FIRST DAY ATTENDANCE
Students must be in class by the end of the first hour of the first class meeting or their name may be dropped from the class.

Students on the Wait List must be in attendance at the beginning of the first meeting in order to be considered for enrollment.

MISSION
College of the Siskiyous promotes learning and provides academic excellence for the students of Siskiyou County, The State of California, the nation and the world. COS provides accessible, flexible, affordable, and innovative education leading to associate degrees, certificates, university transfer, career and technical education, workforce training, and basic skills preparation.
Welcome to
College of the Siskiyous

If due to a disability, you need this material in an alternative format, please contact the disabled Student Services Office, 530.938.5297, Eddy Hall 1

⇒ *All classes are expected to meet during finals week for the indicated time.*
⇒ *Rooms are the same as assigned for regular class meetings.*
⇒ *It is the responsibility of the student to attend the final examination. There are no make-ups.*
⇒ *Request for Early Final forms are available in the Instruction Office or the Dean’s Offices. They must be submitted to the appropriate Dean for signature by May 9, 2016.*
⇒ *Final Grades* will be available approximately two weeks after the end of the semester.
⇒ *CTE cohorts/academies are exempt from this schedule. Check with your instructor for final exam schedule.*
Navigator: Steps to Success

NAVIGATOR is the portal at College of the Siskiyous (COS) to assist you in being a successful college student. Along with the NAVIGATOR portal, a wide range of student services are provided throughout your educational experience at COS.

We are dedicated to helping you achieve your career and life goals.

You can access your college information any time on the web with Navigator. With Navigator you can:

• Search for open classes
• Register for classes & pay your bill
• View your class schedule and receipt
• View your student account information
• View your financial aid information
• View your progress report
• Review your unofficial transcript & Order Official Transcript

Step One: Apply to Attend College of the Siskiyous

Prospective students must complete an application to attend. Go to the COS home page, click on “Apply Now”, and then follow the instructions. If you have attended other colleges, send college transcripts from all previous institutions to the COS Enrollment Services Office. If you are planning to take courses for personal enrichment only and do not require financial aid you may skip to Step 5 after you complete your application to attend.

Full-time admission to College of the Siskiyous is open to:

• Anyone who has graduated from high school or has passed the California High School Proficiency or GED.
• Anyone who is at least 18 years old and is not currently affiliated with a high school.

Step Two: Apply for Financial Aid and Housing

Financial Aid - Every student, regardless of income, who intends to complete a degree, certificate, or transfer to a four-year college or university, should complete the FAFSA (the Free Application for Federal Student Aid) and add COS (college code - 001187) to your list of schools. Completing the FAFSA will determine whether you qualify for a BOG Fee Waiver, grants, scholarships, on-campus work-study jobs, and/or low interest student loans.

There will be other items required to complete your financial aid application file. You must regularly check the progress of your financial aid application file using your Navigator account.

For detailed information refer to the Financial Aid web page.

Housing - The College of the Siskiyous offers excellent on-campus housing complete with a meal plan. If you need a safe and convenient place to live while attending COS, apply to live in the COS Lodges.

Step Three: Complete the Math, Reading, and Writing Assessments

Assessment services are available at the COS Weed Campus or Yreka Center, at local high schools, and at other community colleges throughout the country. Call 530.938.5297 (Weed) or 530.842.5550 (Yreka) to schedule your assessment. If you take them at another college, have the scores faxed to 530.938.5531.

Step Four: Attend a SOAR Session: Siskiyous Orientation, Advising, and Registration

All new students who plan to earn a degree, certificate, or transfer must attend a pre-registration orientation and advising session or complete the free online SOAR course before enrolling in classes. Counselors and advisors at these sessions will help you begin a successful college career by assisting you in selecting classes and beginning an education plan.
Step Five: Register & Pay for Classes

After completing your SOAR session, or if you are taking classes for personal enrichment only, you are now ready to register for classes. You can register online using NAVIGATOR or in person at the Weed Campus and Yreka Center. Please pay for your classes at the time of registration or you may be dropped.

Step Six: Use Follow-up and Support Services

After the semester begins, stop by the Counseling and Support Services to schedule an appointment to meet with a counselor or advisor. Together you will develop your education plan (or refine an existing one), and set your academic, career, and personal goals.

Note: Students may challenge certain enrollment requirements in the above steps by completing a waiver with Enrollment Services. If the matter is not resolved through that process it may be appealed to the College President. Students who believe they have been the victim of unlawful discrimination as it relates to the implementation of this process may file a complaint with the President. Procedures regarding the complaint process are published in the Student Handbook.

Attend all of your classes...this is the most important element of being a successful student. It is very important that you attend class to be a successful student. The faculty recognizes there are circumstances that prevent students from attending class; however, the student is responsible for making up all missed work. The faculty supports student involvement in extra-curricular activities. The faculty also believes that class participation is crucial to the learning process. Students on the wait-list must be in attendance at the beginning of the first class meeting in order to be considered for admittance.

Absence due to illness: Notify your instructor if you will be unable to attend class(es) due to illness. Students are responsible for making arrangements with their instructor(s) to complete all coursework they have missed.

Utilize Support Services that include tutoring, advising, and counseling to help you be successful. There are many support service programs on campus to help you be successful. EOPS (Extended Opportunity Programs & Services) and DSS (Disabled Student Services) are located in Eddy Hall and offer tutoring, counseling, as well as many other services.

Seek help if you experience academic difficulty. Don’t delay! Talk to your instructor(s), meet with your Counselor, get a tutor and seek assistance in the Academic Success Center located in the Learning Resource Center, where tutoring is available in math, reading, writing and other subjects.

On-line registration is available at www.siskiyous.edu

Payment Method? Payment of registration fees requires a valid credit/debit card. If you meet the low-income requirements for the Board of Governors Fee Waiver (BO GW), you can complete the waiver form online.

Registration Hold? To register at College of the Siskiyous, you must not have a “registration hold.” Holds that can block registration include: owing money to the College, being on academic or progress probation or dismissal, or not returning College equipment. If you have a “hold,” you will need to contact the COS Cashier at 530.938.5310.
Special Admission for K-12 Students
California Education Code Sections 48800-48002, and 76000-76002 allow Community Colleges to admit special part-time K-12 students who do not have a high school diploma or have not passed the California High School Proficiency or GED examinations. The intent of the Education Code is "to provide educational enrichment opportunities for a limited number of eligible pupils, rather than to reduce current course requirements of elementary and secondary schools." (Ed. Code 48800) See COS procedure AP 5011 for details. The K-12 Special Admission Permit form is available online at: http://www.siskiyous.edu/apply/documents/reg_form.pdf. For more information contact Enrollment Services at 530.938.5500. Please note: K-12 students cannot register using our online system, may not enroll in more than 11 units, and may not enroll in Physical Education courses.

Seeking to transfer or obtain a degree/certificate?
To help students be successful, the College requires students who are planning to transfer or obtain a certificate or degree to meet with Counseling Services staff before registering at COS for the first time. Appointments can be made by calling 530.938.5353.

Taking Math or English?
If you are planning to take a math or English course for the first time at COS, you will need to take the COMPASS assessment. This test helps determine which courses are appropriate for your skill level. These assessments are given from 9 am to 3 pm weekdays at the Weed campus. Call the Yreka campus for dates and times. If you need more information, call 530.938.5353 (Weed) or 530.842.5833 (Yreka).

Oregon Student?
If you are a resident of Oregon, the College of the Siskiyou offers the Interstate Exchange Agreement through either SOU or OIT. Through this agreement, students who qualify do not pay the full out-of-state tuition fees. If you would like further information, please call the Student Life Office at 530.938.5374.

International Student?
If you are a new international student at COS, you will need to meet with Counseling Services staff and take the COMPASS assessment prior to registration. If you are a continuing student, you can use online registration without Counselor approval.

COS CAMPUS GIFT SHOP AND BOOKSTORE
The College of the Siskiyou Bookstore is located adjacent to the Student Center on the West side of the Weed campus. Regular bookstore hours are 8:00 am to 5:00 pm Monday through Friday. Textbooks for classes held at the Yreka Campus as well as textbooks for online and video classes are available at the Yreka Campus.

The bookstore carries new and used course textbooks, reference books, and supplies for classes offered through the college. A wide variety of school supplies are available along with emblematic giftware and clothing. The community is welcome to stop by and see what the bookstore has to offer.

The bookstore accepts Visa, Mastercard, Discover and personal checks with appropriate identification.

Contact information: 530.938.5236
Ryan Galbraith
## FEES

Enrollment Fee, Non-Resident Tuition, and other Fees

*Note: All tuition and fees listed in this catalog are as of the date of the publication, and are subject to change. For the most up-to-date tuition and fees information, please check http://www.siskiyous.edu/apply/fees.htm.*

All students, California residents and non-residents, are required to pay an enrollment fee and, if applicable, non-resident tuition as well as other fees listed below.

<table>
<thead>
<tr>
<th><strong>Enrollment Fee</strong></th>
<th>1 unit or more</th>
<th>$46 per unit</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>.5 unit</td>
<td>$23</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th><strong>Non-Resident Tuition in addition to Enrollment Fee</strong></th>
<th>1 unit or more</th>
<th>$210 per unit</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>.5 unit</td>
<td>$105</td>
</tr>
</tbody>
</table>

The non-resident tuition fee shall be paid at the time of registration and is set by the Governing Board of College of the Siskiyous no later than January 1 of each year. Fees are subject to change on an annual basis.

### Non-Resident Tuition Exemption

Effective January 1, 2002, AB540 provides an exemption from paying non-resident fees for certain non-resident students. While this exemption allows students to pay resident fees, it does not grant them resident status that would give them eligibility for any state-funded program. To be eligible for this exemption a student must meet both of the following criteria:

1. Attendance at a high school in California for three or more years
2. Graduation or attainment of a high school equivalency from a California high school. A high school transcript is required. For more information on AB540, contact the Enrollment Services Office.

### Oregon Residents

College of the Siskiyous has an interstate exchange agreement with Southern Oregon University (SOU) and Oregon Institute of Technology (OIT). The agreement states that a limited number of qualified Oregon residents are eligible to receive reduced tuition rates at College of the Siskiyous. For more information on this special program, please contact the Student Life Office at 530.938.5374.

In exchange, California residents may attend Southern Oregon University or Oregon Institute of Technology at the in-state rate. Contact the Admissions Office at Southern Oregon University or Oregon Institute of Technology for information.

### Health Fee

<table>
<thead>
<tr>
<th><strong>Fall/Spring:</strong></th>
<th>0 to 11.5 units</th>
<th>$16</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>12 units or more</td>
<td>$19</td>
</tr>
<tr>
<td><strong>Summer session:</strong></td>
<td>$16 (for any number of units)</td>
<td></td>
</tr>
</tbody>
</table>

California residents, who need fee assistance, see the Board of Governor Fee Waiver (BOGFW) information under the Financial Aid section.

The mandatory health fee is collected to cover the cost of student accident insurance and to help fund the operational expenses of the Student Health Center. Students may be exempted for the following reason:

1. Students who depend exclusively upon prayer for healing according to the teaching of a bona fide religious sect, denomination, or organization may petition for exemption from the health fee. See Enrollment Services for more information.

### Student Representation Fee

The Student Representation Fee is a mandatory $1 per semester fee. The money collected from this fee is used to provide support for student representatives who may be stating their positions and viewpoints before city, county, and district government, and before offices and agencies of the state and federal government. This support is broadly defined, including payment for conference attendance, equipment used for lobbying/advocacy, subscriptions to newspapers/magazines, etc. The money collected from this fee is available for students to apply to use for the above purposes. Applications are available at ASB Office. Students may petition to waive this fee for religious, political, financial, or moral reasons. Petition to waive this fee is available in the Enrollment Services Office or online.
**Student Center Fee**

A Student Center Fee was approved by a 2/3 vote of the currently enrolled student body spring 2012.

Reference: Ed Code 76375(a)

Access fee info: [www.siskiyous.edu/studentlife/accessfee.htm](http://www.siskiyous.edu/studentlife/accessfee.htm)

The $1 per unit charge (up to a maximum of $5 per semester) will be paid by all students except:

- Students who qualify for BOGW Part A.
- Students enrolled in non-credit/0 unit courses only.

Upon paying this fee each semester, each student is entitled to a Student Access Card which will identify them as enrolled for the current term and entitles them to the benefits of the Student Access Program. ASB officers are expanding the list of businesses who offer discounts to students. Current discounts include free admission to home COS athletic events (excludes post-season) and discounts to other COS events. Student Clubs and Organizations will also be eligible for financial support.

**Course Material Fees**

In addition to enrollment fees, the College may charge an instructional materials fee to students for instructional and other materials necessary for some courses. Check with the Enrollment Services Office for the most current fee information. These fees may not be waived with the Board of Governor's Fee Waiver (BOGW) and are not optional. Material fees will not be refunded after the first class meeting.

---

### PAYMENT OF FEES:

All registration fees are due at the time of enrollment.

To avoid being dropped, take one of the following steps:

1. **Pay fees in full.** Pay online using your Navigator account or in person at the COS Business Office. We accept cash, first-party check, Discover, MasterCard, Visa, and money orders.
2. **Make payment arrangements.** Make payment arrangements to pay your fees by creating a contract to pay with the COS Business Office. Financial Aid can be considered when creating a contract to pay IF all required documents have been submitted to the Financial Aid Office.

*Students who do not pay fees or make a contract to pay fees will be dropped from their classes for non-payment of current fees and/or existing unpaid balances.*

Processing of drops for non-payment of fees will occur on the following days:

- **Spring 2016 (classes start Tuesday, January 19th)**
- December 1st and 15th and the Friday before the semester begins, January 15th

**COS Cashier Office Hours**

- 8:00 am - 4:00 pm Monday thru Friday
- Financial Aid office hours 8:00 am - 5:00 pm Monday thru Friday

The Board of Governors Fee Waiver (BOGW) will be accepted for enrollment fees only and must be presented at the time of registration. You will receive a copy of your class schedule/receipt for fees paid. Please keep this schedule/receipt for your records.

**Associated Student Body Card Benefits—$10 per semester***

This card is optional and may be purchased at registration or anytime during the semester.

Please contact the Associated Student Body Office at the Weed Campus to obtain your card (picture I.D. required).

1. Discounts at all COS dances
2. Discounts on COS Theater productions
3. Discounts on COS movies
4. Discounts at participating local businesses, restaurants, and recreational establishments within the county
5. Eligibility for free limited legal consultation service
6. Eligibility for campus club memberships
7. Eligibility for free Community Concert tickets

*Optional if not paying the Student Center Fee and student wants an ASB card*
Need Financial Aid?

Regardless of your income, if you are planning to attend college, you should apply for financial aid. The College of the Siskiyou’s financial aid specialists in Enrollment Services make it easy to get money for college costs!

How to Apply for Financial Aid:

Complete the FREE Application for Federal Student Aid (FAFSA) at fafsa.gov. The FAFSA will be used to determine eligibility for:
- Pell Grant and Federal Supplemental Grant (FSEOG). These grants are financial assistance based on need and other criteria and do not have to be repaid.
- Federal Work Study (FW S). Students earn money through part-time employment on campus.
- Federal Direct Loan(s). Students must complete a FAFSA before applying for a loan. Loans must be repaid. Repayment begins six months after the student graduates, drops below six units, or withdraws from school.
- Board of Governors (BOG) Fee Waiver and Cal grants.

Board of Governors Fee Waiver:

The Board of Governor’s Fee Waiver (BOGW) is available to California residents and AB 540 students that meet eligibility criteria. The BOGW waives the enrollment fee. There are three types of BOG fee waivers (Methods A, B and C):
- Method A is based on specific eligibility criteria and documentation is required.
- Methods B and C are based on income and financial need as determined by the FAFSA. Check your Navigator, Financial Aid tab, Financial Aid Awards to check fee waiver award.
- Students are now required to maintain Satisfactory Academic Progress (SAP) in order to remain eligible for the BOG fee waiver.

Under the new regulations adopted by the California Community Colleges Board of Governors, monitoring of SAP begins with the spring 2015 semester. Students need to maintain a 2.0 GPA for two consecutive primary terms and complete 50% or more of attempted units for two consecutive primary terms.
- For more information, see the Financial Aid web page:
  http://www.siskiyous.edu/financialaid/grants.htm

California State Grants (Cal Grant):

Cal Grants A, B, and Care for California residents that meet specific financial and academic eligibility requirements. Awards may be used only at qualifying colleges in California and do not need to be repaid.
- Students may apply by completing a FAFSA (instructions above) by March 2 for each upcoming academic year. The competitive Cal Grant deadline is September 2nd.
- If you are an undocumented student and cannot complete the FAFSA, you may complete the California Dream Act Application at www.caldreamact.org. Deadlines apply. Certain exceptions do apply. Please see the California Student Aid Commissions website at www.calgrants.org for further information.

Scholarships:

A variety of scholarships are available at College of the Siskiyou. The requirements vary among the scholarships. Students should contact a financial aid specialist in Enrollment Services for applications and deadline information.
http://www.siskiyous.edu/financialaid/scholarships.htm

EOPS/CARE:

The Extended Opportunity Programs and Services/Cooperative Agencies Resources for Education provides support services to eligible California residents. You must apply early (as soon as you are registered full time for the upcoming fall or spring semester) because the program does fill up. Applications are available in the EOPS/CARE Office in Eddy Hall 3 on the Weed campus once registration begins and until the program is full for the semester. Some of the services offered are book vouchers, starter kits, and bus passes (depending on funding).
The Student Support Services Program provides support for transfer students. For more information refer to: http://www.siskiyous.edu/sss

4 EASY Steps to Apply for Financial Aid at COS!

Step 1: Complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. Use 001187 as the school code for College of the Siskiyous.

Step 2: We will receive a copy of your FAFSA electronically. We will review it and add required documents to your Required Forms list located under the Financial Aid Tab located on your Navigator. Check the status of your file often.

Step 3: Watch for an email with further instructions from COS 7-10 business days after filing your FAFSA.

Step 4: We will review the documentation you submitted and post your award information on your Navigator. Click Financial Aid Tab, Financial Aid Awards, and select the aid year you are enrolled in.

Who is Higher One?

College of The Siskiyous has partnered with Higher One to deliver your financial aid refund. We are committed to delivering 100% of your refund at no cost, providing students with clear choices and offering great customer service.

Look for the green envelope!
The green envelope sent to you from Higher One will contain a personal code. Simply enter your personal code online at MyEagleCard.com to make your refund preference selection.

Follow these three simple steps:
1. Visit. MyEagleCard.com
2. Set up. Enter your personal code to get started.
3. Choose. Select the option that best fits you.

A VISION OF THE COMMUNITY'S COLLEGE

College of the Siskiyous is a proud member of the California Community College system. Our vision is to be the first choice for higher education in the communities we serve and beyond.

We are the provider of:
- Rigorous and comprehensive transfer programs
- General education programs
- Technological literacy
- Basic skills acquisition
- Workforce training and certification
- Career and technical education
- Cultural and community enrichment

all of which drive and support the economy of our region.

We are the support team who increases student access, encourages success, and improves retention, persistence, and completion.
Need help with paying your Enrollment Fees???

Board of Governor’s Fee W aiver Applications (BOGW) are available at the Enrollment Services Office or you can access the form online at:

www.siskiyous.edu/apply/documents

SPRING 2016
Priority Registration Begins: November 9th
Open Registration Begins: November 16th
K-12 Open Registration Begins: November 23rd
Register online at: www.siskiyous.edu

COURSE NUMBERING SYSTEM
College of the Siskiyous uses the following course numbering system:

0200-0299: Experimental courses that are offered on a trial basis.
0300-0399: Fee-based community services courses; not degree applicable.
0400-0499: Courses used for Learning Communities.
0500-0699: Non-credit courses; not degree applicable.
0800-0899: Credit courses, not degree applicable.
0900-0999: Credit courses, degree applicable, but not transferable.
1000-2999: Credit courses, degree applicable and transferable.
9000-9999: Professional training courses.

All courses offered at COS meet the standards of California Administrative Code, Title 5 Section 55002.

WANT AN ASSOCIATE DEGREE?
You must complete a major or an area of emphasis to graduate from College of the Siskiyous.

You can find the list of Associate Degree Majors in this publication on Page 15.
Adding Classes

January 18th is the last day that students may register/add classes without instructor approval (unless the class is closed).

February 5th is the last day students may add a class at the discretion of the instructor. To add classes, students must complete an Add/Drop form and the instructor must sign the Add/Drop form.

Late Add Policy

Students are encouraged to register for classes prior to the beginning of the semester. A Late Add Permit is required to register, with appropriate approval, beginning February 8th.

Approval criteria for adding full semester courses beginning February 8th:

• Student has been in attendance since beginning of the class.
• Student is moving from one level of a subject to another, i.e, ENGL 0950 to ENGL 1001.
• Student is changing from one section to another section of the same course.

Dropping Classes*

Important withdraw (drop) dates are as follows:

Full term classes dropped before February 5th will not be recorded on the student’s academic transcript.

Full term classes dropped after February 5th will be designated on the student’s transcript with a grade of “W” indicating official withdrawal from the course.

Full term classes dropped after April 29th will receive a letter grade.

*Check your class schedule for drop dates for short-term, irregularly scheduled courses.

To drop a class, students can:

• Go online to their Navigator account
• Submit Drop form to Enrollment Services

Withdrawal/Drop Policy Summary

Students are responsible for withdrawing from classes they are no longer attending. Failure to do so may result in a grade of “F,” “FW” or “NP”.

Instructors may drop students who do not attend the first class meeting or when the number of unexcused absences equals the number of times the class meets each week. A complete copy of the Withdrawal/Drop Policy is in the College of the Siskiyous catalog.

Please note that if you are enrolled in only one class it may not be dropped online. Use an Add/Drop form and submit it in person, by fax (530.938.5367), or by mail.

Prerequisites, Corequisites and Advisories

Prerequisites, corequisites and advisories have been established by the College to promote student success in our classes.

Prerequisites are conditions of readiness for a class that a student is required to demonstrate for enrollment.

Corequisites are classes that a student is required to take simultaneously in order to enroll in another class.

Advisories are recommended preparation that a student is advised, but not required, to meet before or in conjunction with enrollment.

Challenge Process for Prerequisites and Corequisites

Students may challenge prerequisites and/or corequisites under certain conditions. Procedures for the challenge process are available on our website at www.siskiyous.edu

Please refer to the College of the Siskiyous catalog for specific information.
Approval to Register for More Than 18 Units

Approval to register for more than 18 units will be granted to students who have completed at least 24 semester units and have a cumulative GPA of at least 2.75. FIRE 0950 students may enroll in EMS 9060 and FIRE 2949 without meeting those unit and GPA requirements. Students who register for more than 18 units without obtaining written approval from a COS counselor will be administratively dropped from the most recently added courses. The student will be notified should this occur.

Open Enrollment

It is the policy of the Siskiyou Joint Community College District that all courses for which state funding is claimed, shall be open to any person who has been admitted to the College and has met class prerequisites. Exceptions to this policy must be specified by statute.

Pass/No Pass (P/NP) Classes

Some classes are graded entirely on a pass/no pass basis (P/NP). In addition, a student may elect to take one regularly graded class, not in his or her major, each semester on a pass/no pass basis.

This option may be exercised at the time of registration or no later than the end of the first 30 percent of the class. The P/NP grading option may not be changed after the petition is submitted to the Enrollment Services Office.

Units earned for a credit grade shall be counted in satisfaction of degree requirements, but shall be disregarded in computation of grade point average.

Audit Policy

Under certain conditions, COS will allow students to audit classes. These conditions include:

- A student wishing to audit a class must have exhausted the repeatability allowed for the class (see college catalog for class details).
- Priority for enrollment shall be given to students desiring to take the class for credit.
- A student wishing to audit a course will only be allowed to register for the course after the first week of the class, if full semester, or after the first class meeting, if short-term. Auditing will only be allowed if the minimum class size has been reached. Instructors have the authority to allow over-enrollment in their class to accommodate auditors.
- The instructor must approve any student wishing to audit a class.
- A student auditing a class must participate fully in class activities.
- The instructor is not obligated to grade assignments of auditors.
- No student auditing a class shall be permitted to change his or her enrollment to receive credit for the class.
- Audited classes will not appear on the academic transcript.

Fee for Auditing: The fee for auditing shall be $15 per unit. The health fee, material fees (if applicable) and the student representation fee apply and are due at the time of registration. Only the health fee may be waived with the Board of Governor’s Waiver.

Applications to audit a class may be obtained in the Enrollment Services Office.

Register early for best class selection!

Please refer to the Online Searchable Schedule for the most current offerings. The class schedule changes daily as classes are added, canceled or changed.
Repetition of Courses

Students wishing to repeat courses already taken must petition to do so by completing the Course Repeat Request Form available in the Enrollment Services Office or the Counseling and Support Services Office. In cases of repeated courses, all grades will remain on the transcript. The course repeated must be the same course in which the student was originally enrolled. The Enrollment Services Office will determine if a petition is needed on a course-by-course basis. Petitions to repeat will be considered based on the California regulation on enrollment limitations, namely the “Three-enrollment Rule”:

1. Students may enroll in the same course a maximum of three times
2. An "enrollment" is any attempt to pass a course in which a grade symbol, including "W" is earned.
3. When a student attempts to register for a class a 3rd time, the student must obtain an Enrollment Limit Petition from Counseling Services and submit it to Enrollment Services when registering for the class. The credit and grade points earned from the repeated course may not count in the student’s cumulative GPA.
4. After three enrollments, a student may only request to audit a course.
5. The new enrollment rule applies retroactively to students’ COS enrollment history. There is no exemption from the new “Three-enrollment Rule” for students who already have three enrollments.
6. Students may enroll in a different community college district after three at COS; the “Three-enrollment Rule” currently only applies to three enrollments in the same community college district. However, students should be aware that this rule may be applied differently by other colleges.
7. This is a deliberate action by the State of California to reduce the amount of state funding being spent on multiple enrollments in the same course. Students are strongly encouraged to do their very best to succeed in every class they attempt and to not take withdrawal lightly.

In cases of repeated courses, both grades will remain on the transcript. The course repeated must be the same course in which the student was originally enrolled. Certain activity courses may be repeated for credit up to a maximum of three times. Check the course section of the COS catalog for course repeatability.

Students may use equivalent course work from an accredited college or university to replace a COS course in which substandard work was recorded. For more information on repetition of courses, contact the Enrollment Services Office.

Effective Spring 2012 students who receive a “W” in a class will have to complete the Course Repeat Request process.

TEXTBOOKS

For a complete list of textbooks by instructor, and pricing, go to www.siskiyous.edu/bookstore

Cancellation of Classes

The College reserves the right to cancel classes due to insufficient enrollment, inability to assign a qualified instructor, or for other circumstances unforeseen at the time the Schedule of Classes was published. In the event a class is cancelled, efforts are made to help students register in other classes consistent with their interests.

**Pending Chancellor’s Office approval

Contact Counseling Services at 530.938.5353 if you have any questions about the programs.

**Associate Degrees for Transfer**

California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree.

California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units.

To view the most current list of College of the Siskiyou Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to http://tinyurl.com/bsgljc2. Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.
COS General Education Student Learning Outcomes

Area A: English Composition / Information Competency
Upon successful completion of the course, the student should be able to:
1) Use the stages of the writing process to construct effective, coherent paragraphs and documents.
2) Edit documents for style appropriate for the writing situation.
4) Use the stages of the research process to construct focused and successful research strategies.
5) Locate and evaluate for credibility information provided by the library, Internet resources, and other sources.
6) Demonstrate an understanding of the ethical and legal principles surrounding information and information technology, including plagiarism and copyright.
7) Organize and integrate researched information into documents by properly using quotations, paraphrases, and summaries and by accurately citing sources using recognized documentation formats (e.g. MLA or APA).

Area B: Mathematics
Upon successful completion of the course, the student should be able to:
1) Setup, manipulate, graph, solve, or apply standard algebraic expressions and equations.

Area C: Natural Science
Upon successful completion of the course, the student should be able to:
1) Demonstrate a basic knowledge of a discipline’s major facts and concepts.
2) Determine whether or not a proposed explanation, experimental result, or observation is consistent with a scientific hypothesis for a natural phenomenon and effectively communicate that analysis to others.
3) Correctly formulate, solve, and interpret the results of a variety of problems relevant to a natural science.

Area D: Humanities
Upon successful completion of the course, the student should be able to:
1) Demonstrate an awareness of the ways in which people through the ages and in different cultures have responded to themselves and world around them in artistic and cultural creation.
2) Demonstrate an understanding of the interrelationship between the creative arts, the humanities, and themselves.
3) Demonstrate the ability to analyze and appreciate works of philosophical, historical, literary, aesthetic, and cultural importance.

Area E: Social and Behavioral Sciences
Upon successful completion of the course, the student should be able to:
1) Understand the principles, perspectives and methods of inquiry used by the social and behavioral sciences.
2) Critically explain how people act and have acted in response to their societies.
3) Demonstrate an understanding of how societies and social subgroups operate.
4) Demonstrate and understand social and behavioral sciences research methodology and effectively communicate research results and conclusions.

Area F: Communication and Analytical Thinking
Upon successful completion of the course, the student should be able to:
1) Demonstrate the relationship between language and logic by using evaluative thought processes.
2) Use elementary inductive and deductive processes to solve problems.
3) Analyze situations presented to an educated citizen and recognize common logical errors or fallacies.
4) Develop clear and precise expression of ideas in whatever symbol system the student uses.

Area G: Wellness
Upon successful completion of the course(s), the student should be able to:
1) Demonstrate knowledge of the major facts and concepts of physical fitness.
2) Demonstrate practical techniques for assessing one’s own fitness status.
3) Participate in correctly performed activities designed to improve or maintain physical fitness.
4) Compare and contrast the potential risks as well as benefits associated with exercise.

Area H: Reading Competency
Upon successful completion of the course, the student should be able to:
1) Adjust reading rate according to purpose and difficulty of materials.
2) Use different context clues to understand the meaning of unfamiliar vocabulary.
3) Locate and identify topics, topic sentences, central point, and major and minor supporting details.
4) Identify the implied main idea of a reading selection.
5) Identify and locate transitions and patterns of organization in reading selections.
6) Make accurate inferences and distinguish the difference between facts and opinions.
7) Identify the purpose, tone, and bias of a reading selection.
8) Recognize the points and supports of an argument, inadequate support, and irrelevant information in a reading selection.

Area I: Diversity
Upon successful completion of the course, the student should be able to:
1) Identify and explain diverse cultural customs, beliefs, traditions or life styles or to contrast the experience of a historically under-represented group with that of the dominant culture.
2) Demonstrate an understanding of personal, social, or historical biases and prejudices.

### How to read the Class Schedule

Please note: This class schedule should be used in conjunction with the COS Catalog, which contains degree program information. Students should work with their advisor or counselor to determine the proper course work for their major.

**Course Number**
This number identifies a specific course within a discipline and corresponds to the number for the course in the College Catalog.

**Course Description**
This is a general description of the course work. It contains important information relevant to the class, such as prerequisites, corequisites, repeatability and instructor’s notes. See the COS Catalog for additional information.

**CRN**
This is the identifying number for a specific course section used when registering for classes.

**Transferable**
Course accepted for degree elective credit at all UC and/or CSU campuses. Course may also meet GE and/or major requirements. NDA = Non-Degree Applicable (does not transfer nor apply to the AA or AS degree.)

# Administration of Justice

## ADJ 1001  Introduction to Administration of Justice
3 units

This course introduces students to the criminal justice system in the United States and the roles of the police, courts and corrections in shaping justice policy. Focus is placed on crime measurement, explanations of crime, responses to crime, and current challenges. The course also examines the evolution of the justice system and the forces that shape justice policy in a cross-cultural context. (AA, CSU, UC) (C-ID: AJ 110)

**Meeting Dates:** 1/19/16 - 5/26/16

3168 TBA Nesheim, H INTNET

(3168-ADJ 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

## ADJ 1002  Introduction to Forensics
3 units

This course provides an introduction to the role of forensics in criminal investigations. It examines the methods utilized in the forensic analysis of crime scenes, pattern evidence, instruments, firearms, questioned documents and controlled substances. (AA, CSU)

**Meeting Dates:** 1/19/16 - 5/26/16

3170 TBA Korkowski, M INTNET

(3170-ADJ 1002-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

## ADJ 1517  Community Relations
3 units

This is an in-depth exploration of the roles of the Administration of Justice practitioners and their agencies. Principal emphasis will be placed upon the professional image of the system of Justice Administration and the development of positive relationships between members of the system and public. (AA, CSU, UC)

**Meeting Dates:** 1/19/16 - 5/26/16

3169 TBA Hasemeyer, D INTNET

(3169-ADJ 1517-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

## ADJ 2002  Concepts of Criminal Law
3 units

This course offers an analysis of the doctrines of criminal liability in the United States and the classification of crimes against persons, property, morals, and public welfare. Special emphasis is placed on the classification of crime, the general elements of crime, the definitions of common and statutory law, and the nature of acceptable evidence. This course utilizes case law and case studies to introduce students to criminal law. (AA, CSU, UC) (C-ID: AJ 120)

**Meeting Dates:** 1/19/16 - 5/26/16

3173 TR 09:30A-10:45A Korkowski, M DLC

3174 TR 09:30A-10:45A Korkowski, M YBLDG1

(3173-74-ADJ 2002-This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)

## ADJ 2014  Level III Reserve Officer Training
9 units

This course is the first in a 3-part modular series for reserve officer/law enforcement certification and training for the State of California. It includes all the required subject matter, learning goals and performance objectives as prescribed by the California Commission on Peace Officer Standards, and Training (P.O.S.T), and as required by Penal Code Section 832. This course is designed for those individuals who wish to become certified as a Level III reserve officer or to continue their law enforcement training through the reserve officer certification process as a Level II. Once Level II is successfully completed, a student may wish to continue with the third and final module: The Level I Modular Academy to become a full, basic academy graduate. (AA, CSU)

Prerequisite: DOJ fingerprint clearance (Penal Code 13511.5) Contact the CTE office for further information 530.938.5512

Advisor: ENGL 0900

**Meeting Dates:** 2/2/16 - 4/23/16

3171 TWR 06:00P-09:50P Weed, A TTC

(3171-ADJ 2014-This course includes 39 TBA hours.)

Anthropology

ANTH 1010 3 units
Introduction to Cultural Anthropology
This course is designed to present an overview of human cultures and the many remarkable ways in which humans adapt to their environment. The course includes sections on languages, archeology, ancient history and modern cultures, with an emphasis on living traditional cultures. (AA, CSU, UC) (C-ID: ANTH 120)
Advisory: ENGL 1001 or concurrent enrollment in ENGL 100

3305 TBA TBA INTNET
Meeting Dates: 1/19/16 - 5/25/16
(3305-ANTH 1010-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyou.edu/online prior to the first day of the semester for specific course information.)

Art

ART 1001 3 units
Art History II
A survey of the major visual arts from the Renaissance through the modern world. Course emphasis on understanding of geographically relevant information, art media, techniques, etc., and the development of an historical understanding based on western history as understood through the study of art. (AA, CSU, UC)
Advisory: ENGL 1001

3201 MWF 10:00A-10:50A Gilmore, J MCCLD
Meeting Dates: 1/20/16 - 5/25/16

ART 1004 3 units
Painting
Instruction in use of oil, acrylics and watercolor techniques and styles of landscape, still life, figure and individual composition; emphasis in composition, techniques, equipment, theory, and mechanics of color, group, and individual problems are major parts of this course. (AA, CSU, UC)

3207 TR 02:00P-04:50P Kenny, S MCCLD
Meeting Dates: 1/19/16 - 5/26/16

ART 1006 3 units
Beginning Ceramics
An introduction to the art of ceramics. Students will be introduced to the history of ceramics and learn techniques, such as wheel throwing and hand-building. Glazing and other surface treatments will also be introduced. (AA, CSU, UC)

3211 MW 09:00A-11:50A Kenny, S MCCLD
Meeting Dates: 1/20/16 - 5/25/16
Additional Fee $10.00

3209 MW 02:00P-04:50P Kenny, S MCCLD
Meeting Dates: 1/20/16 - 5/25/16
Additional Fee $10.00
### ART 1026  1 unit  
**Life Drawing**  
Concentrated study of the human figure and anatomy. Students will have the opportunity to draw live models in a variety of media including charcoal, pencil and pastel. May be taken for credit a total of 4 times. (AA, CSU, UC)

**Meeting Dates:** 3/3/16 - 5/7/16  
**Kenny, S**  
**MCCLD 4-114**

### ART 1031  3 units  
**Digital Illustration**  
Introduction to the principles of design as they relate to digital illustration and the creation of computer generated graphics for the microcomputer. Art and design principles, software, hardware, and creation of successful graphics in various file formats will be examined. Adobe Illustrator will be used in designing and producing hard copy print media. This course may be taken for credit a total of three times. The UC accepts transfer credit for either ART 1031 or ART 1032 but not both. (AA,CSU,UC)  
Advisory: CSCI 1035

### ART 1032  3 units  
**Digital Imaging**  
Introduction to the principles of design as they relate to digital imaging. Art and design principles, image file formats, and successful digital image-making will be discussed. Adobe PhotoShop will be used in designing and producing digital images. The UC accepts transfer credit for either ART 1031 or ART 1032 but not both. May be taken for credit a total of 4 times. (AA, CSU, UC)  
Advisory: CSCI 1035

### ART 1026  1 unit  
**Intermediate Painting**  
Continued instruction in the use of oil, acrylics, water color techniques and styles of landscape, still life, figure and individual composition; emphasis on composition, techniques, equipment, theory, and mechanics of color. Group and individual problems are major parts of this course as is the examination of contemporary and historically significant artists and paintings. (AA, CSU, UC)  
Prerequisite: ART 1004

### ART 1039  3 units  
**Intermediate Drawing**  
Continued study in drawing from landscape, still life, and human figure. Media will include charcoal, ink, graphite, and pastel. Emphasis on the human figure for maximum improvement of hand-eye coordination and an understanding of compositional elements is also included. Included is the examination of contemporary and historically significant artists and their work. (AA, CSU, UC)  
Prerequisite: ART 1009

### ART 1030  3 units  
**Intermediate Ceramics**  
Intermediate ceramics is the second semester in this discipline. It focuses more on development of intermediate concepts and techniques for use in this medium. Wheel-throwing and hand-building techniques and assignments make up this compliment to the introductory semester. More extensive study on wheel and hand techniques that build on the foundational ideas presented in Art 1006. Introductory involvement in new intermediate areas of studio procedures including kiln firing, glaze calculation, and glazing techniques are also introduced. (AA, CSU, UC)  
Prerequisite: ART 1006
**College of the Siskiyous Spring 2016 Schedule of Classes**

### Art 1511  Intermediate Photography  3 units

Students will study advanced camera and darkroom techniques including digital photography trends. Lectures stress aesthetic developments in the history of photography. (Small, medium, and large format cameras are available on a loan basis.) May be taken for credit a total of three times. (AA, CSU, UC)  
Prerequisite: ART 1011  
Advisory: ENGL 0900

**Meeting Dates:**  
3315 TR 11:00A-01:15P Gilmore, J  MCCLD 4-112

### Astronomy

**ASTR 1110  Intermediate Photography  3 units**

Astronomy introduces physical models for gravity and light and then builds on our understandings of those phenomena to explore the motions, properties and histories of celestial objects ranging from nearby planets and stars to distant galaxies and the Universe itself. (AA, CSU, UC)  
Prerequisite: ENGL 1001 and either MATH 0850 or qualification through assessment or MATH 0851 or qualification through assessment

**Meeting Dates:**  
3202 TR 12:30P-01:45P Hirt, W  DLC 3  
3372 TR 12:30P-01:45P Hirt, W  RHSI 1-124

(3202/3372-ASTR 1110-This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)

### Business Administration

**BA 920  Practical Accounting  3 units**

Provides an introduction to accounting, suitable for students interested in pursuing additional business and accounting courses as well as for students interested in establishing a practical understanding of accounting. BA 0920 includes the application of the double-entry system in the preparation and use of journals, ledgers, worksheets and financial statements. Banking and payroll issues are also explored. (AA)

**Meeting Dates:**  
3110 TBA Abbott, S  INTNET

(3110-BA 0920-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

**BA 985  Introduction to Entrepreneurship  0.5 units**

Introduction to Entrepreneurship  
This course will assist participants in evaluating their personal and professional characteristics and skills to determine their readiness to start a business. Topics include: risks and benefits of business ownership, legal issues and financing options, successful business management and orientation to local resources. (AA)

**Meeting Dates:**  
3303 T 06:00P-08:50P Nichols-Stock, BSCIENC 4-110

### Legal Environment of Business

**BA 1018  Legal Environment of Business  3 units**

The Legal Environment of Business is an introduction to the legal process and the impact of the law on societal, governmental and economic entities. Topics include sources of law and ethics, contracts, judicial and administrative processes, international legal issues, forms of business organizations and government regulation. (AA, CSU, UC) (C-ID: BUS 120)  
Advisory: ENGL 0900

**Meeting Dates:**  
3117 TBA Graves, M  INTNET

(3117-BA 1018-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

### Introduction to Business

**BA 1006  Introduction to Business  3 units**

Introduction to Business  
Students will be introduced to the world of business through discussions of marketing, management, entrepreneurship, finance, human resources, business ethics, the law, risk management and insurance and the global marketplace. Various types of business entities will be examined and analyzed in the context of today's dynamic business environment. (AA, CSU, UC)  
Advisory: ENGL 0900

**Meeting Dates:**  
3112 TBA Abbott, S  INTNET

(3112-BA 1006-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semiester for specific course information.)

**BA 1018  Legal Environment of Business  3 units**

The Legal Environment of Business is an introduction to the legal process and the impact of the law on societal, governmental and economic entities. Topics include sources of law and ethics, contracts, judicial and administrative processes, international legal issues, forms of business organizations and government regulation. (AA, CSU, UC) (C-ID: BUS 120)  
Advisory: ENGL 0900

**Meeting Dates:**  
3117 TBA Graves, M  INTNET

(3117-BA 1018-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
Meeting Dates:

3192 TR 06:00P-09:50P Odegard, W SCIENCE
Meeting Dates: 1/19/16 - 5/26/16

3193 TR 01:00P-04:50P Odegard, W SCIENCE
Meeting Dates: 1/19/16 - 5/26/16

3194 TR 06:00P-09:50P Odegard, W SCIENCE
Meeting Dates: 1/19/16 - 5/26/16

BIO 1000
Introduction to Life Sciences
This is an introduction to the areas of study in the life sciences and is designed for non-science majors. Topics include: Elementary biological concepts, a general survey of living organisms, cells, genetics, ecology, and evolution. UC transfer credit will not be awarded for BIO 1000 if this course is taken after a student completes BIO 2100 and BIO 2200. (AA, CSU, UC)
Advisory: ENGL 0900 and MATH 0830

3199 TR 08:00A-10:50A Smith, L SCIENCE
Meeting Dates: 1/19/16 - 5/26/16

BIO 1500
Human Biology
A general education course designed for non-biology majors and pre-health related fields. Provides an introduction to basic biological concepts with an emphasis on human body functions. UC transfer credit will not be awarded if this course is taken after a student completes BIO 2700 or BIO 2800. (AA, CSU, UC)
Advisory: ENGL 0900

3200 TR 12:30P-01:45P Robinson, E SCIENCE
Meeting Dates: 1/19/16 - 5/26/16

BIO 2600
Microbiology
An introduction to the study of morphology, physiology, and ecology of microorganisms. It includes the structure and function of bacteria and their relationships with humans. (AA, CSU, UC)
Prerequisite: BIO 0891
Advisory: ENGL 0900 and MATH 0830

3193 TR 01:00P-04:50P Odegard, W SCIENCE
Meeting Dates: 1/19/16 - 5/26/16

3194 TR 06:00P-09:50P Odegard, W SCIENCE
Meeting Dates: 1/19/16 - 5/26/16

BIO 2700
Human Anatomy
This is an introduction to the areas of study in the life sciences and is designed for non-science majors. UC transfer credit will not be awarded for BIO 2700 if this course is taken after a student completes BIO 2800. (AA, CSU, UC)
Advisory: ENGL 0900 and MATH 0830

3199 TR 08:00A-10:50A Smith, L SCIENCE
Meeting Dates: 1/19/16 - 5/26/16

BIO 2800
Human Physiology
This is an introduction to the areas of study in the life sciences and is designed for non-science majors. UC transfer credit will not be awarded for BIO 2800 if this course is taken after a student completes BIO 2700. (AA, CSU, UC)
Advisory: ENGL 0900 and MATH 0830

3199 TR 08:00A-10:50A Smith, L SCIENCE
Meeting Dates: 1/19/16 - 5/26/16
BIO 2700  4 units
Human Anatomy
A systems approach to the study of the human body from the microscopic level of organization to the gross level. Structure is related to function with histology, dissection, models, cadavers, and charts. While this course is intended to fulfill requirements for nursing, physical education, and allied health students, it may also be taken as a life science elective. (AA, CSU, UC)
Advisory: ENGL 0900 and MATH 0830

Chemistry

CHEM 1000  5 units
Introduction to Chemistry
CHEM 1000 is designed for students transferring into an allied health program. This course will give students an understanding of introductory chemical topics including the properties of matter, atomic structure, bonding, nomenclature, chemical reactions, energy, equilibrium, acids and bases, solutions and nuclear chemistry. The course serves as a preparation course for allied health majors and some biological programs and as a preparation course for general chemistry. (AA, CSU, UC)
Prerequisite: MATH 0850 or MATH 0851 and MATH 0852

BIO 2800  5 units
Human Physiology
An introduction to human physiology. Focus is on basic physiological principles and the integration of body systems in maintaining homeostasis. While this course is intended to fulfill requirements for nursing, physical education, and allied health students, it may also be taken as a life science elective. (AA, CSU, UC)
Prerequisite: BIO 0891
Advisory: ENGL 0900 and MATH 0830

Construction Craft Technology

CCT 9050  1 unit
Advanced Mill and Cabinet Work
This is a course in the use of machines in woodworking. The proper and safe use of portable and stationary woodworking equipment is demonstrated and practiced. This course also contains units in wood properties, fastening, finishing with lacquers, and the use of hand tools. Students select, design, construct, and finish their own projects. May be taken for credit a total of four times. (AA)

Register early for best class selection.

College of the Siskiyous at 530.938.5555 or toll free at 888.397.4339
Communication Studies

COMS 1100 3 units
Public Speaking
This course includes basic principles and practices of public speaking: developing proficiency and self-confidence in speaking. Focus will also include organization, development and communication of ideas, structure, style, and delivery. (AA, CSU, UC) (C-ID: COMM 110)
Advisor: ENGL 0900 or ENGL 0950 or qualification through assessment

3214 MWF 08:00A-08:50 A Dixon, R DLC
Meeting Dates: 1/20/16 - 5/25/16
8
3215 MWF 08:00 A-08:50 A Dixon, R RHSI
Meeting Dates: 1/20/16 - 5/25/16 1-124
(3214-15-COMS 1100-This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)

3216 MWF 11:00A-11:50 A Dixon, R DLC
Meeting Dates: 1/20/16 - 5/25/16
8
3217 MWF 11:00A-11:50 A Dixon, R RHSI
Meeting Dates: 1/20/16 - 5/25/16 1-124
(3216-17-COMS 1100-This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)

3218 TR 09:30A-10:45A Worthington, SMCLD
Meeting Dates: 1/19/16 - 5/25/16
3219 TR 12:30P-01:45P Turk, J ESTC
Meeting Dates: 1/19/16 - 5/25/16 8-107
(3218-19-COMS 1100-This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)

COMS 1200 3 units
Small Group Communication
This introductory course explores theories and principles of effective group communication in a variety of contexts while providing opportunities to apply newly-acquired knowledge to practical group situations. Specific attention is given to basic group concepts, interaction skills, methods for achieving skills, group goals, conflict management, decision making, leadership, and small group problem-solving. College writing skills will be expected on all papers, outlines, and essays. (AA, CSU, UC) (C-ID: COMM 140)

3383 TR 12:30P-01:45P Turk, J YBLDG1
Meeting Dates: 1/19/16 - 5/25/16 5
(3221/3383-COMS 1200-This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)

COMS 1300 3 units
Interpersonal Communication
This course is an introduction to the process of human communication with a focus on intra and interpersonal communication. Special emphasis is placed on an understanding of communication in relationships and everyday life including how to communicate ideas, thoughts, and feelings. Also, study of theory and research findings and their application to communication in personal and professional contexts as well as principles of verbal and nonverbal transactions. (AA, CSU, UC)
Advisor: ENGL 0900 or qualification through assessment

3374 T 06:00P-08:50P Gaddini, M DLC
Meeting Dates: 1/19/16 - 5/25/16 3
3375 T 06:00P-08:50P Gaddini, M RHSI
Meeting Dates: 1/19/16 - 5/25/16 1-121
(3374-75-COMS 1300-This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)
COLLEGE OF THE SISKIYOUS SPRING 2016 SCHEDULE OF CLASSES

CSCI 1001  Introduction to Computer Science  3 units
This class includes discussions on the Internet, the World Wide Web, application software, the components of the system unit, sources of input & output, storage, operating systems, system software, and utility programs as well as hands-on assessments designed to teach the students the basics of word processing, building & managing spreadsheets, and creating presentations. (AA, CSU, UC)

3119 TBA  Graves, M  INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3119-CSCI 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

3392 TBA  Graves, M  INTNET
Meeting Dates: 2/8/16 - 5/26/16
(3392-CSCI 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

CSCI 1024  Beginning Spreadsheets  3 units
Provides an introduction to electronic spreadsheets through extensive hands-on use of Microsoft Office Excel. Emphasis is placed on the design, construction and effective usage of electronic spreadsheets as well as using mathematical formulas & functions, charts, tables, graphs, formatting features, workbook management, and financial functions. (AA, CSU)

3121 TR  09:30A-10:45A  Graves, M  TEMP
Meeting Dates: 1/19/16 - 5/26/16

CSCI 1507  Programming II  4 units
A continuation of Programming I emphasizing programming concepts including inheritance, exceptions, GUI applications, recursion, queues, and the use of data structures. An object-oriented approach is taken throughout. (AA,CSU,UC) (C-ID: COMP 132)
Prerequisite: CSCI 1007

3391 TBA  Cecil, J  INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3391-CSCI 1507-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

CSCI 1524  Intermediate Spreadsheets  3 units
Using Microsoft Excel, this course provides the student with the intermediate spreadsheet skills needed to create scientific, statistical, trigonometry, financial, logical, text functions, and formulas along with instruction on linking worksheets, pivot tables, using data analysis, sharing workbooks, and creating macros. (AA, CSU)

3122 TR  09:30A-10:45A  Graves, M  TEMP
Meeting Dates: 1/19/16 - 5/26/16

Early Childhood Education

ECE 958  1 unit
Early Childhood Education Lab
This course complements ECE lecture courses. This is a lab course designed for the student who is considering a career in Early Childhood Education or has an emerging interdisciplinary interest in Child Development. Activities included in ECE Lab include observation of typical and atypical young children and their interactions with teachers and family using indices of cognitive, psychosocial and physical development and theories presented in ECE lecture classes. In addition to observation, supervised teaching and curriculum preparation, including implementation of Developmentally Appropriate Practice, will take place at Discovery Child Development Center or at Mentor Teacher Sites with instructor permission. (AA)
Corequisite: Concurrent enrollment in ECE class

3362 TBA  Thatcher, P  TBA
Meeting Dates: 1/19/16 - 5/26/16

ECE 960  3 units
Preschool Language and Literacy Curriculum I
This is a course of study providing theoretical background and practical application of literacy instruction in preschool settings. Students must have access to preschool age children. (AA)

3124 TBA  Furry, L  INTNET
Meeting Dates: 1/19/16 - 3/18/16
(3124-ECE 0960-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
ECE 961  
Preschool Language and Literacy Curriculum II  
3 units  
This course will introduce current research and effective strategies for successful language and literacy instruction to pre-Kindergarten children. Course content will focus on the theory and practice of literacy instruction in four areas: Reading Aloud, Letter Knowledge, Oral Language and Written Expression. Students must have access to preschool age children in a home or classroom setting. (AA)  
3125 TBA Furry, L  
INTNET  
Meeting Dates: 3/21/16 - 5/26/16  
(3125-ECE 0961-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)  

ECE 1002  
Child Development  
3 units  
This course includes the study of child development from conception through adolescence, with emphasis on personal development and family and social interactions. For UC transfer, only one course will be accepted if both ECE 1002 and ECE 1999 are taken. (AA, CSU, UC) (C-ID: CDEV 100)  
3126 TBA Stack, P  
INTNET  
Meeting Dates: 1/19/16 - 5/26/16  
(3126-ECE 1002-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)  

ECE 1500  
Materials and Curriculum  
3 units  
This course is designed to support students in applying principles of early education as they recognize, design and assess developmentally appropriate materials and curriculum. Course content includes an overview of philosophies, theories, and standards as they are related to choosing materials and implementing curriculum which reflects Developmentally Appropriate Practice. (AA,CSU) (C-ID: ECE 130) Advisory: ECE 1001  
3133 TBA Wheeler, C  
INTNET  
Meeting Dates: 1/25/16 - 5/23/16  
(3133-ECE 1500-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

ECE 2510  
Creative Art Activities for Young Children  
This course presents an overview of theory and practice in planning and implementing developmentally appropriate art experiences for young children. Study will emphasize the developmental process involved in children's art as well as the stages through which children move as they manipulate materials in creative art. The roles of Representational Competence, Sensory Exploration, and Self Expression are emphasized. (AA, CSU) 
Advisory: ECE 1001 

Meeting Dates: 1/19/16 - 5/26/16
3167 TBA Thatcher, P Intnet  
(3167-ECE 2510-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

Economics 

ECON 1020  
Principles of Microeconomics  
ECON 1020, an introductory course, offers insights into choices made by individual consumers and firms. This core lower division business course emphasizes the following topics: supply and demand; scarcity; comparative advantage; elasticity; cost theory; market structures; factor markets and market failure. (AA, CSU, UC) (C-ID: ECON 201) 
Prerequisite: MATH 0980 or qualification through assessment 
Advisory: ENGL 0900

Academic Success Center

The goal of the Academic Success Center (ASC) at College of the Siskiyous is to enhance student learning, confidence, motivation, and independence by offering one-stop access to learning support services and resources as well as individualized instruction in math, reading, and writing. 

To access the ASC, students need to register in EDUC 0670 – Critical Skills Lab – an open-entry, no-fee, non-credit class providing individualized instruction in computing, reading, writing, research, and mathematical skill. This course provides students with supplementary instruction in critical skills necessary for success in courses in any discipline. 

Academic Success Center services are offered on both the Weed and Yreka campuses. Contact the Academic Success Center at 530.938.5830 or go online for further information. 

Tutoring Services are offered for students currently enrolled at COS. Tutoring is available either one-to-one or in small groups depending on the availability of tutors and funding. Students may determine their need for tutoring or an instructor may recommend tutorial assistance for a student. Tutor session times are determined by the individual student’s schedule and the availability of tutors for the subject matter. Services are provided for COS students at no cost if they are enrolled in and attending the course(s) for which a tutor is requested, and those courses lead to graduation, transfer, and/or a certificate. Call Tutoring Services at 530.938.5514 or visit www.siskiyous.edu/tutoring.
EDUC 894  1 unit
Tutor Training
This course emphasizes styles of learning and appropriate techniques in tutoring individually or small groups. (NDA)

3051 TBA Zeller, C  INTNET
Meeting Dates: 1/19/16 - 3/25/16
(3051-EDUC 0894-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

3052 TBA Zeller, C  INTNET
Meeting Dates: 2/22/16 - 3/25/16
(3052-EDUC 0894-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

Emergency Medical Services

EMS 950  0.5 units
CPR for the Professional Rescuer
This course meets the American Heart Association Healthcare Provider and American Red Cross Professional Rescuer CPR Guidelines. This course will teach professional rescuers the skills needed to care for cardiac arrest, respiratory arrest, or airway obstruction in the infant, child, and adult. This course provides CPR, AED, and airway management training. (AA)

3268 S 08:00 A-04:50P TBA ESTC
Meeting Dates: 1/16/16 - 1/16/16
8-113
Additional Fee $19.00

EMS 955  14 units
Paramedic IB-Theory
This is a continuation of EMS 0954, the didactic (classroom) portion of the Paramedic Program. The emphasis is on the theory and management of pre-hospital care: patient assessment, patient treatment, and patient transport in the emergency setting. This is an interactive, hands-on experience. (AA)
Prerequisite: EMS 0954

3369 MWF 08:30 A-05:20P Stacher, A ESTC
Meeting Dates: 1/25/16 - 5/19/16
8-113
Additional Fee $60.00

EMS 958  2.5 units
Paramedic III - Field Internship Review
This course provides further hands-on experience in the field for paramedic students on the ambulance. Students will have the opportunity to complete California State Title 22 requirements to become a paramedic if they were not completed in EMS 0957. (AA)
Prerequisite: EMS 0957. Must have taken EMS 0957 in same academic calendar year. May take course with instructor approval only.

3271 TBA Watt, B  TBA
Meeting Dates: 1/19/16 - 5/26/16

EMS 1001  6 units
Emergency Medical Technician
This course provides the instruction necessary to prepare for the EMT Certification examination. The course covers the functions of the body systems, airway, trauma, medical, obstetric, pediatric, and geriatric emergencies. Students will be required to spend a minimum of 16 hours observing emergency care providers outside of class. Students must pass a background test, pass the National Registry Exam (additional fee and location), and be 18 years of age to receive Sierra Sacramento-Valley (SSV-V) EMT certification. (AA, CSU)
Prerequisite: EMS 0950 or current CPR for the Professional by the first class meeting

3272 TR 06:00P-09:50P Witherell, B ESTC
Meeting Dates: 1/19/16 - 5/26/16
8-113
Additional Fee $9.00
(3272-EMS 1001-This course includes 36 hours TBA.)

EMS 9060  1 unit
Emergency Medical Technician Refresher
This course will review emergency care and transportation of the sick and injured for recertification. Includes review of anatomy, physiology, diagnosis and treatment necessary to save a life when problems are encountered involving breathing, bleeding, burns, drowning, cardiac arrest, broken bones, or other emergency situations. This course may be taken for credit a total of four times except when needed to meet legally mandated training requirements. (NDA)

3273 TR TBA Witherell, B ESTC
Meeting Dates: 1/19/16 - 5/26/16
8-113
Additional Fee $9.00
(3272-EMS 9060-This refresher course is taught concurrently with 3272-EMS 1001. Times required are TBA. Please contact the instructor for times that you are required to be in attendance.)
COLLEGE OF THE SISKIYOU SPRING 2016 SCHEDULE OF CLASSES

EMS 9065 2 units
Emergency Medical Responder
This course prepares the emergency medical responder to provide treatment for patients with medical and traumatic emergencies in the pre-hospital environment. This course includes CPR for the professional rescuer. (NDA)

3274 S 09:00 A-05:50P Boyd, R ESTC
Meeting Dates: 3/5/16 - 3/19/16
8-113
Additional Fee $18.00

3276 MTWR 09:00 A-05:50P Harkabus, B ESTC
Meeting Dates: 1/4/16 - 1/13/16
8-113
Additional Fee $18.00

EMS 9066 0.5 units
Emergency Medical Responder - Refresher
This course reviews the emergency medical responder skills and knowledge to provide treatment for patients with medical and traumatic emergencies in the pre-hospital environment. This course includes CPR for the professional rescuer. (NDA)

3275 S TBA Boyd, R ESTC
Meeting Dates: 3/5/16 - 4/30/16
8-113
Additional Fee $18.00

(3275-EMS 9066-This refresher course is taught concurrently with 3274- EMS 9065. The times that you are required to attend are TBA. Please contact the instructor for further information.)

3277 MTWR TBA Harkabus, B ESTC
Meeting Dates: 1/4/16 - 1/13/16
8-113
Additional Fee $18.00

(3277-EMS 9066-This refresher course is taught concurrently with 3276- EMS 9065. The times that you are required to attend are TBA. Please contact the instructor for further information.)

ENGL 900 3 units
Introduction to College Reading and Writing
Introduction to analysis, interpretation, inference, and information competency. Prepares students to write well-organized, unified and coherent essays for a college audience and teaches critical reading skills for college-level reading material. (AA)
Prerequisite: ENGL 0850 or qualification through assessment

3003 TBA Keller, M INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3003-ENGL 0900-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyou.edu/online prior to the first day of the semester for specific course information.)

3004 MWF 09:00 A-09:50A Reynolds, S ESTC
Meeting Dates: 1/20/16 - 5/25/16
8-107

3005 TR 09:30 A-10:45A Reynolds, S MCLC
Meeting Dates: 1/19/16 - 5/26/16
4-101

3007 TR 12:30P-02:20P Lininger, G SCIENC
Meeting Dates: 2/16/16 - 5/24/16
7-216

ENGL 1001 3 units
College Composition
A composition course focusing on unity, clarity, coherence and vitality of expository communication within the sentence, paragraph, and essay. Students will increase skill in diction, syntax, style, thesis development, information competency, and research skills. The course requires frequent writing assignments totaling a minimum of 8,000 words. (AA, CSU, UC)
Prerequisite: ENGL 0900 or qualification through assessment

3009 TBA McNamara, J INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3009-ENGL 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyou.edu/online prior to the first day of the semester for specific course information.)

ENGL 850 3.5 units
Intermediate Reading and Writing Skills
Improves writing at the essay level by focusing on structure, mechanics, and editing. Familiarizes students with source-based compositions. Emphasizes pre-college level reading of nonfiction with attention to formal responses to reading. (NDA)
Prerequisite: ENGL 0800 or qualification through assessment

3001 MW 09:00A-11:15A Fernandez, M MCCLD
Meeting Dates: 1/20/16 - 5/25/16
4-101

3002 TR 09:30A-11:45A Fernandez, M ESTC
Meeting Dates: 1/19/16 - 5/26/16
8-107

ENGL 2546  
British Literature II  
This survey course covers selected works in British literature from the Romantic Period to the present. Emphasis is placed on historical background, cultural context, and literary analysis of selected prose, poetry, and drama. Upon completion, students should be able to interpret, analyze, and respond to literary works in their historical and cultural contexts. (AA, UC, CSU)  
Prerequisite: ENGL 0900 or qualification through assessment  
Advisory: ENGL 1001 or concurrent enrollment in ENGL 1001

Family & Consumer Science

FCS 610  
Independent Living  
This course deals with fundamental principles needed to live independently such as budget management, socialization, entitlement programs, consumer education, and effective human relations. May include field trips to enrich students' social opportunities. (NDA)

3175 W 11:00A-11:50A  
Rodriguez, M  
MSREC  
Meeting Dates: 2/3/16 - 5/15/16

3176 W 11:00A-11:50A  
Rodriguez, M  
MSREC  
Meeting Dates: 2/3/16 - 5/15/16

Additional Fee $50.00  
(3175-76-FCS 0610-This course includes TBA hours for field trips. Students have the option of taking transportation that the district provides, with the associated fee, or of providing their own transportation. Please contact your instructor for the waiver form. Section 3176 has the optional field trip fee attached. FIELD TRIPS ARE OPTIONAL.)

FCS 1011  
Nutrition  
The function of carbohydrates, fats, proteins, vitamins, and minerals required by the body and their relation to health is studied along with a study of digestion, absorption of food, endocrine glands, diets for pregnant mothers, children, teenagers, and older adults. The problems involved in overweight, undernutrition, and the planning and budgeting of family menus is also covered. (AA, CSU, UC)

3177 TBA  
Altman, M  
INTNET  
Meeting Dates: 1/19/16 - 5/26/16  
(3177-FCS 1011-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

Housing

www.siskiyous.edu/lodges  
Going to college is a new experience, and often involves a new place to live. Excellent choices for many students are the Ponderosa and Juniper Lodges. Decide early what housing and meal options you’ll be choosing. Options become more limited closer to the beginning of the semester.

If you choose to live on campus, Ponderosa or Juniper Lodges provide an excellent way to focus your time and energy while attending College of the Siskiyous. Our friendly staff will help eliminate many of the concerns faced by students living off campus. To reserve a space in our lodges, contact the Student Housing Office at 530.938.5237 or check us out online.
# Fire Science

**FIRE 950** Firefighter I Academy  
This is the basic Firefighter I Academy course. Students successfully completing the class will be eligible for California State Fire Marshal Certification as a Firefighter I and will be qualified for entry-level firefighter positions in federal, state, county, and municipal fire departments.  
(AA)  
Prerequisite: Pass physical agility test or hold a current CPAT Card and EMS 1001 or EMS 9065  
**Meeting Dates:** 1/19/16 - 5/21/16  
**Additional Fee:** $574.00

**FIRE 1004** Building Construction for Fire Protection  
This course is the study of the components of building construction that relate to fire safety. The elements of construction and design of structures are shown to be key factors when inspecting buildings, preplanning fire operations, and operating at fires. The development and evolution of building and fire codes will be studied in relationship to past fires in residential, commercial, and industrial occupancies. This course is certified by the State Chancellor and the California State Fire Marshals Office. (AA, CSU)

**Meeting Dates:** 1/19/16 - 5/26/16

**FIRE 1005** Fire Behavior and Combustion  
Theory and fundamentals of how and why fires start, spread, and are controlled; an in-depth study of fire chemistry and physics, fire characteristics of materials, extinguishing agents, and fire control techniques. This course is certified by the State Chancellor and the California State Fire Marshal's Office. (AA, CSU)

**Meeting Dates:** 1/19/16 - 5/26/16

**FIRE 1006** Fire and Emergency Services Safety and Survival  
This course introduces the basic principles and history related to the national firefighter life safety initiatives, focusing on the need for cultural and behavior change throughout the emergency services. This course is certified by the State Chancellor and the California State Fire Marshal's Office. (AA, CSU)

**Meeting Dates:** 1/19/16 - 5/26/16

**FIRE 9181** Fire Fighter II  
Preparation for California State Certification as a Fire Fighter II. Includes basic manipulative skills and increasingly difficult tasks that must be demonstrated to state standards to qualify for certification. In addition, various parts of the course include technical classroom activities. Students successfully completing the class will be eligible for California State Fire Marshal Certification once they complete the required work experience hours. Students will also receive certification for Low Angle Rope Rescue Operational. (NDA)  
Prerequisite: FIRE 0950 or a CSFM Firefigher I certificate

**Meeting Dates:** 1/19/16 - 5/26/16

# Geology

**GEOL 850** Geology of Lava Beds National Monument  
Introduction to Lava Beds National Monument's geologic setting, history, and potential hazards during two evening programs and a one-day field trip. The trip will afford opportunities to study features ranging from lava tubes to tuff cones, and to interpret the origins of these features in their regional geologic context. (NDA)

**Meeting Dates:** 4/30/16 - 4/30/16

---

[Map of California]
GEOL 1120 3 units
Geology of the National Parks
Geology of the National Parks introduces plate tectonics, geologic dating and earth materials and uses these concepts to understand how geologic processes operating at plate boundaries and hotspots have shaped national park lands. It also explores how the parks fit into the larger geologic framework of North America and what they tell us about the changing roles of tectonic and surface processes during the continent's nearly four billion year history. (AA, CSU, UC)
Prerequisite: ENGL 1001 and either MATH 0850 or qualification through assessment or MATH 0851 or qualification through assessment

3204 TBA Hirt, W INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3204-GEOL 1120-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

GEOL 1220 4 units
Historical Geology/Lab
Historical Geology explores how Earth and the life it supports have changed through time. Geologic principles are used to understand the planet's origin and the processes that have repeatedly modified the global environment, whereas fossils are used to trace the development of life on Earth and assess how natural selection and environmental change have shaped living communities. Lab exercises include identification of rocks and fossils, map interpretation, and field study of regional geologic history. (AA, CSU, UC) (C-ID: GEOL 111)
Prerequisite: ENGL 1001 and either MATH 0850 or qualification through assessment or MATH 0851 or qualification through assessment

3206 MWF 01:00P-01:50P Hirt, W SCIENC
W 02:00P-04:50P   7-216
Meeting Dates: 1/20/16 - 5/25/16

Guidance

GUID 1002 2 units
Career and Life Planning
This course is designed for students who are undecided about their major and for students who are making a vertical or lateral career change. Topics include an overview of life stages, personal and career assessment, values clarification to determine career compatibility, educational planning, job search skills, technological changes that will impact the world of work, and the creation of an employment portfolio. (AA, CSU)
Advisory: ENGL 0900

3339 TBA Greene, S INTNET
Meeting Dates: 2/8/16 - 5/26/16
(3339-GUID 1002-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

Counseling and Support Services
Located on both the Weed and Yreka campuses, services and programs are available to help students define and achieve their academic and career goals.

Academic Advising:
These services include interpreting assessment results, selecting courses, formulating an education plan, discussing educational concerns, and providing guidance toward student educational goals. Special accommodations can be arranged by calling 530.938.5353.

Academic Counseling:
Academic counseling services are provided to assist students in exploring their academic, vocational, and personal goals as well as to help students address personal issues that are affecting their academic success.
COLLEGE OF THE SISKIYOUS SPRING 2016 SCHEDULE OF CLASSES

GUID 1005 3 units
College Success Skills
College Success Skills is designed to help students develop values, attitudes, methods, and techniques to support their success in college. Emphasis is placed on learning study skills and college orientation. Also included is information about life skills, career search, communication, diversity issues, and health. This course is strongly advised for first time and returning college students. The UC accepts transfer credit for either GUID 1005 or MUS 1022, but not both. (AA, CSU, UC)

3384 TBA Greene, S INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3384-GUID 1005-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

3340 TR 11:00A-12:15P Collins, H SCIENCE
Meeting Dates: 1/19/16 - 5/26/16 7-110

GUID 1006 3 units
Learning Strategies
This course provides students with the necessary skills and strategies to succeed personally and educationally in college and more greatly benefit from the collegiate educational experiences. Students will learn how to develop their skills and intrapersonal qualities to help maximize their potential in college and in life. Strategies will include: increasing self-motivation and self-awareness, self management, personal responsibility, identification of study and reading techniques and improvement of note taking and test taking. (AA, CSU)

3361 TR 08:00A-09:15A Hagarty, D ESTC
Meeting Dates: 1/19/16 - 5/26/16 8-107

HEA 1010 3 units
Health in Action
This course covers personal and community health problems including mental health, drugs and alcohol, tobacco use, nutrition, fitness and wellness, sex education, diseases, cardiovascular health, personal safety, aging, and environmental awareness. (AA, CSU, UC)

3054 TBA Hefflinger, W INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3054-HEA 1010-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

3055 TBA Frisbie, T INTNET
Meeting Dates: 3/14/16 - 5/26/16
(3055-HEA 1010-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

3056 MWF 12:00P-12:50P Hefflinger, W DLC
Meeting Dates: 1/20/16 - 5/25/16 3
3057 MWF 12:00P-12:50P Hefflinger, W RHSI
Meeting Dates: 1/20/16 - 5/25/16 1-119
(3056-3057-HEA 1010 - This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)

HIST 1010 3 units
World Civilizations Since 1450
World Civilizations Since 1450 will explore the history of world civilizations since contact between Europe and the Americas. Students will be asked to explore the interactions of technology, culture, religion, warfare, environment and politics as they traverse the histories of various civilizations, including Asia, Africa, Europe, the Middle East and the Americas. Students will then be asked to place the histories of these civilizations into a global context. (AA, CSU, UC)

3224 TBA Bush, D INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3224-HIST 1010-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

HEA 1010 (CONT.)

3053 TBA Roche, C INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3053-HEA 1010-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

### HIST 1047
3 units
**Eastern Civilizations Since 1600**
A survey of East Asian civilizations from 1600 to the present. Students will explore the evolution of political, cultural, social and religious institutions in China, Japan and Korea through primary and secondary sources. Topics will include, but are not limited to: Buddhism, Confucianism, Daoism, the Chinese dynastic system, interactions with the western world, revolutionary movements in China, Japan and Korea, and contemporary political and social issues. A special emphasis will be placed on the notions and definitions of modernity and placing East Asia within the context of what it means to be modern. Throughout the course students will be encouraged to place East Asia in a global and comparative context as well as engage the history of East Asia on its own terms. (AA, CSU, UC)

Mathematics

MATH 830  Pre-Algebra  4 units
A basic mathematics course designed to provide skill development in operations with fractions, decimals, percents, and signed numbers. Algebra concepts including variables, order of operations, graphing, and measurement are also presented. (NDA) Prerequisite: MATH 0804 or qualification through assessment

3025 TBA Alexander, C INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3025-MATH 0830-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

MATH 850  Elementary Algebra Review  4 units
This course is designed for students needing an intensive and fast-paced extensive review of Algebra and who have previously successfully completed Algebra in high school. Topics include properties of and operations on real numbers, linear equations, linear systems, exponents, polynomials, factoring, rational expressions, radicals, quadratic equations, and parabolas. (NDA) Prerequisite: Qualification through assessment

3393 TBA Cecil, J INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3393-MATH 0850-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

MATH 852  Beginning Algebra II  4 units
The second semester of Beginning Algebra. Topics include factoring, radicals, polynomials, quadratic equations, and graphing parabolas. (NDA) Prerequisite: MATH 0851 or qualification through assessment

3037 TBA Cecil, J INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3037-MATH 0852-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

MATH 980  Intermediate Algebra  4 units
This course is a study of algebra including real numbers, linear equations and inequalities, exponents, factoring, rational expressions, radicals, quadratic equations and functions. Emphasis is placed on manipulating literal equations, absolute value equations and inequalities, complex numbers, and systems of equations. (AA) Prerequisite: MATH 0850 or MATH 0852 or qualification through assessment

3041 TBA Cecil, J INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3041-MATH 0980-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

3042 TBA Cecil, J INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3042-MATH 0980-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)
### Mathematics

**MATH 1050**
*Elementary Statistics*
The use of probability techniques, hypothesis testing, and predictive techniques to facilitate decision-making. Topics include descriptive statistics; probability and sampling distributions; statistical inference; correlation and linear regression; analysis of variance, chi-square and t-tests; and application of technology for statistical analysis including the interpretation of the relevance of the statistical findings. Applications using data from disciplines including business, social sciences, psychology, life science, health science, and education. (AA, CSU, UC)
Prerequisite: MATH 0980 or qualification through assessment

**MATH 1200**
5 units
*Calculus and Analytic Geometry II*
This course is the second of a sequence of three courses in Calculus and Analytic Geometry. Topics include calculus of logarithmic, exponential, and inverse trigonometric functions, techniques of integration, improper integrals, first-order differential equations, modeling, and infinite series. (AA, CSU, UC)
Prerequisite: MATH 1400 or qualification through assessment

**MATH 1100**
4 units
*College Algebra*
Topics include the real number system, radicals and rational exponents, linear and quadratic equations and inequalities, graphs and functions, polynomial and rational functions, exponential and logarithmic functions, systems of equations and inequalities, matrices, analytic geometry, and mathematical induction. The UC accepts transfer credit for either MATH 1200 or MATH 1100 but not both. (AA, CSU, UC)
Prerequisite: MATH 0980 or qualification through assessment

**MATH 1400**
5 units
*Calculus and Analytic Geometry I*
This course is preparation for Calculus including a review of college algebra, polynomials, rational functions, trigonometric functions and identities, and mathematical induction. Covers analytical and plane trigonometry. Analytical geometry includes basic formulas and conic sections. A maximum of 4 units of MATH 1200 can be counted for UC transfer credit. The UC accepts transfer credit for either MATH 1200 or MATH 1100 but not both. (AA, CSU, UC)
Prerequisite: MATH 1100 or qualification through assessment

### Music

**MUS 506**
*Community Choir*
This course includes the study and performance of standard choral literature. Music from the 16th Century to the modern will be prepared for public performance. (NDA)

**MUS 509**
*Elementary Statistics*
The use of probability techniques, hypothesis testing, and predictive techniques to facilitate decision-making. Topics include descriptive statistics; probability and sampling distributions; statistical inference; correlation and linear regression; analysis of variance, chi-square and t-tests; and application of technology for statistical analysis including the interpretation of the relevance of the statistical findings. Applications using data from disciplines including business, social sciences, psychology, life science, health science, and education. (AA, CSU, UC)
Prerequisite: MATH 0980 or qualification through assessment

**MUS 510**
*Calculus and Analytic Geometry II*
This course is the second of a sequence of three courses in Calculus and Analytic Geometry. Topics include calculus of logarithmic, exponential, and inverse trigonometric functions, techniques of integration, improper integrals, first-order differential equations, modeling, and infinite series. (AA, CSU, UC)
Prerequisite: MATH 1400 or qualification through assessment

---

**Meeting Dates:**

- **3046 MTWR 08:00A-08:50A** Louie, S  
  Meeting Dates: 1/19/16 - 5/26/16

- **3047 TR 06:00P-07:50P** Cortese, F  
  Meeting Dates: 1/19/16 - 5/26/16

- **3048 MTWR 08:00A-08:50A** Read, M  
  Meeting Dates: 1/19/16 - 5/26/16

- **3049 MTWR 08:00A-08:50A** Price, H  
  Meeting Dates: 1/19/16 - 5/26/16

- **3228 MWF 09:00A-09:50A** Dixon, R  
  Meeting Dates: 1/20/16 - 5/25/16

- **3346 MTWR 08:00A-08:50A** Broussard, K  
  Meeting Dates: 1/19/16 - 5/26/16
MUS 507  Community Chamber Singers  0 units
Community Chamber Singers
A select choral ensemble of experienced singers who will perform at various college and community functions. Repertoire includes folk songs, madrigals, spirituals, and additional music, all of which requires advanced singing ability. Specific attention will be paid to the aging voice regarding vocal production. The final musical goal will be performances enjoyable to both the performers and audience members. (NDA)

Meeting Dates: 1/20/16 - 5/25/16  2

MUS 516  Community Jazz Band  0 units
Community Jazz Band
A traditional big band style ensemble. Contemporary arrangements will be rehearsed and performed utilizing five saxophones, four/five trumpets, four/five trombones, one piano player, one bass player, one guitar player and one or two jazz drum set players. Jazz, Latin, rock, funk and other styles will be learned with an emphasis on Jazz Improvisation. Learners develop skills playing instruments of personal interest as well as enhance fine motor skill development for the later life learner. (NDA)

Meeting Dates: 1/19/16 - 5/26/16  2

MUS 588  Community Chamber Music Ensemble  0 units
Community Chamber Music Ensemble
MUS 588 prepares students in the participation of smaller instrumental and vocal ensembles, with intensive preparation toward performance. Small ensemble music is available for most instruments, and vocalists. Emphasis is on the active participation, and performance of small diverse instrumental combinations, including, but not limited to: duets, trios, string, vocal, woodwind, and brass quartets, quintets, etc. Learners develop skills singing or playing instruments of personal interest as well as enhance fine motor skill development for the later life learner. (NDA)

Meeting Dates: 1/19/16 - 5/26/16  1

MUS 1014  Applied Music - Technique  2 units
Applied Music - Technique
Specialized individual instruction for music students on their major focus. A weekly private lesson. Study of techniques and problems of performance. Study of scales, appropriate technical exercises and solo literature at the intermediate level. Performance in a recital each semester is required. This course is required for all instrumental music majors and minors and may be taken for credit a total of four times. (AA, CSU, UC) (C-ID: MUS 160) Prerequisite: Assessment by audition or completion of a previous semester of MUS 1014
Corequisite: Presently registered in or have completed MUS 1004 or Music Theory, and be registered in two performance groups with faculty approval

Meeting Dates: 1/22/16 - 5/20/16  2
(3284-MUS 1014-This course includes TBA hours for lessons and practice.)

MUS 1025  Beginning Voice I  1 unit
Beginning Voice I
This course is designed to provide voice training for Music and Theatre majors and minors. Other students wishing to improve their singing voices are also welcome. All instrumental majors are required to take one year of Beginning Voice. MUS 1025 & 1525 are highly recommended for Theatre majors. (AA, CSU, UC)

Meeting Dates: 1/20/16 - 5/25/16  2

MUS 1035  Beginning Piano  0 units
Beginning Piano
This course is the study of piano at the beginning level. The student may progress from the student's ability level and advance through two semesters of study. All music majors are required to play piano to satisfy qualifications for the degree in music. Non-music majors are also welcome. This course may be taken for credit a total of two times. (AA, CSU, UC)

Meeting Dates: 1/20/16 - 5/25/16  3

MUS 1105  Concert Choir  1.5 units
Concert Choir
This course includes the study and performance of standard choral literature. Music from the 16th Century to the modern will be prepared for public performance. May be taken for credit a total of four times. (AA, CSU, UC)

Meeting Dates: 1/20/16 - 5/25/16  2
MUS 1131  3 units
Music Appreciation
This is an introductory course to arouse the student's interest in classical music and teach the student to respond intelligently to the great works which constitute our musical heritage. MUS 1131 will include the study of the materials of music and performing mediums, and a brief study of important compositions by famous composers of the Medieval, Baroque, Classical, Romantic, and Modern periods. (AA, CSU, UC) (C-ID: MUS 100)
Advisory: ENGL 0900

3301 MWF 10:00A-10:50A Slabbinck, R  THEA
Meeting Dates: 1/20/16 - 5/25/16  2

MUS 1507  1.5 units
Chamber Singers
A select choral ensemble of experienced singers who will perform at various college and community functions. Repertoire includes folk songs, madrigals, spirituals, and additional music, all of which require more advanced singing ability than is expected in MUS 1105. (AA, CSU, UC)

3288 TR 02:00P-03:15P Slabbinck, R  THEA
Meeting Dates: 1/19/16 - 5/26/16  2

MUS 1525  1 unit
Beginning Voice II
This course is designed to provide voice training for Music and Theater majors and minors in the music of Broadway musicals. Other students wishing to improve their singing voice are also welcome. All instrumental and vocal music majors are required to complete this course. MUS 1025 and 1525 are highly recommended for theater majors and are required for all music majors. (AA,CSU,UC)
Prerequisite: MUS 1025

3300 MW 11:00A-11:50A Slabbinck, R  THEA
Meeting Dates: 1/20/16 - 5/25/16  2

MUS 1508  1.5 units
Chamber Music Ensemble
MUS 1508 prepares students for participation in smaller instrumental and vocal ensembles, with intensive preparation toward performance. Available for most instruments, and vocalists. Emphasis is on the active participation, and performance of small diverse instrumental combinations, including, but not limited to: duets, trios, string, vocal, woodwind, and brass quartets, quintets, etc. (AA,CSU,UC)

3296 TWR 06:00P-06:50P Elliott, L  THEA
Meeting Dates: 1/19/16 - 5/26/16  1

MUS 1512  2 units
Vocal Jazz Ensemble
A prolific performing ensemble designed to enable the students to advance in the genre of vocal jazz. Stylistic understanding and appreciation of the organization, training procedures, arranging, staging, and other phases of ensemble work will be emphasized. Vocal improvisation will be explored as well. Music performed will consist of jazz, jazz rock, top 40, and pop materials. May be taken for credit a total of four times. (AA, CU, UC)
Prerequisite: Assessment by audition; a solo audition with the instructor to review the student's basic skills in sight reading and stylistic interpretation
Advisory: MUS 1004, MUS 1105, or MUS 1507

3286 MW 01:00P-02:50P Slabbinck, R  THEA
Meeting Dates: 1/20/16 - 5/25/16  2

MUS 1516  1.5 units
Jazz Band
This is an organized large jazz band rehearsing and performing jazz, fusion, and pop material along with improvisational techniques. (AA,CSU,UC) (C-ID: MUS 180)

3294 T 07:00P-09:50P TBA  THEA
Meeting Dates: 1/19/16 - 5/24/16  1

MUS 1528  1.5 units
Musical Comedy Workshop
Rehearsal and performance of a musical play. (AA,CSU,UC)

3292 MTWR 03:30P-04:50P Slabbinck, R  THEA
Meeting Dates: 1/19/16 - 3/20/16  2

3293 M 07:00P-09:50P Slabbinck, R  THEA
Meeting Dates: 1/19/16 - 3/20/16  1
(3293-THEA 1528-This section is for the pit orchestra for the spring musical.)
### MUS 1535  Intermediate Piano
1 unit

**Topics include:** technique articulation interpretation and styles. Study of musical pieces from standard piano repertoire of early intermediate through advanced level, depending on students' skills and prior experience. (AA, CSU, UC)

**Prerequisite:** Two semesters of MUS 1035 (Beginning Piano) or consent of instructor.

### MUS 1601  Music Theory and Ear Training II
4 units

MUS 1601 covers the fundamentals of two part voice leading, melody writing and all the traditional concepts of four-part writing. Secondary functions will be examined both as tonicizations of chords and as part of a study of modulations. Sight singing will focus on melodic materials featuring intervals related to the root movements being studied. Additional ear training materials will include dictation of four-part exercises and will be reinforced by keyboard exercises of similar types. (AA, CSU, UC) (C-ID: MUS 130 & MUS 135)

**Prerequisite:** MUS 1101

### MUS 2523  Applied Music - Literature
2 units

**Applied Music - Literature**
This course includes specialized individual instruction for music majors on their major focus instrument or voice through a weekly one-hour private lesson. The study of appropriate literature from all relevant eras of music history including the Baroque, Classical, Romantic and Modern will be covered through subsequent semesters. Performance in a recital each semester is required. May be taken for credit a total of four times. (AA, CSU, UC)

**Prerequisite:** Completion of four semesters of MUS 1014 - Technique

**Corequisite:** Co-enrollment in MUS 1101 or 1004, and a performance group or completion of MUS 1101 and a performance group

### Nursing

#### NURS 852  Clinical Skills Practice II
0.5 units

**Clinical Skills Practice II**
This course provides additional lab time for skills practice in a supervised setting. It provides an opportunity for the student to prepare for skills testing, skills remediation, updating of skills, and refinement of skills as the student progresses toward program completion. (NDA)

**Corequisite:** NURS 0952

NURS 853  
Clinical Skills Practice III  
This course provides additional lab time for skills practice in a supervised setting. It provides an opportunity for the student to prepare for skills testing, skills remediation, updating of skills, and refinement of skills as the student progresses toward program completion. (NDA)  
Corequisite: NURS 0953  
3184 T 02:00P-03:15P Coppi, H  
Meeting Dates: 1/19/16 - 5/24/16  

NURS 953  
Vocational Nursing - Third Semester  
This course provides the final sequence of instruction and clinical experience necessary to prepare the student for entry level practice as a vocational nurse. New skills and knowledge are presented as well as opportunities to perfect previously learned skills and apply accumulated nursing theory during the clinical rotation. At the completion of this course the student will be eligible to take the national examination for licensure. (AA)  
Prerequisite: NURS 0952  
Advisory: NURS 0853  
3186 TW 09:00A-12:50P Coppi, H  
W 03:30P-04:45P  
RF 06:00A-02:15P  
RF 08:00A-04:15P  
Meeting Dates: 1/19/16 - 5/26/16  

NURS 952  
Vocational Nursing - Second Semester  
This course will allow the student, under direct supervision, to participate as a member of the health care team, to understand and implement patient plans of care, to provide emotional support, to implement health teaching, and to communicate with patients and their significant others. It allows the student to progress from the basic to the more complex medical-surgical nursing care of adults and children, and expand the skills necessary for safe and competent vocational nursing. (AA)  
Prerequisite: NURS 0951  
Advisory: NURS 0852  
3185 M 09:00A-12:50P Butler, K  
TW 01:00P-09:50P

TW 06:00A-02:50P  
F 09:00A-03:50P  
R 09:00A-01:50P  
Meeting Dates: 1/19/16 - 5/26/16  

NURS 966  
Intravenous Therapy and Blood Withdrawal  
This course provides instruction for graduate vocational nursing students, third semester vocational nursing students, licensed vocational nurses, and registered nurses in the proper procedures to follow in starting and maintaining intravenous fluids as well as techniques in blood withdrawal. At the completion of the course, those who have met eligibility and course completion requirements will receive a certificate in IV Therapy/Blood Withdrawal issued through the Board of Vocational Nurse and Psychiatric Technicians. (AA)  
Prerequisite: LVN or RN License or concurrent enrollment in NURS 0953  
3189 M 09:00A-03:50P TBA  
Meeting Dates: 4/4/16 - 5/9/16  

NURS 1045  
Medical Terminology  
This course introduces the student to the fundamentals of medical word building as well as terms related to specific body systems. Emphasis is placed upon pronunciation, spelling, anatomical, pathological, surgical, and diagnostic terminology. This course is designed for pre-nursing students, health care clerical support staff, nursing assistants, and others desiring a basic knowledge of medical terminology and how the body works. (AA, CSU)  
3190 TBA Harmse, J  
Meeting Dates: 1/19/16 - 5/26/16  
(3190-NURS 1045-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyou.s.edu/online prior to the first day of the semester for specific course information.)
NURS 1541 4.5 units
LVN-RN Step-up Advanced Maternal Child Nursing
This course focuses on advanced concepts in caring for high risk child-bearing and child-rearing families. Concepts emphasized include family communications, teaching, nursing process, critical thinking, legal-ethical issues and patient advocacy. Emphasis will be on nursing interventions to prevent or decrease risk factors associated with the child bearing families. (AA,CSU)
Prerequisite: NURS 1021, NURS 1031, and NURS 1032
Corequisite: NURS 1542

3187 TBA TBA RHSI
Meeting Dates: 1/19/16 - 5/26/16
(3187-NURS 1541-For a complete schedule for this course please contact the Nursing Department.)

NURS 1542 7.5 units
LVN-RN Step-Up-Advanced Medical Surgical Nursing
This course focuses on advanced application of the nursing process in care of critically ill, high acuity adult patients. The student organizes and discriminates data to establish priorities of care, utilizes critical thinking, and manages multiple patient assignments. Content includes leadership theory and application, delegation, prioritization, time management, and transitioning from student nurse role to that of registered nurse. (AA,CSU)
Prerequisite: NURS 1021, NURS 1031, and NURS 1032
Corequisite: NURS 1541

3188 TBA Busk, B RHSI
Meeting Dates: 1/19/16 - 5/26/16
(3188-NURS 1542-For a complete schedule for this course please contact the Nursing Department.)

Physical Education/Kinesiology

PEAC 1004 1 unit
Beginning Basketball
This course is in beginning basketball skills. Shooting, free throw, rebounding, and defensive techniques will be developed through competitive group and individualized situations. UC transfer credit limitations. See course catalog. (AA, CSU, UC)
Prerequisite: PEAC 1104

3341 MWF 12:00P-12:50P Collier, N GYM
Meeting Dates: 1/20/16 - 5/25/16

PEAC 1104 1 unit
Intermediate Basketball
This course is in intermediate basketball skills. Simulated offensive and defensive situations will be incorporated into shooting, free throw, rebounding, offensive and defensive techniques. These will be developed through competitive group situations. UC transfer credit limitations. See course catalog. (AA, CSU, UC)
Prerequisite: PEAC 1004

3342 MWF 12:00P-12:50P Collier, N GYM
Meeting Dates: 1/20/16 - 5/25/16

Physical Education/Fitness

PEFI 1001 1 unit
Beginning Water Exercise
This beginning water exercise fitness course is designed to develop muscular strength, endurance, and flexibility, as well as cardiovascular endurance through low impact water resistance. UC transfer credit limitations. See course catalog. (AA, CSU, UC)
Prerequisite: PEFI 1004

3068 MWF 09:00A-09:50A Collier, N BAYMNT
Meeting Dates: 1/20/16 - 5/25/16

PEFI 1002 1 unit
Beginning Circuit Weight Training
This course is designed to promote physical fitness through circuit weight training. The components of physical fitness and risk factor analysis will be examined. Fitness assessments will be used to examine fitness levels. Participation in a weekly circuit training program is required. UC transfer credit limitations. See course catalog. (AA, CSU, UC)
Prerequisite: PEFI 1004

3058 MWF 08:00A-08:50A Frisbie, T WTROOM
Meeting Dates: 1/20/16 - 5/25/16
3060 MWF 11:00A-11:50A TBA WTROOM

COLLEGE OF THE SISKIYOUS SPRING 2016 SCHEDULE OF CLASSES

PEFI 1102  Intermediate Circuit Weight Training  1 unit
This is an intermediate course in circuit weight training. This course is designed to increase overall physical fitness through circuit training. This course will focus on aerobic training and muscular endurance strength training using circuit training principles. This course will also focus on body composition analysis and improvement. UC transfer credit limitations. See course catalog. (AA, CSU, UC)
Prerequisite: PEFI 1002

3059  MWF  08:00A-08:50A Frisbie, T  WTROOM
Meeting Dates: 1/20/16 - 5/26/16

3061  MWF  11:00A-11:50A TBA  WTROOM
Meeting Dates: 1/20/16 - 5/26/16

7

PEFI 1108  Intermediate Cardiovascular Fitness  1 unit
This course provides an intermediate approach to cardiovascular training programs utilizing traditional and non-traditional methods and equipment including but not limited to stationary cycling, aerobic dance, step aerobics, elliptical machines, treadmills, jogging, running, jump rope, ladders, dot drills, balls, cylinders, and unstable bases to increase cardiorespiratory fitness and efficiency. The principles and methods of cardiorespiratory fitness will be examined. UC transfer credit limitations. See course catalog. (AA, CSU, UC)
Prerequisite: PEFI 1008

3067  MWF  11:00A-11:50A Patterson, T  GYM
Meeting Dates: 1/20/16 - 5/26/16

PEFI 1114  Intermediate Walking for Fitness  1 unit
This course is designed to help students acquire an understanding of the benefits of an intermediate, more vigorous walking for fitness program. This course focuses on the continued development and maintenance of cardiorespiratory fitness, weight control, and life-long fitness. This walking course will incorporate the use of a variety of settings and techniques in order to increase the workload for the students. UC transfer credit limitations. See course catalog. (AA, CSU, UC)
Prerequisite: PEFI 1002

3083  MTWR  11:00A-11:50A Collier, N  GYMFOY
Meeting Dates: 2/22/16 - 5/26/16

Physical Education
Major/Athletics

PEMA 1006  Men's Varsity Basketball  1.5 units
This course is the theory and practice of basketball, including intercollegiate competition. May be taken for credit a total of four times. (AA, CSU, UC)

3332  MTWRF  01:00P-02:50P Heath, K  GYM
Meeting Dates: 1/19/16 - 3/21/16

PEMA 1007  Men's Varsity Baseball  3 units
Competitive baseball on the intercollegiate level. Participation in the Golden Valley Conference. May be taken for credit a total of three times. (AA, CSU, UC)

3087  MTWRF  03:00P-04:50P Frisbie, J  BASEBL
Meeting Dates: 1/19/16 - 5/26/16

PEMA 1010  Varsity Track (Coed)  3 units
Techniques of track and field are covered including intercollegiate competition. May be taken for credit a total of three times. (AA, CSU, UC)

3089  MTWRF  02:00P-03:50P Courtemanche, L  TRACK
Meeting Dates: 1/19/16 - 5/26/16

3330  MTWRF  02:00P-04:15P Courtemanche, L  TRACK
Meeting Dates: 2/8/16 - 5/26/16

7
PEMA 1014 1.5 units
Women's Varsity Basketball
This course is the theory and practice of basketball, including intercollegiate competition. May be taken for credit a total of four times. (AA, CSU, UC)

3091 MTWRF 03:00P-04:50P Powers, T GYM
Meeting Dates: 1/19/16 - 3/21/16

PEMA 1016 3 units
Women's Varsity Softball
Covers the theory and practice of softball and includes intercollegiate competition. May be taken for credit a total of three times. (AA,CSU,UC)

3088 MTWRF 02:00P-03:50P Cox, J SOFTBL
Meeting Dates: 1/19/16 - 5/26/16

PEMA 1017 3 units
Women's Varsity Soccer
The theory and practice of soccer is covered including position skills, philosophies, offensive and defensive strategy and offensive and defensive position techniques. This course includes intercollegiate competition. This course may be taken for credit a total of three times. (AA,CSU,UC)

3100 MTWRF 02:00P-03:50P Kephart, E SOCFLD
Meeting Dates: 1/19/16 - 5/26/16

PEMA 1018 3 units
Men's Varsity Soccer
The theory and practice of soccer is covered including position skills, philosophies, offensive and defensive strategy and offensive and defensive position techniques. This course includes intercollegiate competition. This course may be taken for credit a total of three times. (AA,CSU,UC)

3101 MTWRF 02:00P-03:50P Kephart, E SOCFLD
Meeting Dates: 1/19/16 - 5/26/16

PEMA 1030 3 units
Principles of Physical Fitness and Wellness
An introduction course in the principles of physical fitness and wellness. This course includes sections on the foundations of physical fitness, fitness assessment and evaluation, fitness programming, weight management, nutrition, stress management, and an introduction to dimensions of wellness. (AA, CSU, UC)

3099 TBA Frisbie, T INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3099-PEMA 1030-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

3371 TBA Frisbie, T INTNET
Meeting Dates: 3/14/16 - 5/26/16
(3371-PEMA 1030-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

PEMA 1034 3 units
Introduction to Kinesiology
This course is an introduction to the interdisciplinary approach to the study of human movement. An overview of the importance of the sub-disciplines in kinesiology will be discussed along with career opportunities in the areas of teaching, coaching, allied health, and fitness professions. (AA, CSU) (C-ID: KIN 100)

3096 TR 09:30 A-10:45 A Lininger, K SCIENC
Meeting Dates: 1/19/16 - 5/26/16
(3096-PEMA 1034-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

PEMA 1035 3 units
Introduction to Athletic Training
This course is designed to introduce the basic concepts of athletic injuries and initial management of those injuries. This course will cover the fundamentals of athletic injuries, and the assessment, prevention, and initial care of those injuries. (AA,CSU)
Advisory: PEMA 1036

3098 TR 09:30A-10:45A Lininger, K SCIENC
Meeting Dates: 1/19/16 - 5/26/16 7-110
PEMA 1039
Certified Personal Trainer
This course is designed for students interested in a career in the fitness industry or for those students interested in furthering their understanding of the effects of exercise. This is a preparation course for the National Counsel on Strength and Fitness (NCSF) Personal Trainer Board Examination and certification. This course covers the components of fitness, health and fitness measurements, general strength, flexibility, cardiovascular training guidelines and exercise prescription. (AA, CSU)

PEMA 1106
Off-Season Men’s Varsity Basketball
Designed for athletic team candidates in an off-season program. Includes sport-specific training with the purpose of developing areas of individual weaknesses. Students who repeat this course will improve skills through further instruction and practice. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

PEMA 1107
Off-Season Women’s Varsity Basketball
Designed for athletic team candidates in an off-season program. Includes sport-specific training with the purpose of developing areas of individual weaknesses. Students who repeat this course will improve skills through further instruction and practice. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

PEMA 1109
Off-Season Men’s Varsity Football
Designed for athletic team candidates in an off-season program. Includes sport-specific training with the purpose of developing areas of individual weaknesses. Students who repeat this course will improve skills through further instruction and practice. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

PEMA 1110
Off-Season Women’s Varsity Volleyball
Designed for athletic team candidates in an off-season program. Includes sport-specific training with the purpose of developing areas of individual weaknesses. Students who repeat this course will improve skills through further instruction and practice. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

PEMA 1114
Off-Season Women’s Varsity Basketball
Designed for athletic team candidates in an off-season program. Includes sport-specific training with the purpose of developing areas of individual weaknesses. Students who repeat this course will improve skills through further instruction and practice. UC transfer credit limitations. See course catalog. (AA, CSU, UC)

Philosophy
PHIL 1001
Introduction to Philosophy
This class introduces students to major Western philosophical issues and methodologies. It is a chronological presentation of archetypical philosophers’ thought concerning knowledge, reality and values. Topics include the sources and limits of knowledge, the nature of reality and self, and examination of fundamental beliefs about ethics, religion, science, language, art, society, politics, and the meaning of life. (AA, CSU, UC)
PHIL 1004
Critical Reasoning
This course provides students with instruction and experience in recognizing, analyzing, evaluating, and constructing arguments relevant to politics, advertising, economics, current affairs, and everyday pressures to accept and act on ideas. Emphasis will be on logical fallacies, language, emotion, statistics, induction, and deduction. (AA, CSU, UC)

3337   TR 09:30A-10:45A  Pentrack, J  DLC
Meeting Dates: 1/19/16 - 5/26/16
3338   TR 09:30A-10:45A  Pentrack, J  RHSI
Meeting Dates: 1/19/16 - 5/26/16
(3337-38-This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)

PHIL 1014
Philosophy of Love, Sex, and Marriage
This course is a dialogical exploration of philosophical reflection on the meaning of love, sexuality, and intimate relationships, drawing from Western and Eastern traditions, and analysis of their political, social, and ethical issues. (AA, CSU, UC)

3314   TBA Ackerman, S  INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3314-PHIL 1014-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

PHIL 1021
World Religions: Eastern Cultures
Introduction to the major traditional religions of India, China and Japan and how they relate to philosophy, culture and social life. Some of the philosophies to be covered include Vedanta, Yoga, Buddhism, Taoism and Confucianism. (AA, CSU, UC)
Advisory: ENGL 1001

3368   TBA Kealey, D  INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3368-PHIL 1021-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

PHYS 1001
Physics by Exploration
A lecture/lab introduction to physics using inquiry-based learning strategies. The course is designed to give Liberal Arts students direct experience in the scientific process thus establishing a solid foundation for scientific literacy. Starting from their own observations, students develop basic physical concepts, use and interpret different forms of scientific representations and construct explanatory models with predictive capability. Students develop scientific reasoning skills and relate scientific concepts, representations, and models to real world phenomena. (AA, CSU, UC)

3319   TR 09:30A-12:20P  Read, M  SCIENCE
Meeting Dates: 1/19/16 - 5/26/16

PHYS 1020
Weird Science: Science, Skepticism, and Critical Thinking
This course will strive to teach critical scientific thinking in explaining various phenomena including the realm of the paranormal as well as everyday human behavior. Discussions focus on scientific versus pseudo-scientific explanations, and how to tell the difference. Course covers the use of language, thought, and logic in distinguishing science fact from science fiction. Inductive and deductive methods, judgment, opinion, belief, and knowledge. A critical examination of contemporary pseudoscientific issues (creation "science", astrology, UFO's etc). (AA, CSU)

3320   TBA Read, M  INTNET
Meeting Dates: 1/19/16 - 5/26/16
(3320-PHYS 1020-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

PHYS 1110
General Physics II
This course is a continuation and completion of the study of General Physics. The subject matter includes, Thermodynamics, electricity and magnetism, physical and geometric optics, and an introduction to modern physics. Emphasis is given to life science and medical applications of physics. UC transfer credit is granted for either the PHYS 1105 and 1110 series or the PHYS 2105, 2110, and 2115 series. (AA, CSU, UC)
Prerequisite: PHYS 1105 and MATH 0980
Advisory: High School Trigonometry

3321   MWF 10:00A-11:50A  Read, M  SCIENCE
MW 02:00P-02:50P
Meeting Dates: 1/20/16 - 5/25/16
PHYS 2110 4.5 units
Electrical Physics, Light
The fundamental principles of electricity and magnetism are treated within the mathematical framework of elementary differential and integral calculus. Topics include: electric fields, Gauss' Law, electrical potential, capacitors and dielectrics, current and resistance, magnetic fields, Ampere's law, Faraday's law of induction, magnetic properties of matter, electromagnetic oscillations and waves, alternating currents, Maxwell's equations, and wave properties of light and geometric optics. (AA,CSU,UC) (C-ID: PHYS 210)
Prerequisite: PHYS 2105 and MATH 1400
Corequisite: MATH 1500

POLS 1001 3 units
American Government: National, State, and Local
This introductory course explores the origins, foundations and development of the federal and California state governments and examines their institutions, political processes, and their functions. (AA, CSU, UC)
Advisory: ENGL 1001

3322 MWF 10:00A-11:50A Read, M SCIENC
MW 02:00P-02:50P 7-212
Meeting Dates: 1/19/16 - 5/26/16

Meeting Dates: 1/20/16 - 5/25/16
(3327/3360-PSY 1001-This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)

Psychology

PSY 1001 3 units
General Psychology
This is a basic course introducing psychology as the scientific study of behavior and mental processes through the exploration of major theories and concepts, methods, and research findings. Topics include biological bases of behavior, sensation & perception, cognition, learning, emotion & motivation, development, personality, social psychology, psychological disorders and therapies, and applied psychology. (AA, CSU, UC) (C-ID: PSY 110)
Advisory: ENGL 1001

3325 R 06:00P-08:50P TBA ESTC
Meeting Dates: 1/21/16 - 5/26/16
(3325/3360-PSY 1001-This course will be taught concurrently in Weed and Yreka using two-way videoconferencing.)

STUDENT GOVERNMENT

If you want to have a voice in campus happenings and have the opportunity to work with administrators, faculty, staff, and other students get involved with student government.

Stop by the ASB Office in the Student Center!
Social Science (Sociology)

SOC 1001  Introduction to Sociology
3 units
An introduction to the study of Sociology including its basic concepts, theories, and methods. Topics include analysis and explanations of different social systems, cultures, socialization, deviance, groups, social stratification, race, gender, minorities, and the family. (AA, CU, UC) (C-ID: SOCI 110)
Advisory: ENGL 0900

Meeting Dates: 1/19/16 - 5/26/16
(3312-SOC 1001-Students enrolling in this course must have internet access and know how to use email. Check the COS online course website at www.siskiyous.edu/online prior to the first day of the semester for specific course information.)

# Welding

## WELD 958 3 units

**Advanced Power Plant and Field Pipe Welding II**

This is an advanced course designed to enable students to become qualified by the American Society of Mechanical Engineers per section IX in the field of industrial pipe welding. This course includes shop safety, oxyacetylene cutting, air carbon arc cutting, and pipe welding using the shielded metal arc process. Pipe coupons will be prepared and welded in the (6G) fixed position. Students are required to furnish their own safety glasses and gloves. (AA)

Prerequisite: WELD 0957

Meeting Dates: 1/20/16 - 5/25/16
College of the Siskiyous Extension Classes

Pre-registration is needed for all classes to allow for tight budgeting and affordable course fees. Avoid the frustration of a canceled class and sign up early. Classes need at least 15 students registered the WEEK PRIOR TO THE START OF CLASS or they may be canceled BEFORE the first meeting. This allows adequate time to contact all students should COS need to cancel the class because of low enrollment and notify the facility of the class cancellation. You will receive a refund in the mail for canceled classes. Refunds are processed twice a month.

Fitness and Well-Being

XFW 333 0 units
Community Fitness Workout
This course provides an organized workout consisting of a weight circuit, group calisthenics, core work, and stretching. (NDA)

Upward Bound

www.siskiyous.edu/upwardbound The College of the Siskiyous Upward Bound program is designed to provide local area high school students with the motivational support and the educational skills necessary to graduate to higher education and succeed. The Upward Bound program provides workshops, college tours, cultural outings, supplemental learning and tutoring opportunities during the academic year as well as an academic six week residential program during summer break. Siskiyous Upward Bound is funded from 2012-2017 entirely from the U.S. Department of Education in the amount of $324,000 annually.

Contact Stephanie Wroten, Program Grant Manager at 530.938.5278 for further information
Smoking
The College of the Siskiyous buildings and grounds are designated “clean air” facilities per College Procedure AP 3570, and constitute an environment in which students and employees are protected from potential hazards that may be attributed to, or exacerbated by, the use of tobacco products. The Board of Trustees of College of the Siskiyous has established College Procedure AP 3570 which states that smoking and use of smokeless tobacco are prohibited in all campus buildings. Smoking of any kind, including use of electronic cigarettes, is allowed inside personal vehicles and in designated outdoor areas only.

Academic Accommodations: Students with a disability or condition that requires special accommodation or assistance, please contact the ADA and Learning Services/DSPS Coordinator in Eddy Hall 1, 530.938.5297.

FERPA Policy Statement
The Family Educational Rights and Privacy Act (FERPA) provides students who are enrolled in an institution of postsecondary education the right to inspect, review, and challenge their educational records. College of the Siskiyous has the responsibility of maintaining and protecting the confidentiality of students' official educational records. College of the Siskiyous also supervises the access to and/or release of educational records of its students. FERPA covers enrolled and former students, including those who are deceased. In addition, the College will not release personally identifiable records of students to any individual, agency, or organization without the prior written consent of the student, except as provided by FERPA.

COS is committed to a Drug and Alcohol Free Campus
The abuse of illicit drugs and alcohol disrupts classes, compromises our physical and mental health, subjects us to criminal penalties, and impairs our ability to benefit from the learning experience. Therefore, the faculty, staff, and administrators of College of the Siskiyous ask you to support the creation of a drug and alcohol free learning environment by knowing and making others aware of college policies and the substantial health and legal consequences of abuse.

District Policy
Siskiyou Joint Community College District Policy states that the District “...is committed to maintaining a drug free workplace,” in accordance with the requirements of the U.S. Drug-Free Workplace Act of 1988. The college is also committed to a drug and alcohol free college environment for students and employees in accordance with the requirements of the Drug-Free Schools and Community Act Amendment of 1989.

Legal Sanctions
It is unlawful to manufacture, distribute, dispense, possess or use illicit drugs and alcohol on the college premises.

If you abuse drugs on campus, or appear on campus or at a college-sponsored function under the influence of drugs or alcohol, you can be suspended, expelled, and/or criminally prosecuted. State and Federal sanctions include fines up to $100,000 and up to 20 years in prison.

Health Consequences
Use of controlled substances can lead to memory loss, indifference to academic achievement, impaired judgment, overdose, sudden death, liver disease, psychological disorders, and brain damage. Long-term alcohol abuse can cause ulcers, gastritis, pancreatitis, liver disease, cancer, loss of coordination, heart disease, stroke, emotional distress, sexual dysfunction, and other health problems.

For confidential assistance and referral, call the following:
On Campus
Counseling Services ………………………530.938.5353
Off Campus
Siskiyou County Behavioral Services ………1.800.842.8979

Hazing
No student or other person in attendance at any public, private, parochial, or military school, college, or other educational institution shall conspire to engage in hazing or commit any act that injures, degrades, or disgraces or tends to injure, degrade, or disgrace any fellow student or person attending the institution. (Ed Code 48900(q))
Campus Security Act of 1990
The Campus Security Act of 1990 (Public Law 101-542) requires that all colleges and universities receiving Title IV student aid assistance prepare and distribute an annual report which sets forth its policies on crime prevention issues and gives statistics on the number of arrests on campus for liquor law violations, drug abuse violations, and weapon possessions.

In addition, the act requires colleges and universities to provide timely warnings to the campus community of certain crimes reported to campus security by local law enforcement which may be considered a threat to other students and employees. On an annual basis, this information is disseminated to students, faculty, and staff in the Schedule of Classes.

Policy
The Board of Trustees of College of the Siskiyous has established the following policy with respect to Campus Security and Crime Awareness:
1. To provide an environment which ensures the safety and security of all members of the campus community.
2. To make the campus community aware of the nature of any criminal activity which occurs on campus.
3. To assist the campus community in taking appropriate measures to prevent crimes.

Campus Crime Statistics:
Statistics for the College of the Siskiyous campuses in Weed and Yreka for 2014 are as follows:
Weed Campus: 17 drug violations, 9 liquor law violations, 1 burglary, 1 stalking incident. Yreka Campus: none.

Public information regarding sex offenders in our county is available at [http://meganslaw.ca.gov/](http://meganslaw.ca.gov/)

We ask our staff to assist us in keeping our campus environment safe. Please report all incidents to Doug Haugen, Director of Student Life at 530.938.5374.

Campus Alerts
Students are strongly recommended to sign up to receive emergency alerts from the College through our Everbridge service. You can also receive other COS updates through this service. Choose to receive these via text or email. Create an account online using the Everbridge Portal available on the COS homepage in the bottom right corner.

Privacy Rights of Students
[www.siskiyous.edu/procedures/services/AP5040.pdf](http://www.siskiyous.edu/procedures/services/AP5040.pdf)

College of the Siskiyous observes the provisions of the Family Education Rights and Privacy Act (FERPA) as amended in 1974 as follows:
• Educational records are not released to any individual or agency without written consent of the student.
• The Director of Enrollment Services has been designated “Records Officer” as required by the Act.
• Students have a right to review their educational records to determine accuracy. Official requests for such review should be made, in writing, to the Enrollment Services Office at least three working days in advance.
• Students have a right to challenge the accuracy of their educational records. There is a process established to resolve issues related to the accuracy of educational records. Please refer to the Student Handbook for more information. Student Handbooks are available in the Student Life Office.
• The College may release certain types of “Directory Information” unless the student requests in writing to the “Records Officer” that certain or all such information not be released without their consent.
“Directory Information” at College of the Siskiyous includes: student name, address, telephone number, schedule of classes, major field of study, participation in officially recognized activities and sports, educational goals, and the most recent public or private schools attended.
• In addition to the above stated “Directory Information,” the College may also report student name, address, telephone number, date of birth, level of education and major to the Federal government, including military recruiting agencies in accordance with Public Law 104-206 and 104-208 (Solomon Amendment).
• Student consent is needed for the release of any non-directory information/records covered by the Act to outside parties. College officials and faculty, with a legitimate educational interest regarding the student, have access under the law to the educational records of their students.
• Parents have certain rights with respect to their children’s educational records. These rights transfer to the student when they reach 18 years of age or when they attend college. In the case of a special admission K-12 student who is attending the College of the Siskiyous, the student is considered a college student. As such, access to the student’s records by parents or guardians is only permitted with a “Release of Information” form signed by the student. The form is available in the Enrollment Services Office.

A copy of COS Board Policy BP 5040 – Student Records, is available for review in the Enrollment Services Office or on the COS website.
Non-Discrimination Statement
www.siskiyous.edu/procedures/general/AP3410.pdf

College of the Siskiyous is committed to equal opportunity in educational programs, employment, and all access to institutional programs and activities.

The District, and each Individual who represents the District, shall provide access to its services, classes, and programs without regard to national origin, religion, age, sex (gender), race, color, medical condition, ancestry, sexual orientation, marital status, physical or mental disability, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

This non-discrimination policy covers admission, access and treatment in college programs and activities, including, but not limited to, academic admissions, financial aid, educational services, athletics, and application for and treatment regarding college employment.

In conformance with the requirements of Title II of the Education Amendments of 1976 amending the Vocational Education Act of 1963, the College is committed to overcoming sex discrimination and sex stereotyping in Vocational Education programs. In compliance with the Age Discrimination in Employment Act of 1967, the College does not discriminate against employees or applicants for employment on the basis of age. In compliance with Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973, the College has given the following individual responsibility for ensuring equal opportunity:

Equal Employment Officer:
Nancy Miller, 800 College Ave., Weed, CA 96094
530.938.5317, Human Resources.

Gender Equity Coordinator:
Nancy Miller, 800 College Ave., Weed, CA 96094
530.938.5317, Human Resources.

GET INVOLVED WITH YOUR STUDENT GOVERNMENT!!

Have a voice in campus happenings. Plan programs and activities. Work with administrators, faculty, staff, and students. Be a leader, learn organizational skills. Be part of important decisions. Gain self-confidence, recognition and experience. Stop by and talk with Les Courtemanche or call 530.938.5280 for more information.
Definition of Sexual Assault
Sexual assault includes, but is not limited to, rape, domestic violence, dating violence, stalking, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault.

Policy Statement
The Siskiyou Joint Community College District prohibits sexual assault by students against other students or District employees. The District will ensure that students are aware of their rights and responsibilities pertaining to sexual assault. The District will provide educational programs and support services to prevent student rape and sexual assault. Incidents of rape or sexual assault will be reported to the appropriate authorities.

Policy Elements
Statement of Student Rights
Each student has a right to:
• Engage in a variety of academic, cultural, social, recreational, and personal activities on Campus without fear of sexual assault.
• Develop a variety of social and personal friendships and relationships on Campus without the expectation that in return sexual intimacy will be required, either with or without consent.
• Physical settings which are free of vulgar, sexually explicit or oppressive language.
• Report inappropriate behavior or language involving sexual content to College authorities without fear of intimidation, harassment, reprisals, or exploitation.
• Receive a prompt hearing by College authorities in incidents of sexual assault.

Statement of Student Responsibilities
Each student has the responsibility to:
• Ensure that his or her actions do not involve the use or threat of sexual assault.
• Ensure that social and personal relationships do not operate with the expectation that sexual intimacy will be the required outcome.
• Ensure that he or she refrains from the use of vulgar, sexually explicit, or oppressive language which is clearly inappropriate.
• Report inappropriate behavior or language involving sexual content to appropriate counseling and guidance staff.

Educational Program
The College shall develop an ongoing educational program to provide information and assistance on issues related to sexual assault. Such a program shall give particular emphasis to the development of student sensitivities and the provision of information on prevention of situations which are likely to result in sexual assault.

Sexual Harassment
Sexual harassment is an illegal form of sexual discrimination and a violation of professional ethics. Harassment is defined as verbal or physical conduct that has the intent or effect of unreasonably interfering with a student’s or an employee's educational or work performance. It is also defined as the creation of an intimidating, hostile, or offensive environment.

Sexual harassment, whether subtle or blatant, is unacceptable at College of the Siskiyous. It is in violation of both District policy and civil law and will be addressed with quick and decisive action.

College of the Siskiyous, in order to ensure an environment free from harassment, encourages any individual who believes that he or she has been sexually harassed to raise the issue and/or to file a complaint according to established procedures. Allegations of inappropriate behavior will be handled confidentially and thoroughly, protecting the rights of all concerned.

The Equal Employment Officer will investigate all allegations of sexual harassment. For a complete copy of the Policy Prohibiting Sexual Harassment, please contact: Nancy Miller, Equal Employment Officer 530.938.5317.
