Hello Siskiyous and Happy Monday!

This week's updates:

- **Enrollment Report:** Can be accessed [here](#).
- **Maintenance and Facilities Updates:** This week we will begin painting the exterior of the Science building. The project will proceed through August 1st. Tuesday evening Weed Campus fire extinguishers will be removed from all buildings for their annual inspection and returned Wednesday evening after certified. The Custodial and maintenance department will be acting fire watch while during this time. The Yreka Campus inspection will begin on Thursday and be completed the same day. Daycare kitchen, District kitchen and café Ansul systems will be inspected Thursday morning. The student center lobby will be closed for floor waxing July 22- 26th *please make a plan to use alternate doors and restrooms during this time*. The café will be accessible through the east door only during this time. Signage will be placed on the door as a reminder.
- **Reminder - COVID Guidelines:** CDPH Recommendations for people who test positive can be accessed [here](#). A limited number of COVID Tests are still available in the President's Office. Email Char if you would like to pick up a free test.

This Thursday I will be off campus at our Annual Board Retreat and on Friday, July 19th, I will be in Riverside presenting at the CCLC CEO Leadership Academy. I will return to the area on Sunday, July 21st and will be flexing my schedule and taking Monday July 22nd off. As such, next week's All-College email will be sent on Tuesday July 23rd, 2024.

Thanks all and have a wonderful week!

Char
