A Great Education. A Great Location. COS Spring Semester Will Begin February 1

COS / Weed –You have goals. Big goals. Maybe you want a better job, financial security, or a better life for you and your family. Things may seem uncertain right now. But your future is not on hold and we’re here to help. Now is the time to make the future yours! Enroll today for the spring semester at College of the Siskiyous. We are offering face-to-face, remote and ‘all’ online classes this coming semester. Early registration is recommended to get the classes you need and want.

Students who plan to register for classes as a full time or new to COS student should contact the COS Counseling and Advising Department at (530) 938-5353 to schedule an appointment with staff that will provide you with the help you need to successfully complete your academic and career goals. From the college’s homepage, students may access their “mySiskiyous” account, register for classes, view the class schedule, and more.

COS provides transfer classes to four-year colleges, associate degrees, career training certificate programs, job skills classes, and courses for personal enrichment and recreation. Many services are available for students including our free laptop loan program, advising and counseling, on campus housing, tutoring, financial aid, and the Campus Gift and Book Shop where students may also purchase their books and supplies.

For more information about College of the Siskiyous visit our website at www.siskiyous.edu or call (530) 938-5555 or toll-free (888) 397-4339. Are you new to COS? Call or text (530) 938-5376 to schedule a tour of the Weed Campus. The spring semester will begin February 1, 2021
