Auditions Set for COS Spring Production of “Night Night, Roger Roger” by Megan Roni Ragone

Weed / COS - It’s midnight, but that doesn’t mean the world slows down. “Night Night, Roger Roger” by Megan Roni Ragone is a comedic fanciful play about the world after the sun goes down. Roller skating Nanas, kids with tin cans, literary obsessed vampires, clumsy security guards, kids without tin cans, quirky game show hosts, and more. This play is a plea for every person to stop growing up so fast. Take your moment with the universe and enjoy it. (Such an important lesson right now).

Auditions for this production will be held February 9 and 10 from 3 to 5:30 p.m. This show is being directed by Kitty Keim. If you need additional information or are interested in auditioning, email Kitty - lkeim@siskiyous.edu. Performances of this production will be April 16 – 18 and April 23 – 25.
