Hello Siskiyous and Happy Native American Heritage Month!

November is Native American Heritage Month, a time to honor and celebrate the rich history, diverse cultures, and significant contributions of Native American and Indigenous peoples. We recognize the resilience, strength, and spirit of these communities and their enduring connection to the land. Let us take this opportunity to learn from their wisdom, respect their traditions, and support their sovereignty. For additional resources visit: <https://www.nativeamericanheritagemonth.gov/>.
