

Subject: March 11 2021 College Update
Date: Thursday, March 11, 2021 2:05:00 PM

Hello Siskiyous!

Brief updates for this week:

- **Suggestion Box** – There was a request to revisit the '10-point plan' which included safety escorts, improved lighting, and stronger relations with Weed PD.
 - Extension 5911 has been used to request safety escorts and, as soon as the repeater is replaced, individuals can call 5911 to request a safety escort (anticipated replacement date: end of March).
 - There is a scheduled walk through next Thursday at 7pm to look at lighting.
 - Weed PD is available to present to groups on campus. If you have a presentation request, please email Ronnie Rivera.
 - ASB is actively working to improve campus safety (physically and psychologically). They will be working with our Equity, Inclusion and Social Justice committee to develop strategies. We hope to share these strategies at an upcoming Safety Committee meeting.
 - We are looking for the 10-point plan. If any of you have access, feel free to email me the plan.
- **Principles of Cultural Humility & Implicit Bias (Date Change - April 9th, 1:00 pm to 3:30 pm)** – Complete the RSVP survey sent by Desiree.
- **Change in Public Comments at Board Meetings** – Open Forum for public comment on Closed and Open Session agenda items, as well as topics not on the agenda but within the Board's jurisdiction, will be held at one time in the meeting. This Open Forum will be held prior to Closed Session, as required by California Government Code 54954.3.
- **Acting VPSS (email sent by Dawnie yesterday)** – Val Roberts is serving as the Acting VP of Student Services until June 30, 2021.

In celebration of Women's History Month:

Thank you everyone for your continued hard work!
