Reminder: Smoke Free Survey: According to the [Smoke and Tobacco Free Policy Report Card](#), in May 2018, the Board of Governors for the California Community College system adopted a resolution to provide guidance and support for all California Community Colleges to adopt and implement 100% smoke and tobacco-free policies. At that time, 47% (53/114) of community colleges had implemented a 100% smoke or tobacco-free policy. Currently, 69% (79/114) are 100% smoke or tobacco-free. In Spring of 2021, we distributed a Smoke Free Survey. Now that we are out of the COVID 'State of Emergency' we are interested in reassessing. Please complete the [College of the Siskiyous Tobacco Policy Survey](#) by Oct. 15, 2024. Feel free to share with your students!

- **HR Message Regarding Work Attire:** As a friendly reminder, while the District does not have a formal dress code for staff, we as District employees are the front-facing representatives of College of the Siskiyous. Consequently, we interact with students, families and community members year-round. While [casual business attire](#) is preferred and college branded 'spirit' wear is acceptable, please remember that our attire sends a message to the community. Let's make it a positive one!

"When you look at those who do have a sense of purpose in their work, 60-plus percent are thriving in their wellbeing - essentially a 10-times-fold difference."* Additional details and a recording to the full webinar can be accessed by clicking [Learning About Purpose](#).
