Hello Siskiyous!

Wow...last week of the month. Where does the time go?!

*This week's updates:*

- **CONGRATULATIONS to our Women's and Men's Basketball Teams for being selected to play in the 3C2A State Playoffs!** Women's Basketball will be hosting the first round on Wednesday Feb 26, 2025 against Consumnes River. Time TBA. Men's Basketball will travel to Columbia College in Sonora, CA and will play on Wednesday Feb 26 at 7pm. GO EAGLES!
- **Enrollment Report:** Can be accessed by visiting the [Enrollment Reports Webpage](#). For those who don't know, the original idea to make enrollment reports available came from Chris Vancil. Thanks Vancil!
- **Maintenance and Facilities Updates:** We have SWACC inspections this week. On Tuesday the 25th Phil Clark will be at the Yreka campus and the Eagles Nest for inspection. He will then inspect the Weed campus on Wednesday the 26th. Several limbs are broken around campus creating a dangerous situation in high winds. Adrian will be removing the broken limbs today.
- **Amazon Locker:** The Weed Campus is in the process of housing an Amazon Locker specifically for use by employees and students. Once the location of the locker has been identified, I will send another update. Click [Amazon Locker](#) to learn more about its use.
- **Food Services Survey:** A survey has been developed for those who would like to give kudos, to recommend menu items or to inform us of an issue. The survey can be accessed on the Food Services webpage as well as [here](#). As a reminder (also noted on the survey): Kindly remember that a real person will be reading these.
- **ACCCA Partners With National University!** National University (NU) — a nonprofit, veteran-founded institution that serves more than 130,000 learners annually through its degree and professional training programs — and the Association of California Community College Administrators (ACCCA), a nonprofit representing administrative professionals comprising 73 districts and 116 colleges, today jointly announced a new partnership to provide pathways to possibility for community college administrators to pursue bachelor's, master's and doctoral degrees at NU. Through this partnership, ACCCA members can receive a 25% tuition scholarship towards NU bachelor's and master's courses and a 15% tuition scholarship for doctoral programs. For more details, read the [Press Release](#).
