SJEDI Corner

- **The Hip Hop Mindset: Success Strategies for Educators and Other Professionals:** Mon. June 3rd 4p - 5p. Dr. Toby Jenkins studies the use of culture as a politic of social survival, a tool of social chance, and a transformational space in educational settings. In *The Hip-Hop Mindset: Success Strategies for Educators and Other Professionals*, Dr. Jenkins moves beyond teaching strategies to explore how hip-hop mindsets can inform how educators can innovate and trail-blaze new ways of knowing, being, doing, and leading.
- **[Siskiyou County Pride Event!](#)** Saturday June 15, 2024. 12p - 12a at the Mt. Shasta Brewing Co. - June is Pride Month. Pride Month is a powerful mix of celebration, remembrance, and action. It's a time to honor the past, fight for the present, and create a more inclusive future for everyone.
- **Accessibility Capability Maturity Model (ACMM) Baseline Report:** As you know, the College had its in-person visit from the Accessibility Center Team on April 15 and 16. The [ACMM Baseline report](#) includes our scores on each area. As you can see, we have a lot of work ahead of us but, that's okay....we also have time to identify our priorities for completion. Members of the ACMM Governance Group have been identified based on our report and a Doodle poll will be sent to identify our initial meeting date.
