Upward Bound

The Upward Bound Program at College of the Siskiyous, serving high school students year-round throughout Siskiyou County, is one of 8 federally funded TRIO programs initiated in 1965 to promote equal opportunity in education. Nationwide, Upward Bound has helped thousands of students succeed in graduating from college and universities since 1966.

Upward Bound serves students who have the potential to become the first generation in their families to complete a college education.

To be eligible, students must:

- Be in grades 8, 9, or 10 to apply.
- Come from a family in which neither parent has graduated from a four-year college and/or meet the low-income criteria.
- Attend one of the following high schools:

Butte Valley	Dunsmuir
Etna	McCloud
Mt. Shasta	Tulelake
Weed	Yreka
- Selection is also based on recommendations from teachers and principals and a personal interview.

Upward Bound offers:

- Preparation for college.
- Assistance from tutors during the academic year.
- Individual and group counseling.
- A six-week residential summer program which includes high school courses.
- Assistance in completing college admissions and financial aid applications.
- Special workshops including SAT/ACT Prep, field trips, cultural events, and college visits.
- Incentives: stipend checks, awards, and fun trips .
