044 MWF 10:00A-11:50A Read, M SCIENC 7-212
MW 02:00P-02:50P SCIENC 7-212
Meeting Dates: 08/17/15 - 12/16/15

PHYS 2105 4.5 units
Mechanical Physics, Oscillations, and Waves
The fundamental principles of mechanics are treated within the mathematical framework of elementary differential and integral calculus. Vectors, Newton's Laws of Motion, particle dynamics, work and energy, conservation laws, rotational motion, rotational dynamics, mechanical oscillations, gravitation, fluid statics and fluid dynamics, oscillations, and wave motion are discussed. "UC transfer credit is granted for either the PHYS 1105 and 1110 series or the PHYS 2105, 2110, and 2115 series." Lab. (AA, CSU, UC) (C-ID: PHYS 205)
Corequisite: MATH 1400.

7045 MWF 10:00A-11:50A Read, M SCIENC 7-212
MW 02:00P-02:50P SCIENC 7-212
Meeting Dates: 08/17/15 - 12/16/15

PSYCHOLOGY

PSY 1001 3 units
General Psychology
This is a basic course introducing psychology as the scientific study of behavior and mental processes through the exploration of major theories and concepts, methods, and research findings. Topics include biological bases of behavior, sensation & perception, cognition, learning, emotion & motivation, development, personality, social psychology, psychological disorders and therapies, and applied psychology. (AA, CSU, UC)
Advisory: ENGL 1001

7255 TBA Ackerman, S INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7255-PSY 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

7325 TBA Pautz, M INTNET
Meeting Dates: 09/14/15 - 12/17/15
(7325-PSY 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

7040 MWF 10:00A-10:50A Collins, H SCIENC 7-110
7269 R 06:00P-08:50P Freeze, K RHSI 1-123
Meeting Dates: 08/17/15 - 12/16/15

PSY 1003 3 units
Social Psychology
This is a basic course in social psychology that explores how people think about, influence, and relate to one another. The effects of personality, culture, evolution, and situational factors on social behavior will be explored. Appropriate concepts, theories, findings, and research methods will be utilized. Concepts will be applied to contemporary social situations. (AA,CSU,UC) (C-ID: PSY 170)
Advisory: ENGL 0900

7326 TBA Collins, H INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7326-PSY 1003-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

POLITICAL SCIENCE

POLS 1001 3 units
American Government: National, State, and Local
This introductory course explores the origins, foundations and development of the federal and California state governments and examines their institutions, political processes, and their functions. (AA, CSU, UC)
Advisory: ENGL 1001.

7093 TR 09:30A-10:45A Ismail, A DLC
Meeting Dates: 08/18/15 - 12/17/15
7280 TR 09:30A-10:45A Ismail, A RHSI
Meeting Dates: 08/18/15 - 12/17/15
(7093/7280-POLS 1001-This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)

7284 TBA Ismail, A INTNET
Meeting Dates: 08/17/15 - 12/17/15
(7284-POLS 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
### SOCIAL SCIENCE (SOCIOLOGY)

**SOC 1001**  
**Introduction to Sociology**  
An introduction to the study of Sociology including its basic concepts, theories, and methods. Topics include analysis and explanations of different social systems, cultures, socialization, deviance, groups, social stratification, race, gender, minorities, and the family. (AA, CSU, UC) (C-ID: SOCI 110)  
Advisory: ENGL 0900 or ENGL 0950

**SOC 1002**  
**Social Problems**  
Introduction and analysis of social problems as they relate to the family, religion, political systems, medicine and health, science, population and over-population, economics of social systems, social change and collective behavior. Utilizing the problem approach the course will blend social science perspectives as they relate to power, wealth, scarcity and social change. (AA,CSU,UC) (C-ID: SOCI 115)  
Advisory: ENGL 1001.

### THEATRE ARTS

**THEA 1001**  
**Rehearsal and Performance**  
This course provides a workshop training experience in the preparation and performance of a theatrical production. Actors audition with the director for acting roles. Students interested in technical work interview for backstage positions in stage management, crewing, set construction, costumes and makeup, lighting and sound, box office and publicity. This course may be taken for credit a total of four times. (AA, CSU, UC)

**THEA 1002**  
**Performance I**  
This course provides a workshop training experience in the preparation and performance of a theatrical production. Actors audition with the director for acting roles. Students interested in technical work interview for backstage positions in stage management, crewing, set construction, costumes and makeup, lighting and sound, box office and publicity. This course may be taken for credit a total of four times. (AA, CSU, UC)
THEA 1100 3 units
Principles of Acting
This course covers the fundamental techniques and terminology of acting through physical and vocal expression. Emphasis is placed on characterization as developed through improvisation, vocal exercises, intention exercises, and awareness of body acting centers. (AA, CSU, UC) (C-ID: THTR 151)
Advisory: ENGL 0950

7057 MWF 12:00P-12:50P Carpentier-Alting, N
THEA Meeting Dates: 08/17/15 - 12/16/15

THEA 1150 3 units
Stage Makeup
This course is an introduction to the basic techniques and philosophies concerning the effective application of theatrical makeup. The objective of this course is to give the student a practical, working knowledge of the principles of highlighting, shadowing, and contouring the human face with makeup in a workshop environment. Explorations into the basic techniques involved in working with crepe hair, and various three-dimensional processes shall also be undertaken. (AA, CSU) Advisory: ENGL 0950.

7100 TR 12:30P-01:45P Swingle, S
THEA Meeting Dates: 08/18/15 - 12/17/15

THEA 1200 3 units
Intermediate Principles of Acting
This course provides the student an opportunity to develop and intensify acting skills through scene work performed in class. The student will be introduced to the process of analyzing a character as well as the acting styles of various historical periods. This course may be taken for credit a total of three times. (AA, CSU, UC)

7380 MWF 12:00P-12:50P Carpentier-Alting, N
THEA Meeting Dates: 08/17/15 - 12/16/15

THEA 2000 3 units
Introduction to Theatre
This is a course intended for both majors and non-majors. Introduction to Theatre is a survey of theatre, including basic elements and principles of production, styles, and/or historical perspectives of theatre, dramatic literature, and criticism. (AA, CSU, UC) (C-ID: THTR 111)
Advisory: ENGL 0900 or ENGL 0950

7015 TBA Swingle, S
INTNET Meeting Dates: 08/17/15 - 12/17/15
(7015-THEA 2000-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

WELDING

WELD 0957 3 units
Power Plant and Field Pipe Welding I
This is an intermediate course designed to prepare students in power plant and field welding. This course includes shop safety, oxyacetylene cutting, air carbon arc cutting, shielded metal arc welding, and pipe welding. Students are required to furnish their own safety glasses and gloves. (AA, CSU)
Prerequisite: WELD 1102.

7251 R 09:00A-03:50P Phillips, R
ITECH Meeting Dates: 08/20/15 - 12/17/15

WELD 1101 3 units
Beginning Welding
This is a beginning welding course designed for the student interested in acquiring basic welding skills to be used in trade or service occupation. Emphasis is placed on arc welding in the flat and horizontal positions. Students are required to furnish their own safety glasses and gloves. (AA, CSU)

7246 M 09:00A-03:50P Krooms, A
ITECH Meeting Dates: 08/17/15 - 12/17/15

7247 MW 06:00P-08:50P Wallace, T
ITECH Meeting Dates: 08/17/15 - 12/16/15

WELD 1102 3 units
Advanced Welding
This is an advanced welding course designed for the student interested in acquiring the essential welding skills necessary to function in a trade or service occupation. Emphasis is placed on oxy-acetylene cutting and arc welding in the vertical and overhead position. Students are required to furnish their own safety glasses and gloves. (AA, CSU)

7248 T 09:00A-03:50P Phillips, R
ITECH Meeting Dates: 08/18/15 - 12/15/15

WELD 1104 3 units
Gas Metal Arc Welding
This is a beginning course designed for students interested in acquiring the essential welding skills necessary to function in a trade or service occupation. Emphasis is placed on machine setting wire, weld joints, and position. Students are required to furnish their own safety glasses and gloves. This course may be taken for credit a total of two times. (AA, CSU)

7249 T 09:00A-03:50P Phillips, R
ITECH Meeting Dates: 08/18/15 - 12/15/15
WELD 1105 3 units
Gas Tungsten - Arc Welding
This is an advanced welding course designed for the student interested in acquiring basic welding skills to be used in a trade or service occupation. Emphasis is placed on Gas Tungson Arc Welding. Students are required to furnish their own safety glasses and gloves. (AA, CSU)

7250 W 09:00A-03:50P Krooms, A ITECH
Meeting Dates: 08/19/15 - 12/16/15

WELD 2101 3 units
Weld Qualification
This course is designed for the student seeking employment as a qualified production welder. The student can qualify in plate to the appropriate code in the F.C.A.W., G.M.A.W., G.T.A.W., and S.M.A.W. processes. This course may be taken for credit a total of two times. (AA, CSU)
Prerequisite: WELD 1102 or the equivalent.

7252 R 09:00A-03:50P Phillips, R ITECH
Meeting Dates: 08/20/15 - 12/17/15

FALL EXTENSION CLASSES

FITNESS & WELL-BEING

XFW 0303 0 units
Dance for Fun and Fitness
Students will learn to use various forms of Social Dancing, including Foxtrot and Swing, to increase fitness through dance with music from the 40s and 50s. Discover the fun of this weight-bearing, calorie burning exercise and increase your stamina and mental alertness. Students of all abilities are encouraged to enroll. (NDA)

7361 TBA Valdez, R GYM
Meeting Dates: 08/17/15 - 12/17/15
Additional Fee $55
(7361-XFW 0303-Days and times will be posted in the online searchable schedule when available.)

XFW 0320 0 units
Belly Dancing I
Includes warm-ups and technique, all levels welcome. (NDA)

7358 M 05:30P-06:50P Mannion, D THEA
Meeting Dates: 09/14/15 - 11/23/15
Additional Fee $30

XFW 0333 0 units
Community Fitness Workout
This course provides an organized workout consisting of a weight circuit, group calisthenics, core work, and stretching. (NDA)

7363 MWF 04:30P-05:20P Read, M WTROOM
Meeting Dates: 08/17/15 - 12/11/15
Additional Fee $80

THEATRE ARTS

XMT 0316 0 units
Senior Theatre Production
Rehearsal and performance of a community theatre production. Students will participate as actors, writers, and/or technicians. The process includes auditioning, rehearsing, developing characters, directing, and performing in COS theatre productions. (NDA)

7362 MW 03:15P-04:45P Grabowski, S THEA
Meeting Dates: 09/02/15 - 12/09/15
Additional Fee $75
COLLEGE POLICIES

Smoking
The Board of Trustees of College of the Siskiyous has established Board Policy which states that smoking and use of smokeless tobacco are prohibited in all campus buildings. Smoking is allowed inside personal vehicles and in designated outdoor areas only. Electronic cigarettes are to be used outdoors and 35 feet or more from building doors, windows, and air intakes.

Academic Accommodations
Students with a disability or condition that requires special accommodation or assistance, please contact the ADA and Learning Services/DSPS Coordinator in Eddy Hall 1, 530.938.5297.

Student-Right-to-Know (SRTK)
For information about College of the Siskiyous most recent Student-Right-to-Know (SRTK) completion and transfer rates, visit our official SRTK website at http://srtk.cccco.edu/index.asp For full disclosure of all available SRTK information, visit the California Community College’s Chancellor’s Office website at http://www.cccco.edu/

Sexual Harassment
Every student has the right to learn and study in a learning environment which is free from harassment. College of the Siskiyous prohibits sexual harassment which is an illegal form of sexual discrimination and a violation of professional ethics. Sexual harassment is defined as unwanted sexual advances, or visual, verbal or physical conduct of a sexual nature. This definition includes many forms of offensive behavior and includes gender-based harassment of a person of the same sex. The following is a partial list of harassing behavior:
• offering employment benefits in exchange for sexual favors.
• making or threatening reprisals after a negative response to sexual advances.
• leering, making sexual gestures, displaying of sexually suggestive objects or pictures, cartoons or posters.
• making or using derogatory comments, epithets, slurs, and jokes.
• sexual propositions.
• verbal abuse of a sexual nature, graphic verbal commentaries about an individual’s body, sexually degrading words used to describe an individual, suggestive or obscene letters, notes, or invitations.
• unwanted touching, assault, impeding or blocking movements.

How the Law is Enforced
Employees, job applicants, or students who believe they have been sexually harassed may within one year of the harassment, file a complaint of discrimination with the College’s Affirmative Action Office, the California Department of Fair Employment and Housing, or the Office of Civil Rights.

Attempts must be made to resolve the issue informally. A college counselor, advisor, or instructor may assist in outlining options and making referrals before pursuing the formal complaint process.

COS is committed to a Drug-and-Alcohol-Free Campus
The abuse of illicit drugs and alcohol disrupts classes, compromises our physical and mental health, subjects us to criminal penalties, and impairs our ability to benefit from the learning experience. Therefore, the faculty, staff, and administrators of College of the Siskiyous ask you to support the creation of a drug and alcohol free learning environment by knowing and making others aware of college policies and the substantial health and legal consequences of abuse.

District Policy
Siskiyou Joint Community College District Policy states that the District “. . . is committed to maintaining a drug free workplace,” in accordance with the requirements of the U.S. Drug-Free Workplace Act of 1988. The college is also committed to a drug and alcohol free college environment for students and employees in accordance with the requirements of the Drug-Free Schools and Community Act Amendment of 1989.

Legal Sanctions
It is unlawful to manufacture, distribute, dispense, possess or use illicit drugs and alcohol on the college premises.

If you abuse drugs on campus, or appear on campus or at a college-sponsored function under the influence of drugs or alcohol, you can be suspended, expelled, and/or criminally prosecuted. State and Federal sanctions include fines up to $100,000 and up to 20 years in prison.
We ask our staff to assist us in keeping our campus environment safe. Please report all incidents to Doug Haugen, Director of Student Life at 530.938.5374.

Campus Alerts
Students are strongly recommended to sign up to receive emergency alerts from the College through our Everbridge service. You can also receive other COS updates through this service. Choose to receive these via text or email. Create an account online using the Everbridge Portal available on the COS homepage in the bottom right corner.

Privacy Rights of Students
(see COS web page link http://www.siskiyous.edu/apply/registration.htm)

College of the Siskiyous observes the provisions of the Family Education Rights and Privacy Act as amended in 1974 as follows:

1. Educational records are not released to any individual or agency without written consent of the student.
2. The College Registrar has been designated “Records Officer” as required by the Act.
3. Students have a right to review their educational records to determine accuracy. Official requests for such review should be made, in writing, to the Enrollment Services Office at least three working days in advance.
4. Students have a right to challenge the accuracy of their educational records. There is a process established to resolve issues related to the accuracy of educational records. Please refer to the Student Handbook for more information. Handbooks are available at the Student Life Office.
5. The College may release certain types of “Directory Information” unless the student requests in writing to the “Records Officer” that certain or all such information not be released without his/her consent. “Directory Information” at College of the Siskiyous includes: 1) Student name and address, 2) Student schedule of classes, 3) Participation in officially recognized activities and sports. In addition to the above stated “Directory Information,” the College may also report student name, address, telephone number, date of birth, level of education and major to the Federal government, including military recruiting agencies in accordance with Public Law 104-206 and 104-208 (Solomon Amendment).
6. Student consent is needed for the release of any non-directory information/records covered by the Act to outside parties. College officials and faculty, with a legitimate interest in the student, have access under the law to the educational records of students.

A copy of the College Policy—Student Records and Directory Information, is available for review and inspection in the Registrar’s Office.
Policy of Nondiscrimination

Non-Discrimination Statement
The District will provide access to its services, classes and programs without regard to national origin, religion, race, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics. (Board Policy 3410 and Administrative Procedure 3410)

In conformance with the requirements of Title II of the Education Amendments of 1976 amending the Vocational Education Act of 1963, the College is committed to overcoming sex discrimination and sex stereotyping in Vocational Education programs. In compliance with the Age Discrimination in Employment Act of 1967, the College does not discriminate against employees or applicants for employment on the basis of age. In compliance with Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973, the College has given the following individual responsibility for ensuring equal opportunity:

Equal Employment Officer:
Nancy Miller, 800 College Ave., Weed, CA 96094
530.938.5317, Human Resources.

Gender Equity Coordinator:
Nancy Miller, 800 College Ave., Weed, CA 96094
530.938.5317, Human Resources.

Alumni Association
College of the Siskiyous has served students since 1957, students now found throughout the world. COS alumni are successful in all fields including government, business, and industry. The alumni and friends of COS contribute talent and energy, and remain a vital and active catalyst in the growth of the College. Membership in the association is open to all who have attended or are friends of COS. Help shape the future of COS through your involvement.
