At that time, 47% (53/114) of community colleges had implemented a 100% smoke or tobacco-free policy. Currently, 69% (79/114) are 100% smoke or tobacco-free. In Spring of 2021, we distributed a Smoke Free Survey. Now that we are out of the COVID 'State of Emergency' we are interested in reassessing. Please complete the [College of the Siskiyou Tobacco Policy Survey](#) by Oct. 15, 2024. Feel free to share with your students!
