Hello Siskiyous!

I hope everyone had a wonderful 4<sup>th</sup> of July holiday weekend! First, HUGE thank you to Christina Van Alfen for serving as Acting Superintendent/President from June 27 - July 3, 2024!

*This week's updates:*

- **Enrollment Report:** Can be accessed [here](#).
- **Facilities and Maintenance Updates:** Monday July 15th exterior painting of the Science building will begin and go through August 1st. Wednesday July 17th – 19th Wilgus will be completing our annual Fire Extinguisher testing for both campuses. We have vandalism occurring on the Yreka campus at the fire suppression system on the front lawn of RHSI. Measures will be taken to secure the valve in a heated tamper proof box in the upcoming weeks. The maintenance team will be working on internal projects this week.
- **Year in Review:** We accomplished A LOT in 23-24. Here's a snapshot of our amazing accomplishments and of what is yet to come!  
[https://www.siskiyous.edu/president/documents/23-24\\_yearend\\_review.pdf](https://www.siskiyous.edu/president/documents/23-24_yearend_review.pdf) Thank you for ongoing contributions to the success of our College and our students! 24-25 here we come!
- **Join ACCCA:** The Association of California Community College Administrators (ACCCA) is a member-supported professional organization for administrators and managers of California's community college system. As an ACCCA Member, you have resources to additional benefits, advocacy information, professional development, legal services but most importantly, you will have access to a professional network available to provide you with the support you need. To learn more about ACCCA and to join, visit: <https://accca.org/benefits/why-join-accca/>. If you have any questions about ACCCA, feel free to reach out to me.
- **Missing Person: Nikki Cheng Saelee - McCain:** Lynn Fritz (our former Missing Murdered Indigenous Persons Presenter) is sharing the attached flyer. Please call the numbers listed if you have any information. Nikki's vehicle was located in Tehama County.
- **Overnight Parking:** Information from Amy in Administrative Services: We would like to inform everyone of the overnight parking policy on campus. We've been working hard here in Administrative Services to update the overnight parking policy, and are ready to roll it out for the Summer intersession. Once the new academic year begins and our constituency groups are back on campus, we will update the language of AP 6750 to reflect the changes. Overnight parking is allowed on the Weed campus only. It will be

available for Lodge residents and students or employees participating in overnight college sponsored trips. A valid overnight parking permit must be displayed, hanging visibly from the rearview mirror of your vehicle. Permits can be obtained as follows: Lodge residents will receive theirs in their welcome packets, athletes from their coaches, and Upward Bound/TRIO participants from their leads. Each permit comes with a corresponding map outlining authorized overnight parking areas. We will be notifying the Weed Police Department once we start using the parking permits, and they will begin enforcing the policy. Parking overnight in an area not designated for overnight parking, or parking in a designated area without a visible permit may result in warning notices or citation. As we move forward, our goal is to maintain and improve campus safety and we appreciate your cooperation with these updates! If you have any questions or need more information, please feel free to reach out to us at (530)938-5220
