

College of the Siskiyou Fire Technology Employment Information

The College of the Siskiyou Fire Technology "COSFT" has 2 positions that can be applied for based on the following criteria. As a State Fire Training approved ARTP we must also follow State Fire Training Regulations. Potential instructors must be qualified under both College of the Siskiyou & State Fire Training rules and regulations. Below is a condensed list of the requirements.

The 2 positions available to apply for at the College of the Siskiyou are:

1. [Part-Time Adjunct Instructor](#)
6 year COSs experience in the Fire Service
2 year Degree or higher
2. [Expert Instructional Aid](#)

Please email cdelcour@siskiyous.edu once you have completed your online application.

State Fire Training Minimum Requirements to teach at the Fire Academy

The information below is from the [State Fire Training Bulletin on July 22, 2019](#).

Fire Fighter I / II Academy Instructor Requirements

Starting January 1, 2019, new instructors for Fire Fighter I and Fire Fighter II academies will be required to meet the following requirements:

- Instructor I Certification (40 Hours Instructional Experience and completed Task Book)
- Ethical Leadership in the Classroom
- Fire Fighter 1 Certification
- Fire Fighter 2 Certification – to teach those skills

Current Academy Instructors (those who were instructing at the ALA/ARTP on/before December 31, 2018) maintain their status even though they may not be "Certified Instructors." **To qualify for this exemption, you must have a "Fire Fighter 1 & 2 Instructor" listed in your Acadis certifications.** SFT runs a quarterly report looking for the above certifications and then adds this certification automatically to your Acadis.
