College of the Siskiyous Announces New Tenured Faculty

Weed / COS – College of the Siskiyous is pleased to announce Elizabeth (Liz) Carlyle, English Faculty, as newly tenured faculty. The announcement was made during the March 15, 2022 regular meeting of the Siskiyou Joint Community College District.

“I love our small campus and our students,” shared Carlyle. “I feel privileged to work with incredible faculty, staff, and administrators who have supported me in my own journey in teaching excellence. However, what I like the most is that I feel valued by both my colleagues and the students, which inspires me to keep working hard to serve the college and my community,” she continued.

Elizabeth Carlyle joined the faculty at College of the Siskiyous in January 2018. She holds a Bachelor of Arts degree in Russian Studies from the University Of Nottingham, United Kingdom and a Master of Arts degree in English (Teaching Writing) from Humboldt State University. Carlyle also holds certificates from the University of Wisconsin and Clarendon College in the subject areas of English Language Teaching to Adults, E-Learning, and Online Learning.

Prior to joining the faculty at Siskiyous, she was an Associate Faculty member with the English Department at College of the Redwoods. At College of the Redwoods, Carlyle taught accelerated pretransfer and transfer-level English courses in English, Reading and English as a Second Language (ESL). In addition, she is currently the Score Leader for Educational Testing Service, a TOEFL Program. Carlyle is currently working on a graduate certificate in Instructional Design and Technology.
